Governance and management

The charity is operated under the rules of its Deed of Variation dated 22/11/2007 and most recently amended constitution adopted on 23/11/2011.

Recruitment is currently referral by current trustee recommendation or advertisement if required. Upon appointment of trustees a majority vote is required.

Objectives and activities

The objects of the Association are the relief of poverty, advancement of education and advancement of religion among women and young people of either sex, in particular but without prejudice to the generality of the foregoing, in the county of Nottinghamshire, by such exclusively charitable means as the charity trustees shall from time to time determine.

Public benefit statement

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'.

Summary of the main activities undertaken for the public benefit

The charity gives financial assistance in the form of grants to young people usually aged between 15 and 30 for the purpose of furthering their training and personal development. Those people wishing to make application should be resident in the Nottinghamshire area.

Our grants are available to all disadvantaged young people in the county of Nottinghamshire regardless of race, creed, ethnicity or previous history.

Summary of the main achievements during the period

During the period 22 applications were processed with 10 granted, 9 declined and 3 were withdrawn. Total awarded during the period £21,717.

Financial review

Our investments have performed well against the volatile world market and the income has enabled us to continue to support the applications received. The surplus income has been re-invested to maximise our future income.

The charity's policy on reserves

Our policy on reserves is that unrestricted general funds not committed are invested in interest bearing bank accounts or income generating investment funds until required by the Charity. The Trustees ensure that enough funds are held in reserve to be able to continue the present level of activity for a period of up to one year. This policy is reviewed annually.

Financial risks

Our income is reliant upon the success, or otherwise, of investments, some of which are linked to the stock market. These are managed on behalf of the Charity by Charles Stanley (investment managers).

I report to the trustees on my examination of the accounts of y-notts (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
