Birmingham Hebrew Congregation and Charitable Institutions Report of the Trustees for the period ended 31 December 2021

2

The Trustees present their annual report and audited consolidated financial statements for the period ended 31 December 2021 and confirm they comply with the Charities Act 2011, the Trust Deed, Charities SORP 2019 and The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102) (Effective 1 January 2019).

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Birmingham Hebrew Congregation is a registered charity (no. 222277) and is set up under its constitution and rules.

The members of the management council, who are also the Trustees, who served during the year are set out below. The council meet on a regular basis to manage the affairs of the charity and to formulate policy. The senior management team oversees the day to day operations of the charity in liaison with the Treasurer and Executive.

Mr G Bloom
Mr A Blumenthal
Mr J S Leek
Dr A C White
Mrs L Bushell
Ms S Blumenthal
Mr S Newman
Mr J Lang
Ms L Myers
Mrs A Georgevic
Mr B Shaffer
Mr J Bushell
Mr P Marks

Pay Policy for Senior Staff

The pay of the senior staff is reviewed annually and in view of the nature of the charity, the Trustees benchmark remuneration against pay levels in other organisations of similar size. The remuneration benchmark is the mid-point of the range paid for similar roles. Where recruitment has proven difficult in the past a market addition has also been paid with the pay maximum no greater than the highest benchmarked salary for a comparable role.

OBJECTIVES AND ACTIVITIES

The objects of the charity shall be to promote the Jewish religion for the public benefit by all or any of the following means:

- The provision and maintenance of a synagogue for prayer and to further and encourage the practice of Orthodox Judaism as prescribed by the office of the Chief Rabbi.
- To create and develop social and cultural activities for all ages for its membership and also to the wider Jewish Community of Birmingham and the West Midlands.
- To create programmes of Jewish learning in conjunction with other bodies to further aid and strengthen the practice of Orthodox Judaism.
- To provide and maintain two cemeteries at Witton and Brandwood End for the burying of Jewish deceased.
- To maintain and develop relationships with other non Jewish religious leaders and communities.
- To act as the Foundation body of the King David School.

Birmingham Hebrew Congregation and Charitable Institutions Report of the Trustees for the period ended 31 December 2021

3

STRATEGIC REPORT

Achievements and Performance

Once again we have hosted a number of cantors who have visited us and provided inspiration to our members. All Jewish festivals have been observed and celebrated both religiously and socially in person and virtually.

We have been able to offer a full service schedule using both virtual and in person services with excellent attendances providing our members with a good degree of connection and feeling of community. Our other social and welfare activities have recommenced as the restrictions were lifted.

We are also back to operating our other activities including weekly men's and ladies classes, Hebrew religious school, nursery school, weekly newsletters, Friday Night dinners, film evening, Chai Club and childrens services.

The adult and schools educational tours programme has been restarted and with the professionally made tour video of the tour proves to be a successful way to showcase our beautiful and historic synagogue.

Our three cemeteries continues to receive close attention to their presentation and condition throughout the year and received high praise from those who visited them.

Future Plans

The Council and Executive continue to review and consider members needs and views providing activities and meeting facilities, where required, to the relevant age profile of our membership and in particular attracting younger families.

We are committed to developing virtual services which now run in parallel to in person services as it has become apparent that it offers greater appeal across the age range.

FINANCIAL REVIEW

The Statement of Financial Activities for the year shows an increase in reserves of £70,612 for the period, this increase is due to the revaluation of the investment properties at 31 December 2021. The senior management team are monitoring the overheads to ensure that the budgets are appropriate and that the charity is still able to support the community. The Executive are continuing to look for ways of generating additional income and new members. The congregation continue to contribute to specific appeals as well as supporting the social and religious events.

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

The Trustees' policy is to protect the charity's capital by investing in low risk investments whilst maximising income as far as possible. The portfolio of investments is being reviewed against the above policy.

The Trustees regularly review the free reserves available to meet day to day expenses.

Birmingham Hebrew Congregation and Charitable Institutions Report of the Trustees for the period ended 31 December 2021

4

Going Concern

After making appropriate enquiries, the board of Trustees has a reasonable expectation that Birmingham Hebrew Congregation and Charitable Institutions has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Trustees Responsibilities in relation to the financial statements

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. Under that law the Trustees have elected to prepare their accounts in accordance with The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102) (Effective 1 January 2019). In preparing those financial statements, the Trustees have:

- selected suitable accounting policies and then applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepared the financial statements on the going concern basis.

The Trustees have overall responsibility for ensuring that the charity has appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities SORP 2019.

Statement as to Disclosure of Information to Auditors

In so far as the Trustees are aware at the time of approving our Trustees' annual report:

- there is no relevant information, being needed by the auditor in connection with preparing their report, of which the auditor is unaware
- the Trustees, having made enquiries of fellow Trustees and the auditor that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a Trustee in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

On behalf of the Council

**G Bloom – Trustee
2 October 2022**

Independent Auditor's Report to the Members of Birmingham Hebrew Congregation and Charitable Institutions as at 31 December 2021

Opinion

We have audited the financial statements of Birmingham Hebrew Congregation and Charitable Institutions (the 'parent charity') and its subsidiaries (the 'group') for the period ended 31 December 2021 which comprise group and parent charity statement of financial activities and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent charity's affairs as at 31 December 2021 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statement is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group or parent charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the financial statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditor's Report to the Members of Birmingham Hebrew Congregation and Charitable Institutions as at 31 December 2021

Opinions on other matters prescribed by the financial statements

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the trustees' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charity and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the trustees' report.

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charity, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charity financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the group and the sector in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the acts by the group, which were contrary to applicable laws and regulations including fraud, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to inflated revenue and the group's net income for the year.

Independent Auditor's Report to the Members of Birmingham Hebrew Congregation and Charitable Institutions as at 31 December 2021

Audit procedures performed included: review of the financial statement disclosures to underlying supporting documentation, review of correspondence with and reports to the regulators, including correspondence with the Charities Commission review of correspondence with legal advisors, enquiries of management and review of internal audit reports in so far as they related to the financial statements, and testing of journals and evaluating whether there was evidence of bias by the trustees that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's or the parent charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group or the parent charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the group and charity's members, as a body, in accordance with Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the parent charity and group's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the parent charity and the parent charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Malcolm Winston, Senior Statutory Auditor

Notes to the Consolidated Financial Statements for the period ended 31 December 2021**1 ACCOUNTING POLICIES****General Information**

Birmingham Hebrew Congregation and Charitable Institutions is a group comprising one unincorporated charity; and two incorporated subsidiaries limited by shares and registered with Companies House. Birmingham Hebrew Congregation and Charitable Institutions is registered with the Charities Commission in England and Wales under charity number: 222277. It operates from its registered office of Singers Hill, Ellis Street, Birmingham, B1 1HL. The principal activity is the promotion of the Jewish religion for the public benefit.

Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - Charities SORP 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements are presented for the nine month period from 1 April 2021 to 31 December 2021. The accounting reference date was shortened to bring the year end in line with the calendar year as members decided this was easier to match with their reports on the charity's activities throughout the year. As a result of the change, the comparatives are not entirely comparable, especially in regards to the Statement of Financial Activities. The trustees of the charity have legal authority to change the accounting period as they deem appropriate.

Going Concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The worldwide outbreak of the COVID-19 virus has affected the way the charity operates and has had an impact on the charity's income, however, costs have also reduced and the trustees believe that the going concern basis is still appropriate. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Consolidated accounts

The trustees have chosen to prepare consolidated accounts incorporating the activities of BHC Car Parks Limited for the period to 31 December 2021 and the transactions with Birmingham Hebrew Congregation Properties Limited for the period to 31 December 2021.

Income

Income includes donations received, fees charged for membership, funeral services and car park rental.

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefit will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Notes to the Consolidated Financial Statements for the period ended 31 December 2021

1 ACCOUNTING POLICIES (continued)**Government grants**

Grants received under the various Covid-19 measures are recognised using the performance model. A grant that does not impose specified future performance-related conditions is recognised in income when the grant proceeds are received or receivable. A grant that imposes future performance-related conditions is recognised in income when the performance-related conditions are met. Any grants received before the revenue recognition criteria are satisfied are recognised as a liability.

Tangible fixed assets

The trustees consider that the freehold properties are maintained in such a state of repair that their residual value is at least equal to their net book value. As a result, the corresponding depreciation would not be material and is, therefore, not charged in the Statement of Financial Activities.

Depreciation is provided at the following annual rates in order to write off each of the other assets over their estimated useful life.

Freehold property improvements	- 10 years
Fixtures and fittings	- 20% and 33% on cost
Motor Vehicles	- 25% reducing balance

Investment Property

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date with changes in fair value recognised in profit or loss.

For the purposes of clarity, as this surplus or deficit is not realised, the amount is noted (net of any deferred tax provision arising on the surplus or deficit) against the general fund.

Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'net gains on investment' in the statement of financial activities incorporating income and expenditure account.

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at Bank and in Hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Liabilities and Provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation.

Notes to the Consolidated Financial Statements for the period ended 31 December 2021

1 ACCOUNTING POLICIES (continued)**Financial Instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Restricted and Unrestricted Funds

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Income arising on the endowment funds can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund.

Pension Costs

The charity operates a defined contribution scheme for the benefit of its employees. The costs of contributions are written off against profits in the year they are paid.
