The Royal Numismatic Society was founded in 1836 under the name of The Numismatic Society of London, receiving a Royal Charter in 1904 (no. RC000509), since when it has been called The Royal Numismatic Society. It is governed by its Bylaws. It is a registered charity (no. 221850). The Society is established for the purpose of encouraging the study of the coinage of all countries and its history.

The trustees of the Society for the year ended 31 December 2024 were the officers and members of Council:

The Society normally holds meetings on the third Monday or Tuesday of each month, from January to June and October to December, at which substantive papers are read. The January, March, April, May and June meetings of the Society were at the Society of Antiquaries; the October and December meetings were at the Royal Asiatic Society; and the February and November meetings were held over Zoom. Council met on Zoom in February, April, June and October, and in person at the Royal Asiatic Society in December.

The President is elected at an AGM, for a period of up to five years. All other Officers and members of Council are elected at an AGM for a period of one year.

Following the AGM at the June ordinary meeting, Andrew Burnett retired as Honorary Vice President, and Roger Bland was elected as Honorary Vice President from October. Shailendra Bhandare retired as an ordinary member of Council in June, and Robert Bracey was elected as an ordinary member of Council from October.

The registered address of the charity is c/o Dept. of Coins and Medals, British Museum, London WC1B 3DG. The Society's activities are governed by its Charter and Bylaws, and Regulations. The Society's Bye-Laws were last revised in 2019.

The Society publishes *The Numismatic Chronicle* each year, which is distributed free to Fellows. Copies are also available for sale to the general public and Spink & Son Limited distribute them and Special Publications on behalf of the Society. A digital newsletter is published eight times a year before each meeting. Fellows also receive the *Money & Medals Newsletter* by email.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2024 (continued)**

The Society also produces a series of Special Publications. We are now working on Laurent Bricault and Cristian Mondello, *Isis Moneta, The 'Vota Publica' tokens from late antique Rome, a Sylloge of Islamic Coins in the Israel Museum*, and *Metallurgy in Numismatics 7*, edited by Matthew Ponting, as well as a volume on the coinage of Ptolemaic Lycia by Omar Tatar. We have also accepted a volume edited by Kevin Butcher on coinage of the late Hellenistic and Roman Republican periods, and are in discussions about *Historia Nummorum Sicily*.

The Society holds a substantial Library, jointly with the British Numismatic Society, housed at The Warburg Institute in Woburn Square, London. Under the terms of an agreement signed in 2019 the management of the Library is in the hands of the Warburg Institute while the two societies retain ownership of the books. The Warburg Institute's multi-year refurbishment has been completed and the Library is now located in the basement of the Institute. The Library is open to members on Monday to Saturdays, except public holidays.

In 2024 the Society administered thirteen Grant and Prize funds, using money donated to the Society for specific purposes. From these funds, grants and prizes totalling £17,390 were awarded to individuals and organisations. Seven funds (Lowick, Archibald, Price, Kreitman, CNG, Casey and Barrett) gave grants; the Marshall Fund supported educational purposes; the Linecar Fund supported the British Association of Numismatic Societies conference; and Parkes Weber, Lhotka, Gilljam and Shamma Funds gave prizes. The Society is a member of the International Numismatic Commission.

The trustees consider that the Society's various activities further its purposes for the public benefit. They have had regard to the Charity Commission's guidance on public benefit.

Decisions regarding the distribution of Grants, either from the Society's General Funds, or from the Designated or Restricted Funds are taken at the regular Council Meetings, after considering the recommendations of relevant Council officers or subcommittees. The level of General Funds is normally maintained at an amount between two and three years normal annual expenditure. The Society's total funds amounted to £946,987 at 31 December 2024. Its finances are kept under review by a Finance and Investment Sub-Committee.

The Society is financed by an annual subscription payable by both private and institutional fellows, with a reduced subscription for full-time students, together with income from investments. The full annual subscription is £45 and the student rate £20. The officers of the Society offer their services on a voluntary basis, although a paid administrator does work for the Society for normally one day per week. In this way, governance costs are kept to a minimum.

The Society's website is at <http://numismatics.org.uk>. The Society currently has about 560 fellows.

TRUSTEES’ RESPONSONSIBILITIES

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity’s transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charities Statement of Recommended Practice. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees have complied with the duty in Section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission in respect of public benefit.

In so far as the trustees are aware:

- there is no relevant accounting information of which the charity’s independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant accounting information and to establish that the independent examiner is aware of that information.

Signatory:

**INDEPENDENT EXAMINER’S REPORT TO THE TRUSTEES OF THE ROYAL NUMISMATIC SOCIETY
FOR THE YEAR ENDED 31 DECEMBER 2024**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2024, which are set out on pages 6 to 17.

Responsibilities and basis of report

As the charity’s trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (‘the Act’).

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of your charity’s accounts as carried out under section 145 of the Act. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner’s report

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material aspect:

- (1) accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a ‘true and fair’ view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024**1. ACCOUNTING POLICIES**

The accounts have been prepared under the historical cost convention, modified by the revaluation of investments.

The financial statements have been prepared to comply with the requirements of the Charities Act 2011, and the 'Statement of Recommended Practice' (SORP): Accounting and Reporting by Charities Financial Reporting Standard 102. The charity is a public entity as defined by Financial Reporting Standard 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue a going concern.

The accounts are prepared in sterling, being the functional currency of the charity.

Fund accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.
- Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
- Restricted funds are subject to restrictions on their expenditure imposed by the donor.

Tangible fixed assets and depreciation

No value has been attributed in the balance sheet to the Society's library. The joint library of the Society and The British Numismatic Society was insured during the year at £451,200 (2023: £449,250). The books are individually labelled as to which Society owns them, but for the purpose of practical day-to-day administration and the sharing of costs, two-thirds of the library is taken as belonging to The Royal Numismatic Society.

Investments

Investments are held for their long term growth value and are included in the financial statements at their mid-market values at the balance sheet date. Realised and unrealised gains and losses on investments are shown in the statement of financial activities and added or deducted from the appropriate fund in the balance sheet.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024**1. ACCOUNTING POLICIES (CONT'D)****Income recognition**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Income received by way of grants, donations and gifts is included in full in the statement of financial activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the Society, are recognised when the Society becomes unconditionally entitled to the grant.
- Investment income is included as it accrues.
- Income from charitable trading activities is accounted for when earned.
- Subscriptions are payable annually and are included on the accrual basis matched to the period to which they relate.

Expenditure recognition

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Society in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other costs include those costs associated with meeting the constitutional requirements of the Society and include the independent examiners' fees and costs linked to the strategic management of the Society.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. All costs are allocated directly to a particular activity.

Grants and Prizes

Grants and Prizes are authorised and awarded by the Council based on the recommendations of the various Prize and Fund Sub-committees and advice from relevant specialists, and are normally included in the accounts as payable when authorised and awarded.

Stock

No value is attributed to the Society's stocks of Special Publications and the Numismatic Chronicle, for which Spink & Son Limited are the Society's principal distributor.

9. FUNDS

a) **UNRESTRICTED FUNDS:**

i) **General Fund** - This represents funds available to be spent or applied at the discretion of the trustees to further any of the charity's purposes.

ii) **Designated Funds**

The H.W.A. Linecar Bequest of £5,000 was received in 1987 and Council has made the income available to subsidise the attendance of young people at the International Numismatic Congress and the congresses and lecture courses organised by the British Association of Numismatic Societies and to pay for an annual Linecar Memorial Lecturer at one of these B.A.N.S. events.

The Frizzell Fund was established in 1992 with a bequest received under the will of the late Helen Frizzell and Council decided that the income should be used once a year to pay the expenses of a visiting speaker, normally from abroad. This was subsequently extended to include using the income to help meet the travelling and other expenses of all lecturers, where appropriate, as well as the annual medallist.

The Special Publications Fund was originally established to present a separate record of the financial results of the Society's Special Publications Series and to retain the surplus funds designated as primarily available to meet the initial costs of publishing future volumes. 1 publication was made in 2023.

The Malcolm Lyne Fund of £222,654 was established in 2024. These monies, designated from the legacy of Malcolm Lyne, are to be used to fund projects related to his interests, grants and an annual prize.
