The Doctors Green and Slater Rest Houses  
Trustees' annual report  
for the year ended 31st October 2022

The charity is governed by a trust deed dated 21 January 1960. A board of Governors (who are the trustees of the charity) manages the unincorporated association which is registered with the Charity Commissioners, number 222486.

The trustees present their report and the audited financial statements for the year ended 31st October 2022.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the charity's trust deed and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

## **Objectives and activities**

The charity provides sheltered accommodation for older people who are able to live independently. They are eligible to apply for the accommodation if they have been living either in the County Borough of Stockport or within 5 miles of Stockport Town Hall for the ten years immediately preceding their application. Applicants fill in an application form and are interviewed by two trustees, who assess their needs according to the trust deed. Selection is made on the basis of this need, regardless of race, gender, religion, political affiliation or sexual orientation. If an applicant is considered to be suitable and there are no vacancies a waiting list is kept and updated regularly.

The trustees are aware of the Charity Commission guidance on Public Benefit and feel that the provision and maintenance of the sheltered accommodation described is of benefit to the public. Both trustees and the manager are concerned that all residents feel part of a mutually supportive community, and receive daily checks on their welfare.

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

## **Achievements and performance**

The charity's main activities and who it tries to help are described below. All its charitable activities focus on the housing scheme and its residents and are undertaken to further The Doctors Green and Slater Rest Houses' charitable purposes for the public benefit.

During the year to 31 October 2022 the scheme has provided sheltered accommodation for twenty-five residents on average. Covid-19 Infection control measures were in effect during this reporting period.

The Doctors Green and Slater Rest Houses  
Trustees' annual report  
for the year ended 31st October 2022

Operational developments:

- Planning and preparation for the redevelopment.
- Return to face-to-face interactions with residents following the lifting of COVID restrictions.
- A continuous monitored programme to reduce the arrears.
- Three new beneficiaries took up residence during the year.
- A rolling programme of general repairs and maintenance was carried out as and when needed.
- Scheme manager notified trustees of her intended retirement in September 2022.
- The commenced for the recruitment of new members of staff, a Housing Manager and a Charity Administrator.
- Interim arrangements were put in place prior to the appointment of new staff.
- The establishment of a Charitable Incorporated Organisation.

## **Beneficiaries of our services**

The beneficiaries of our services are the residents who fulfil the criteria outlined above and as set out in the trust deed. Residents need to be capable of living independently.

During a difficult year three of our residents passed away, two residents moved into accommodation providing the level of care that they needed. Three new residents took up occupation of three of the vacant flats. The two remaining flats are part of the refurbishment project.

As the COVID restrictions were reduced residents began to resume some of the activities they had previously enjoyed together, such as games mornings and barbecues.

Residents are contacted daily to check on their welfare, outside of working hours this service continues with an out-of-hours call service.

## **Financial review**

The trustees confirm that the restricted and unrestricted funds are available and adequate to fulfil the obligations of the charity.

The charity's investments show a satisfactory return. The income derived from investing the trust fund is used to pay for the services of the resident manager, an out of hours cover service, and to subsidise the weekly occupation charge made to residents. The trustees are also committed to a rolling programme of refurbishment and maintenance of the scheme buildings and site (see elsewhere in the report). The trustees apply the income in administering, managing and maintaining the Rest Houses. They are also responsible for insuring the property against fire and other risks, and paying all other outgoings, salaries and expenses in respect of the property. The trustees have transferred the bulk of our investment to various ethical investment funds in line with our overall aims and objectives.

The financial statements disclose net incoming resources of £8,885 (net incoming resources of £51,865 in 2021).

Further, unrestricted funds amounted to £3,199,522, with free reserves of £2,513,803. Of this figure £2,198,572 is money held by the investment brokers, with £315,231 remaining for the Trustees to fulfil their refurbishment intentions and leave adequate working capital.

The Doctors Green and Slater Rest Houses  
Trustees' annual report  
for the year ended 31st October 2022

Restricted funds are designated for expending on extraordinary repairs and at the year end amounted to £496,005 (£546,557 in 2021.)

There are no uncertainties regarding the charity's ability to continue, as a going concern.

## **Reserves policy**

Our principal responsibility is for the long term housing of elderly people. Because of the vulnerable nature of our residents we recognise that we have responsibility to provide a safe financial environment in which to operate. We believe it is prudent to retain one year's operating costs as a minimum, although this is mitigated somewhat by the occupation charges made to residents. Our property was built in the 1960s, when one bed studio flats were quite acceptable to our target residents. In order to ensure the acceptability of our accommodation in the foreseeable future, we believe a more substantial amount would be needed for any future building project designed to improve the standard of accommodation. Until such projects are agreed we would need to hold in reserve an additional sum of £150,000 which would be released if and when further development takes place.

## **Structure, governance and management**

The statutory power of appointing new or additional trustees is governed by the trust deed, which states that no person shall be qualified to be appointed unless he or she shall at the date of appointment be a member of the Quaker meetings (The Religious Society of Friends) and any interested Quaker is invited to a meeting of the existing trustees. If they are willing to go forward their appointment is confirmed at a subsequent meeting. There are on average six trustees in post at any one time. All trustees are encouraged to attend training sessions on topics relevant to their duties and are given a copy of the original trust deed. There is no formal constitution apart from this trust deed.

No external body is entitled to appoint a trustee to then scheme.

The organisation is an unincorporated charity, registered as a charity on 21<sup>st</sup> January 1960 in England and Wales.

The charity is constituted under a trust deed dated 21<sup>st</sup> January 1960. The trustees are members of the charity but this entitles them only to voting rights. The trustees have no beneficial interest in the charity.

We are very grateful to the Trustees who give their time and knowledge voluntarily to the Charity. During the year one of our Trustees passed away and we are expecting the resignation of two of our experienced Trustees at the end of 2022.

We will be looking to recruit new Trustees in the coming year.

The Charity has membership of The Almshouse Association acting as an umbrella organisation supporting small charitable trusts who provide housing to people in need. The Almshouse Association provides valuable guidance to the Charity, the Trustees and Staff.

The Charity Administrator took up post at the end of October and recruitment for the post of Housing Manager is progressing.

All trustees give their time voluntarily and receive no benefits from the charity. No trustee expenses were claimed in this year.

The Doctors Green and Slater Rest Houses  
Trustees' annual report  
for the year ended 31st October 2022

Facilities

The Trustees commissioned a quinquennial review of the property in March 2022. There were no major concerns about the overall state of the property, however, the report did advise a re-roofing needed to be undertaken, this work will take place during the coming 12 months.

The Trustees have agreed to move forward with on-site conversion of the warden's house into two flats and the expansion of a small ground floor flat so that it has increased accessibility. The office will also be enlarged as part of the development work that will be going ahead.

Plans have been drawn up and the development proposal has been submitted to the Local Authority for planning permission. It is expected that the work will start in April 2023.

**Funds held as custodian trustee on behalf of others**

The charity does not act as custodian trustee for any other organisation.

The Doctors Green and Slater Rest Houses  
Trustees' annual report  
for the year ended 31st October 2022

## **Statement of responsibilities of the trustees**

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees' annual report has been approved by the trustees on 28/06/2023 and signed on their behalf by Frances McCann

Trustee

Independent Examiner's Report  
To the members of  
The Doctors Green and Slater Rest Houses

I report on the accounts of the Charity for the year ended 31<sup>st</sup> October 2022 which are set out on pages 8 to 22.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act
- have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Drs Green & Slater Rest Houses

### Notes to the accounts for the year ended 31 October 2022

#### **1 Accounting policies**

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### **a Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019 (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The accounts (financial statements) have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019, rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Drs Green & Slater Rest Houses meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

##### **b Preparation of the accounts on a going concern basis**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

There are no key judgments which the trustees have made which have a significant effect on the accounts.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

Notes to the accounts for the year ended 31 October 2022 (continued)

**c Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

**d Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised; refer to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**e Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Notes to the accounts for the year ended 31 October 2022 (continued)

**f Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

**g Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of investment management and their associated support costs.
- Expenditure on charitable activities includes the costs undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

**h Operating leases**

Operating leases are leases in which the title to the assets, and the risks and rewards of ownership, remain with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

**i Tangible fixed assets**

Individual fixed assets costing £500 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Freehold building	1.0% - 1.5% on cost
Office fixtures and equipment	20% on cost

**j Fixed asset investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Charity does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**k Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**l Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**m Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**n Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

## Drs Green & Slater Rest Houses

### Notes to the accounts for the year ended 31 October 2022 (continued)

#### **o Pensions**

Employees of the charity are entitled to join a defined contribution 'money purchase' scheme. The charity's contribution is restricted to the contributions disclosed in note 8. There were no outstanding contributions at the year end.

#### **2 Legal status of the charity**

The charity is an unincorporated charity, registered as a charity in England & Wales.
