TRUSTEES' ANNUAL REPORT (including Directors' Report)

YEAR ENDED 30 SEPTEMBER 2021

The trustees, who are also directors of the charity for the purposes of the Companies Act, are pleased to present their annual report together with the audited financial statements of the charity for the year ended 30 September 2021. The trustees have adopted the provision of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

REFERENCE AND ADMINISTRATION DETAILS

Reference and administration details are shown in the schedule of officers and professional advisers on page 1 of the financial statements.

STRUCTURE GOVERNANCE AND MANAGEMENT

Governing Document

The Abbeyfield Bury Society Limited is a charitable company limited by guarantee. Its governing document is in the form of a Memorandum and Articles of Association dated 15 February 1962 as amended by special resolutions dated 6 September 2004 and 28 August 2007.

As a registered charity the company is non-profit making and its directors and trustees are volunteers.

Appointment of Trustees

The management of The Abbeyfield Bury Society Limited is the responsibility of the trustees. Any individuals can apply as a trustee but they have to be approved by the existing trustees.

Trustee Induction and Training

As part of their induction, new trustees are provided with information about the charity, the management structure, its history and working practices.

In addition they are also provided with extracts of the Memorandum and Articles of Association plus information from the Charity Commission and Companies House regarding the duties and responsibilities of trustees.

Appropriate training to trustees is provided where necessary.

Organisational Structure

The business of the charity is managed by the trustees. They have appointed a part-time administrator/manager to be responsible to the trustees for the administration of the work of the charity. They are also responsible for the bookkeeping of the charity.

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

The objectives of the charity are to relieve aged, impotent and poor people of all classes for the advancement of religion and education and for other charitable purposes beneficial to the community.

Aims of the Charity

The charity is a Registered Housing Association and has operated throughout the year as a provider of very sheltered housing for the elderly.

PUBLIC BENEFIT

We have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees have considered the activities of the charity as set out in the 'objectives and activities' section above, and the 'achievements and performance' and assessed their future plans. They are satisfied that the criteria for public benefit are comprehensively achieved.

ACHIEVEMENTS AND PERFORMANCE

Review of Business

2020/2021 has been another year of frustration because of the constant changes in "official" advice from the government and its medical advisors. After last year's challenges and the ongoing government directives on health and safety issues, our plans to offer further activities for our residents, tenants and the elderly, isolated and lonely residents in our local community have, once again, been put on hold until such time we are advised differently.

I am happy to report that we recently allowed families to visit their relatives in their rooms which has helped tremendously with our residents mental health issues. However, we are still requesting that all visitors entering and leaving our premises sign the visitors' register and wear face masks. Depending on the outcome of the new variant of the coronavirus, we may have to revert to families using the visitors' cabin in the garden.

At Farraday House, we have installed a new boiler and have also installed a defibrillator at the front door of our building which can be used by anyone in the local community if required.

I am sad to say that we have lost two of our residents, one who has dementia and needed extra care and another who had various health issues unrelated to the coronavirus who sadly passed away in hospital. They are greatly missed by the Abbeyfield family.

We were not able to hold our AGM in 2020 but were able to welcome everyone to our AGM in September 2021. The attendees were fewer than normal because of the lack of space and the need to keep to the "keeping a distance rule".

Abbeyfield House in Turks Road, Radcliffe has had a much needed update to the heating system and despite one or two hiccups, is working well and keeping our residents warm and comfortable.

This year, we have welcomed a new Trustee, Mrs Elaine Shirt who is an experienced businesswoman and has a personal knowledge of caring in the community. She is looking forward to her role as a volunteer Trustee and I am sure her experience and knowledge will be of great benefit to the ethos of the Abbeyfield Family.

YEAR ENDED 30 SEPTEMBER 2021

Finally, on behalf of myself and Board of Trustees, a huge thank you to our dedicated and committed staff who have worked tirelessly to protect themselves and our residents throughout what has been a difficult time for all concerned. Both residents and staff have been fully vaccinated, including the booster and flu and we are hopeful that we can still maintain a virus free environment.

FINANCIAL REVIEW

Results

The surplus for the year was	£19,613
From which is added the retained surplus brought forward	£1,757,759
Leaving a surplus carried forward of	<u>£1,777,372</u>

The majority of income is derived from rents received from residents of the 33 units of supported housing available.

Reserves Policy

The board recognises the need to hold a reasonable level of unrestricted reserves to secure the charity's future and the wellbeing of our Abbeyfield Bury residents. Current levels of reserves are high as a legacy of having sold properties in the past. The trustees will not hesitate to re-invest these reserves where required to fund improvements or the addition of new facilities in either of our homes.

Funds

The funds held by the charity are detailed in note 19 to the accounts.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also directors of The Abbeyfield Bury Society Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law and registered social housing legislation require the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the

incoming resources and application of resources, including the income and expenditure of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the association will continue in business; and
- observe the methods and principles in the Charities SORP 2019.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Housing and Regeneration Act 2008 and the Accounting Direction for private registered providers of social housing in England 2019. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO OUR AUDITORS

We, the trustees of the company who held office at the date of approval of these Financial Statements as set out above each confirm, as far as we are aware, that:

- there is no relevant audit information of which the company's auditors are unaware; and
- we have taken all the steps that we ought to have taken as trustees in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

We, the directors of the company who held office at the date of the approval of these Financial Statements, confirm so far as we are aware that there is no relevant audit information of which the charitable company's auditors are unaware, and each trustee has taken all the steps that they ought to have taken in order to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

SMALL COMPANY EXEMPTION

In preparing this report the directors have taken advantage of the special provisions of part 15 of the Companies Act 2006 relating to small companies.

AUDITOR

A resolution proposing that DonnellyBentley Limited are re-appointed as auditors of the company will be put to the Annual General Meeting.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ABBEYFIELD BURY SOCIETY LTD

YEAR ENDED 30 SEPTEMBER 2021

Opinion

We have audited the financial statements of The Abbeyfield Bury Society Limited (the 'charitable company') for the year ended 30 September 2021 which comprise the statement of financial activities, the balance sheet, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 September 2021, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the provisions available for smaller entities, in the circumstances set out in note 21 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

THE ABBEYFIELD BURY SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ABBEYFIELD BURY SOCIETY LTD - continued

YEAR ENDED 30 SEPTEMBER 2021

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

THE ABBEYFIELD BURY SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ABBEYFIELD BURY SOCIETY LTD - continued

YEAR ENDED 30 SEPTEMBER 2021

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory framework applicable to the company and the sector in which it operates and considered the risk of non-compliance with applicable laws or regulations.

We determined that the following laws and regulations were most significant: the Companies Act 2006 and the Charities Act 2011. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, for example, forgery or intentional misrepresentations, or through collusion.

We obtained an understanding of how the company is complying with those legal and regulatory frameworks by making enquiries of the management. We corroborated our enquiries through our review of board minutes.

Our tests also included agreeing the financial statements disclosures to underlying supporting documentation. There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud.

We also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the management or trustees that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

THE ABBEYFIELD BURY SOCIETY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 SEPTEMBER 2021

1. ACCOUNTING POLICIES

The Abbeyfield Bury Society Limited is incorporated under the Companies Act 2006 and is a Registered Provider of Social Housing.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019 – (Charities SORP 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006, the Housing and Regeneration Act 2008 and with the Accounting Direction for Private Registered Providers of Social Housing in England 2019. The principal accounting policies adopted in the preparation of the financial statements are set out below.

The Abbeyfield Bury Society Limited meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes. They have been prepared under the historic cost convention and the going concern basis.

Company Status

The charity is a company limited by guarantee incorporated in England and Wales. The members of the company are the trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is Farraday House, Cottam Street, Bury, BL8 1QQ. The nature of the charity's operations and its principal activity is as a provider of very sheltered housing for the elderly.

Fund Accounting

General Funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes.

Income

Income from charitable activities represents fees receivable from residents in respect of housing accommodation provided by the Society in the year net of rent losses from voids.

All income is included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

Donations

Monetary donations, other than those allocated to special projects, are credited to the income and expenditure account, on a receipts basis.

Investment Income

Interest is recognised as the charity's right to receive payment is established.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

THE ABBEYFIELD BURY SOCIETY LIMITED

NOTES TO THE FINANCIAL STATEMENTS - continued

YEAR ENDED 30 SEPTEMBER 2021

- Charitable activities expenditure comprises these costs incurred by the charity in the delivery of its services for its beneficiaries.
- Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Tangible Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Improvements to Property	-	4% per annum straight line
Freehold Buildings	-	4% per annum straight line
Fixtures and Fittings	-	15% per annum on the reducing balance
Computer Equipment	-	25% per annum straight line

Housing properties

Housing properties are principally properties available for rent and are stated at cost less any provision for impairment (representing a diminution in the recoverable service potential of the asset below its carrying value in the balance sheet) less depreciation. Cost includes the cost of acquiring land and buildings and development costs.

Social Housing Grant (SHG)

SHG received as a contribution towards the capital costs of a scheme is shown in the Housing Properties note. Where properties are included at historical cost the total grant receivable is deducted from the cost of housing properties. This treatment contravenes the Companies Act but is necessary to show a true and fair view.

SHG is subordinated to the repayment of loans by agreement with the Housing Corporation. SHG released on sale of a property may be repayable but is normally available to be recycled and is credited to a recycled Capital Grant Fund or Disposal Proceeds Fund and included in the balance sheet in creditors.

VAT Accounting

Irrecoverable VAT which can be attributed to a capital item or revenue expenditure is added to the cost of the capital item or expenses.

Pension costs

The Society operates a defined contribution pension scheme. Contributions are charged to the income and expenditure account in the accounting period in respect of which they are payable to the scheme.

Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

THE ABBEYFIELD BURY SOCIETY LIMITED

NOTES TO THE FINANCIAL STATEMENTS - continued

YEAR ENDED 30 SEPTEMBER 2021

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors; bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Taxation

No provision has been made for taxation as exemption from taxation has been granted by the Inland Revenue under the provisions of Section 505 of the Income and Corporation Taxes Act 1988.

Going Concern

The trustees have reviewed the circumstances of The Abbeyfield Bury Society Limited and consider that adequate resources continue to be available to fund the activities of the charity for the foreseeable future. The trustees are of the view that the charity is a going concern.

2. JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
