General

There are six life trustees appointed by existing Governors and three nominated trustees appointed by Pendle Borough Council.

Objectives

The objective of the charity is to administer twenty Almshouse properties.

In setting our objectives and planning our activities the trustees have given careful consideration to the Charity Commission's general guidance and section 17(5) of the Charities Act 2011 on public benefit.

Organisational structure

The trustees who have served during the period and since the period end are set out on page one.

The trustees take care of the day to day running, and legal requirements of the charity.

Review of year

The expenditure on repairs and maintenance made to the properties during the year was not as significant which resulted in a profit of £14,611. The charity continues to hold a maintenance fund for future expenditure. As at the date these financial statements are signed stands at around £46,000.

There have been changes to Trustees during the year.

Reserves policy

At 31st December 2022, total reserves carried forward stood at £86,553 (2021: £71,942). All of these funds are unrestricted and can be used by the charity as the trustees see fit.

The trustees believe the net asset position is sufficient for the future needs of the charity. However, these levels are to be reviewed annually.

Risk management policy

The trustees review the major risks faced by the charity during their regular meetings and confirm there are systems in place to mitigate them. Internal risks are minimised by the segregation of duties and procedures for authorisation of all transactions.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP and FRS 102;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the *Charities Act 2011*, the trust deed and the Accounting and Reporting by charities: Statement of Recommended Practice applicable to charities reporting their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES OF
THE HARTLEY COTTAGE HOMES
FOR THE YEAR ENDED 31ST DECEMBER 2022

I report on the accounts of The Hartley Cottage Homes for the year ended 31st December 2022, which are set out on pages 5 to 9.

Respective responsibilities of the trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied that the Charity is not subject to an audit under section 144(2) of the 2011 Act and is eligible for independent examination, it is my responsibility to: -

- Examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commissioner. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiners' statement

In connection with my examination, no matter has come to my attention:

- Which gives me reasonable cause to believe that, in any material respect, the requirements:
 - a to keep accounting records in accordance with section 130 of the 2011 Act; and
 - b to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act have not been met; or
- To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

8. Tangible fixed assets

In the opinion of the trustees, investment properties have been disclosed as property, plant and equipment as it would result in undue cost and effort to measure the property at fair value. Therefore, they are recognised at depreciated historical cost.

The properties were built many years ago and therefore, the historical cost information is not available. However, had the historical cost information been known it would have no effect on the financial statements of the charity as they would be fully depreciated.
