The Trustees confirm that they have referred to the information contained in the Charity Commissions' general guidance on public benefit when reviewing the Trust's objectives and activities and grant making policy. The objectives and activities, determined under the Trust Deed, are described elsewhere in this Report. The Trustees consider that by implementing the objectives of the Trust considerable public benefit will be achieved and many members of the public with particular needs will benefit.

Unrestricted funds, free from reserves, as at 5th April 2024 amounted to HJS £13,857 (2023 £13,568) and JH £21,188 (2023 £21,058).

FUTURE PLANS

The Trustees will continue to support local charities within the City of Birmingham and comply with the charity's objectives.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Under the terms of the Will of Henry James Sayer deceased, the residue of the Estate is to be held by the Trustees upon trust to invest the same and to distribute the income arising therefrom between such charitable institutions of the City of Birmingham and/or such charitable objects, including individuals, within the City of Birmingham, as they shall from time to time think fit. An object or an individual shall not be debarred from benefit by reason only of an address being outside the said City if the object or individual was of Birmingham origin. The Trustees have additional powers as set out under the Terms of the Will.

Under the terms of the Will dated 7 April 1681 of Joseph Hopkins deceased as amended by a Scheme of the Charity Commissioners dated 28 June 1973, the Trust Funds are to be held by the Trustees upon trust to invest the same and to distribute the income arising therefrom in reducing the needs, hardship or distress of persons resident in the City of Birmingham who are in need of such assistance. The Scheme imposes restrictions that the income shall not be applied directly in the relief of rates, taxes or other public funds but income may be applied in supplementing relief out of public funds.

By a direction of the Charity Commissioners under Section 96(6) of the Charities Act 1993 the Commissioners directed that the Joseph Hopkins Charity and the Henry James Charity should be treated as a single charity for the purposes of Part II and Part VI of the Charities Act 1993.

Charity constitution

A Power of Amendment was conferred on the Trustees by a Charity Commission order dated 8 August 2006. The Trustees of the Henry James Sayer Charity have amended their Constitution so that their Trusteeship is common with that of the Joseph Hopkins Charity. The Charity Commission then made a Unity Direction under Charities Act 1993 in respect of the accounts of the two Charities.

Recruitment and appointment of new trustees

The Trustees have power to appoint new Trustees. Prospective Trustees are invited to meet fellow Trustees and, if appointed, are provided with copies of the previous year's annual report and a copy of the Charity Commission leaflet "The Essential Trustee: What you Need to Know". The Trustees review each year the need for trustees to have further training.

Organisational structure

The Trustees have continued their policy of support for smaller local Charities and some local initiatives of national Charities. The Trustees will generally consider applications provided they are submitted using a standard application form. The Trustees have complied with the duty in Section 17 of the Charities Act 2011 and have had regard to the guidance issued by the Charity Commission on public benefit at their trustees meetings.

The Trustees have examined the major strategic, business and operational risks which the Charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to mitigate these risks.

Approved by order of the board of trustees on and signed on its behalf by:

Independent Examiner's Report to the Trustees of
H J Sayer and J Hopkins Charities

Independent examiner's report to the trustees of H J Sayer and J Hopkins Charities

I report to the charity trustees on my examination of the accounts of H J Sayer and J Hopkins Charities (the Trust) for the year ended 5 April 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend income is recognised as the charity's right to receive payment is established.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

All gains and losses are taken to the Statement of Financial Activities as they arise.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

Investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on the revaluation and disposals throughout the year.

Taxation

The charity is exempt from tax on its charitable activities.
