- the benefit of sick, poor fishermen from the Borough of Grimsby

The secondary purpose of the Charity is for the benefit of sick poor persons resident in the Borough of Grimsby. The ultimate purpose is for the benefit of sick poor persons resident anywhere in the United Kingdom.

The trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Financial Review

The trustees' policy on reserves is to preserve capital by retaining and reinvesting the proceeds from any income producing assets and to distribute each year the balance of income arising after provision for all known revenue expenses.

The accounts for the year to 12 April 2023 have been prepared on the receipts and payments basis in accordance with relevant legislation and comprise a statement of assets and liabilities at that date together with a receipts and payments account for the year.

There is an excess of payments over receipts for the year amounting to £(4,241.16) which has been deducted from the cash funds brought forward to leave a balance of cash funds to carry forward at the year end of £95,036.97.

RBC Brewin Dolphin (formerly Brewin Dolphin Securities Limited) manage the quoted investments on a discretionary basis and provide advice to the trustees. These investments have performed satisfactorily in the year.

Fees paid in the year for accountancy and administrative services to RNS Chartered Accountants, a firm of which S Wilson, one of the trustees, is an employee amounted to £15,500 plus VAT.
