Trustees' Annual Report

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report

I report to the trustees on my examination of the financial statements of United Almshouse Charities ('the charity') for the year ended 31 December 2024

Responsibilities and Basis of Report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

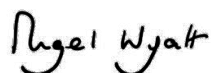

Independent Examiner's Statement

I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Basis of Preparation

United Almshouse Charities is a registered charity in England. The address of the charity is given in the charity information. The nature of the charity's operations and principal activities are to provide housing and support for individuals in need.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with:

Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019.

The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

The Charities Act 2011.

The financial statements are prepared on a going concern basis under the historical cost convention. They are presented in pounds sterling, which is the functional currency of the charity, and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Assessment of Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure are sufficient with levels of reserves for the charity to be able to continue as a going concern.

Fund Accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have set aside resources for a specific purpose.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or the term of specific appeal.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

Notes to the Financial Statements

Incoming Resources

All income is recognised once the charity has entitlement to that income, there is sufficient certainty of receipt, and it is probable that the income will be received, and the amount of income can be measured reliably.

Resources expended

Resources expended are recognised in the Statement of Financial Activities on an accruals basis, inclusive of VAT. Individual costs are allocated between the various headings in the Statement of Financial Activities by reference to their underlying nature or the reason for which those costs were incurred, on an estimated percentage basis.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Tangible Fixed Assets

Property held on behalf of the charity for its own purposes is valued at market value. No depreciation is charged against such properties but any maintenance or improvement is written off as incurred.

Operating Leases

Rental charges payable under operating leases are charged on a straight line basis over the terms of the lease.

Taxation

The charity is exempt from tax on its charitable activities.

Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

There are no critical judgements, significant assumptions concerning the future and key sources of estimation of uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Revaluation reserve

The revaluation reserve represents the accumulated increase in the value of the charity's land and buildings that have been revalued. This reserve is created when the carrying amount of these assets is increased to reflect their fair market value, rather than their historical cost.

11 Related Party Transactions

During the year, the charity made payments totalling £3,281 (2023: £3,434) to the Parochial Church Council of the Ecclesiastical Parish of St Peter's, St Albans. These payments were for the provision of charity administrator salary costs, which relate to a number of administrative hours provided by the church administrator and subsequently recharged to the charity.

The Parochial Church Council of the Ecclesiastical Parish of St Peter's, St Albans is considered a related party as Richard Butler and Mark Waller are mutual trustees serving on both the council and the charity's board.
