Trustees' Annual Report for the year ended 31 December 2024

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 17 October 2025.

Barrie Worth
Trustee

The Whipton Institute

Report of the Independent Accountant to the Trustees of the charity on the accounts for the year ended 31 December 2024

We report on the financial statements of The Whipton Institute for the year ended 31 December 2024, as set out on pages 5 to 14, which comprise the Statement of Financial Activities, the Income and Expenditure Account, the Balance Sheet and the related notes to the financial statements, including a summary of significant accounting policies. In our opinion, the accompanying financial statements of the charity are prepared, in all material respects, in accordance with charity law applicable within the jurisdiction of England & Wales and the accounts have been prepared in accordance with FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, under the historical cost convention, and in accordance with the accounting policies set out on page 9, which framework constitutes the applicable United Kingdom Generally Accepted Accounting Practice.

Respective responsibilities of the directors and the accountant

As described on page 3, you, the charity's Trustees are responsible for the preparation of the accounts.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the Governing Document for the conducting of an audit. The Trustees also consider the charity to be exempt from the requirement to be subject to Independent Examination.

Our responsibility is to prepare accounts upon the basis of the information supplied to us, without conducting any formal scrutiny.

No statement of opinion

We have not carried out any audit procedures and have relied upon information supplied to us by the Trustees, and the information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently we do not express an audit or other assurance opinion on the view given by the accounts.

The 'SORP Ref' indicated above is the classification of Balance Sheet items as set out in the formal SORP documents. As required by paragraph 4.60 of the SORP, the brought forward and carried forward funds above have been agreed to the SOFA..

The Trustees acknowledge their responsibilities for complying with the requirements of charity legislation with respect to accounting records and the preparation of accounts.

The Trustees are satisfied that, although the charity is not registered under the Companies Acts, if it were so registered, it would be eligible to prepare accounts in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

Barrie Worth

Trustee

Approved by the board of trustees on 17 October 2025

The notes attached on pages 9 to 14 form an integral part of these accounts.

The Whipton Institute

Notes to the Accounts for the year ended 31 December 2024

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Allocating costs to activities

Direct costs that are specifically related to an activity are allocated to that activity. Shared direct costs and support costs are apportioned between activities.

The basis for apportionment, which is consistently applied, and proportionate to the circumstances, is :-

Staffing - on the basis of time spent in connection with any particular activity.

Staffing - on a per capita basis, based on the number of people employed within any particular activity.

Premises related costs - on the proportion of floor area occupied by a particular activity.

Non specific support costs - on the basis of the usage of resources, in terms of time taken, capacity used, request made or other measures

Estimation techniques used in apportioning costs - give details

The Whipton Institute

Notes to the Accounts for the year ended 31 December 2024

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 not applicable
Leasehold premises	0 not applicable
Plant and machinery	15 % written down value
Motor vehicles	0 not applicable

A regular annual review of the likelihood of asset impairment is undertaken.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

There are no designated funds

There are no restricted funds

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There are no significant implications of such matters.
