

Trustees annual report

The principle aim of the Charity is to provide funds for the financially needy and to help anyone who is in need in any way possible. To this end the charity has helped many people over the last 12 months by supplying new carpeting, providing cookers, washing machines and clothes driers for needy families. The charity has also supported a local child care provider by granting funds to support the care of under 2 year old children, to enable parents to work and so provide for their families. It has been a challenging but very satisfying year for the charity and we look forward to helping more needy people in the future.

Auditor's report.

I have examined the books of the Aston Charities and am satisfied that they represent a true and accurate statement of its financial activity during 2020.
