OBJECTIVES AND ACTIVITIES

The objects of the branch are to promote the work and objects of the Society - to promote kindness and to prevent or suppress cruelty to animals by all lawful means - with particular reference to the area of the branch. The trustees have reviewed the outcomes and achievements of our objectives and activities for the year to ensure they remain focused on our charitable aims and continue to deliver benefits to the public. We have complied with the duty under the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

Under the Charities Act 2011, the advancement of animal welfare is recognised as a distinct statutory charitable purpose. This legislation and the Animal Welfare Act 2006 indicate an acceptance by society that treating living creatures with compassion has a moral benefit for the public as a whole. Whilst this public benefit is clear, it is sometimes difficult to quantify and must be balanced against any detriment.

We support the activities of our inspectorate by financing the boarding and subsequent rehabilitation and rehoming of abandoned animals. The society's inspectorate (as well as providing education, information and advice) rescues animals in distress and enforces laws against the cruel mistreatment of animals in England and Wales by bringing prosecutions. This work is key to 'the prevention or suppression of cruelty' part of the objects of the RSPCA and promotes humane sentiments towards animals which involves moral benefit to humankind as a whole.

RSPCA Glamorgan (North & East) Branch
TRUSTEES ANNUAL REPORT

We provide subsidised treatment for animals which are sick or injured and belong to owners on low income. We do this through a voucher scheme and through referrals from local veterinary practices. This work benefits those on means tested benefits and low incomes by giving financial help to obtain care for companion animals in need of veterinary treatment.

We provide subsidised neutering and micro chipping of companion animals for owners residing in the branch area who are on low incomes. We do this by voucher scheme campaigns and events. This work helps to control dog/cat/rabbit populations through timely neutering and benefits owners on low incomes and promotes responsible pet ownership.

We respond to enquiries (received by the Wales central almoning scheme and via the Society's national call centre) from the public about animals locally. The public benefits from knowing that we can intervene to assist animals in need.

We offer free animal care advice by the Wales central almoning scheme and via the Society's national call centre. The public benefit from the promotion of responsible pet ownership.

Within the terms of our governing document, we support the Wales Regional Board by providing funds for the Wales Inspectorate boarding scheme; the equine rehoming project; Wales inspectorate voucher scheme; FIV/Felv testing kits; project support and development officer and various items of important inspectorate equipment.

ACHIEVEMENTS AND PERFORMANCE

The branch has continued to meet all eligible requests for assistance. During 2021 the branch issued a number of vouchers for animal treatments including neutering and provided additional financial support for specialised operations or referrals. During the year we also funded the boarding of inspectorate generated cats, dogs and rabbits both in local private boarding establishments and Llys Nini animal centre prior to them being rehomed to caring owners. Our branch volunteers carried out home visits for animals being rehomed from both Llys Nini and Newport animal centres.

FINANCIAL REVIEW

The accounts for the year ended 31st December 2021 are available at the Annual General Meeting, or can be sent to members on request. In August 2002 the branch entered into the National Door to Door collection scheme and in our share of the profit in 2021 was £24,134 (2020 £19,109) which was a welcome addition to our finances. Our branch volunteers have been busy at various events.

Thanks to the small but dedicated group of trustees and volunteers who have ensured the branch continues to operate and provide welfare support for animals most in need in local communities. In particular the volunteers who spend many hours organizing and manning the store and street collection and arranging dog walks and raffles. not forgetting the branch officers who work quietly and effectively in the background to make sure the branch complies with all branch and charity commission requirements.

To the staff of Merthyr clinic, who, everyday face some very difficult challenges and still provide a professional and compassionate service.

Our local Inspectorate have continued to go above and beyond the call of duty to rescue animals in distress and to prosecute owners who have neglected or cruelly treated their animals and we thank them for their diligence and professionalism.

The trustees have reviewed the reserves of the branch. They have reviewed both the income and expenditure of a fixed and variable nature.

The trustees continue to assess risks to which the branch may be exposed and consider ways to mitigate such risks including misappropriation of funds, maintaining reserves adequate to cover welfare commitments and protection of reputation against error or fraud.

PLANS FOR FUTURE PERIODS

The trustees have decided that the best way to ensure a sustainable future for the RSPCA in their area would be to merge with a neighbouring branch (Gwent). The trustee board are confident that a merger could result in a positive move for animal welfare in the region as a whole. In recent years, Glamorgan North & East Branch has experienced decreasing membership and volunteers. A number of trustees resigned at the last AGM and they feel that the interests of the Branch would now best be served by joining a larger branch. The plan is that the Glamorgan North & East Branch would wind down and transfer its funds over to Gwent Branch, which would extend its boundaries accordingly. The new Branch will accommodate both Branch areas. The agreed name is RSPCA Wyth Sir (Eight Counties). The combined branches will continue to utilise the animal centre based in Molly Wilson House in Merthyr Tydfil to take in, rehabilitate and rehome animals from the area.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The RSPCA Glamorgan North and East Branch is an unincorporated charitable association and a separately registered branch of the Royal Society for the Prevention of Cruelty to Animals (the Society), carrying out its direct animal welfare work with particular reference to the areas of the County Boroughs of Caerphilly, Merthyr Tydfil and Rhondda Cynon Taff in accordance with the policies of the Society. A committee elected at the AGM by and from amongst branch members, governs the branch, the committee are the trustees of the branch and are briefed on their responsibilities as trustees. Branch officers are elected by the committee. The committee is responsible for returning copies of its annual report and accounts to the Charity Commission each year.

The trustees meet regularly to make decisions and review the work of the branch and its financial position. The day to day running of the branch is delegated to the Honorary Branch Secretary.

Statement of trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS REPORT

Independent Examiner's Report to the trustees of RSPCA Glamorgan (North & East) Branch

I report to the trustees on my examination of the accounts of RSPCA Glamorgan (North & East) Branch for the year ended 31 December 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011('the Act'). The trustees consider that an audit is not required for this year under the Charities Act 2011, s.144(2) (the 2011 Act) and that an independent examination is needed.

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in, any material respect:

- the accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
