Independent examiner's report to the trustees of

1

The John Coley Almshouses Trust

We report on the accounts of the Trust for the year ended 31st December 2021, which are set out on pages 2 to 3.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed

It is our responsibility to:

examine the accounts under section 145 of the 2011 Act;
to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act;
and
to state whether particular matters have come to my attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below

Independent examiner's statement

In connection with my examination, no matter has come to our attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 130 of the 2011 Act; and
to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
