CLARKE'S AND MARSHALL'S CHARITIES

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2024

Constitution

The Charities were founded by George Marshall and George Clarke in 1624 and 1636 respectively. A renewed Trust Deed was effected on 30th March 1932 and the Charities are registered with the Charity Commission, Number 220728. As the two Charities have common trustees and objectives, the Charity Commission has directed that they be treated and administered as a single Charity. The Charities' address is shown on page 1.

Objectives and activities for the public benefit

The purpose of the Charities is the support of the needy in the Manchester area through making grants to appropriate individuals and institutions. The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charities' aims and objectives, in planning future activities, and setting the grant making policy for the year.

As in previous years the Charities further their charitable purposes by managing and receiving income from their Investments and other Assets and, from the income, making an annual contribution to the Manchester Relief in Need Charity in accordance with the Charity Commission Scheme dated 18th November 1974.

Trustees and Organisation

The Trustees determine the general direction and policies of the Charities at annual meetings. These policies are implemented on a day to day basis by the chairman, the treasurer and the secretary, in conjunction with the investment advisers and discussion with the other Trustees as appropriate. Details of the Trustees acting during the period are shown on page 1. New Trustees may be appointed by the current Trustees.

Finances and Activity

Details of the results and the Charities' state of affairs are shown on pages 8 and 9 of the Accounts. The Trustees consider these to be satisfactory and consider that the Charities have adequate resources to enable them to continue to meet their objectives.

Income Fund

Investment and other income increased compared to the previous period and amounted to £73,997 (2023: £69,619). In furtherance of their objectives, the Charities made a contribution of £57,500 to the Manchester Relief in Need Charity (2023: £57,500) which greatly assisted that Charity in carrying out its work. At the year-end there was a surplus of income, and after taking into account unrealised losses arising from the revaluation of investments, the accumulated balance on Income Fund increased from £183,696 to £194,820. Of this balance, the sum of £73,001 represents unrealised gains on the revaluation of investments (2023: £74,534).

Capital Fund

Investment management costs increased in the year to £9,340 (2023: £6,501), there were realised losses on disposal of £558 in the year and unrealised losses on revaluation were £13,054. As a result of this, the balance on Capital Fund at 31st March 2024 decreased to £1,317,402 (2023: £1,340,353) Of this balance, the sum of £592,389 represents unrealised gains on the revaluation of investments (2023: £630,365).

CLARKE'S AND MARSHALL'S CHARITIES

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2024 (Continued)

Investments

Investment Policy

Under the terms of the Charities' constitution, the Trustees have unrestricted powers of investment. In exercising these powers, the Trustees seek to achieve a balanced return to produce income to meet the annual contribution to the Manchester Relief in Need Charity, whilst at the same time achieving long term capital growth to maintain the real value of the underlying funds. The investment portfolio returned a positive performance for the twelve months to March. Global equity indices rallied over the period with fixed income continuing to underperform cash. Global growth turned out to be more resilient than anticipated, especially in the United States. The much-discussed US recession did not materialise in 2023 and appears not to be happening in 2024. Both the UK and Germany have suffered consecutive quarters of shrinking GDP, thus entering technical recessions, however the downturns in both countries have been marginal. Moving forward inflation will be a key determinant of short-term outcomes for the economy and the market, it will define central bank policy. We believe that central banks remain alert to the risk of additional inflation but they are hinting that they will support economic stability if a choice has to be made. We continue to maintain a quality bias in our investments, especially in terms of balance sheet strength and access to liquidity.

Transactions

There have been a number of investment changes during the period as detailed on the investment schedule, with a net decrease in monies invested of £2,963. The Charities have continued to retain some liquid funds to enable them to take advantage of possible investment opportunities. The total value of investments at 31st March 2024 was £1,441,311 (2023: £1,459,419). Details regarding investments are shown in Note 7 to the Accounts and in the detailed investment schedule on pages 16 to 20.

Reserves Policy

Income Fund

As indicated in the notes to the accounts, the Charities' policy is to distribute the clear yearly income to the Manchester Relief in Need Charity. As a result of events in previous years, a balance has been accumulated on Income Fund and this is gradually being utilised to increase the annual payments to the above mentioned Charity.

Capital Fund

It is the policy of the Charities to retain this Fund and the underlying investments, in order to provide a continuing source of income to enable the objective of making annual payments as outlined above to be continued in the future.

Risk Management

The Trustees review the major risks that the Charities face on a regular basis. The Trustees are satisfied that such risks are understood and systems are in place to ensure that these will not affect the Charities' ability to continue their activities in the future.

Trustees Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

CLARKE'S AND MARSHALL'S CHARITIES

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2024 (Continued)

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charities and of the incoming resources and application of resources of the Charities for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charities will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charities and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charities and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees and signed on their behalf.

K. A. Graham (Hon Secretary)

21 November 2024.

CLARKE'S AND MARSHALL'S CHARITIES

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE CLARKE'S AND MARSHALL'S CHARITIES

Opinion

We have audited the financial statements of Clarke's and Marshall's Charities (the "Charities") for the year ended 31st March 2024 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charities' affairs as at 31st March 2024 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charities in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

CLARKE'S AND MARSHALL'S CHARITIES

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE CLARKE'S AND MARSHALL'S CHARITIES (Continued)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charities or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

CLARKE'S AND MARSHALL'S CHARITIES

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE CLARKE'S AND MARSHALL'S CHARITIES (Continued)

We identified areas of laws and regulations, relevant to charities of this size, that could reasonably be expected to have a material effect on the financial statements from discussions with the trustees and key personnel. We communicated identified laws and regulations to our audit team and remained alert to any indications of non-compliance with laws and regulations.

The Charities are subject to laws and regulations that directly affect the financial statements including financial reporting legislation and taxation legislation. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, as these may for example involve fraud or override of internal controls and we are not responsible for preventing non-compliance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities]. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charities' trustees, as a body, in accordance Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charities' trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charities' trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Percy Westhead & Company

CLARKE'S AND MARSHALL'S CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

1 ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charities constitute a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charities' ability to continue as a going concern. With respect to the next reporting period, 2024-25, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management sections of the trustees' annual report for more information).

(b) Fund Accounting

The Capital Fund is an expendable endowment fund. The income from this fund is unrestricted and available for use at the discretion of the Trustees in furtherance of the general objectives of the Charities.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

(c) Fixed Asset Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Charities do not acquire put options, derivatives or other complex financial instruments.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

(d) Investment Income and Interest Receivable

Income from investments is recognised in the Accounts at the date when it becomes payable. This policy represents a departure from recommended accounting principles which require income to be recognised in the accounts on an accruals basis. In the circumstances of these Charities, the Trustees consider it inappropriate to recognise this income until the date when this is due to be received. Following the abolition of Advance Corporation Tax and in accordance with recommended accounting practice, dividends from UK Companies and Unit Trusts are stated net. Other investment income is stated gross. Income from Chief and Ground Rents and bank interest receivable is accounted for on the accruals basis and is stated gross.

CLARKE'S AND MARSHALL'S CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

(e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charities to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (g) below.

(f) Allocation of support and governance costs

Support costs have been allocated to other support costs. Governance costs comprise all costs involving the public accountability of the charities and their compliance with regulation and good practice. These costs include costs related to statutory audit together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on the number of individual grant awards made in recognition that the administrative costs of awarding, monitoring and assessing grants are broadly equivalent. The allocation of support and governance costs is analysed in note 5.

(g) Costs of raising funds

The costs of generating funds consist of investment management costs and any legal fees.

(h) Charitable activities

Costs of charitable activities include grants made, governance costs and an apportionment of support costs as shown

2. TRUSTEES' FEES

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2023: £nil). No expenses have been paid to the trustees in the year (2023: £nil).

3 INVESTMENT INCOME

	<u>2024</u>	<u>2023</u>
	£	£
Income from investments	73,110.32	69,313
Interest on cash deposits	712.17	132
Chief and Ground Rents receivable	174.50	174
	<u>73,996.99</u>	<u>69,619</u>

CLARKE'S AND MARSHALL'S CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

4 INVESTMENT MANAGEMENT COSTS

	<u>2024</u>	<u>2023</u>
	£	£
Investment management fees	9,339.87	6,501
	<u>9,339.87</u>	<u>6,501</u>

In 2024, all £9,339.87 (2023: £6,501) of investment management costs were attributable to capital funds

5 ALLOCATION OF GOVERNANCE AND SUPPORT COSTS

The breakdown of support costs and governance costs are shown below. Apportionment is solely to grant making expenditure as the sole activity.

	<u>2024</u>	<u>2023</u>
	£	£
Support costs		
Bank charges	-	-
	<u>-</u>	<u>-</u>

	<u>2024</u>	<u>2023</u>
	£	£
Governance costs:		
Auditor's remuneration	3,840.00	3,720
	<u>3,840.00</u>	<u>3,720</u>

	<u>2024</u>	<u>2023</u>
	£	£
Allocation of governance and other support costs:		
Grant making	3,840.00	3,720
	<u>3,840.00</u>	<u>3,720</u>

The trustees have decided to meet all governance costs from unrestricted funds and so no allocation or charge is made to restricted funds for any governance related costs.

The auditor's remuneration constituted an audit fee of £3,840 (2023: £3,720).

CLARKE'S AND MARSHALL'S CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

6 ANALYSIS OF CHARITABLE EXPENDITURE

The charities undertake their charitable activities through grant making and awarded grants in furtherance of their charitable activities.

CLARKE'S AND MARSHALL'S CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

All investments are carried at their fair value. Investment in equities and fixed interest securities are all traded in quoted public markets, primarily the London Stock Exchange. Holdings in common investment funds, unit trusts and open-ended investment companies are at the bid price. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value).

Following the change in the administration of the Charities in 1991 the documents of title in support of the Receivable Chief and Ground Rents were reviewed and it was confirmed that the necessary deeds were held to give good marketable title to only some of the rents receivable. No valuation has been attributed to these in previous Accounts, and these have been included in the Accounts on the basis of a £nil valuation. The Trustees do not consider it appropriate to place a valuation on these at the present time.
