HULL CHARTERHOUSE TRUSTEES

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees present their annual report and financial statements for the year ended 31 December 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed dated 7th December 2015, the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008.

Objectives and activities

The charity's objects are to provide Almshouses to "poor persons of good character who are not less than sixty years of age". The policies adopted in furtherance of these objects are set down in the scheme deed as revised and approved by the Board on 7th December 2015 and there has been no change in these during the year.

The aim of the charity is to continue to provide 'Alms' to the residents of the city as requested by the benefactor Michael de la Pole in 1384.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Residents have the use of various communal facilities and landscaped gardens. As the Charterhouse is a religious foundation, the residents are expected to attend services in the chapel. These are performed by the Master who must be "a clergyman of the Church of England and over thirty years of age". The Master is responsible for the day to day administration of the Charterhouse and reports to the quarterly meetings of the trustees. A continual support service is provided for the residents by the Master, Warden and staff some of whom live on the premises.

Other charity administration continues to be out-sourced to local professional practices.

The Charterhouse continues to provide and maintain accommodation for those individuals who qualify under the criteria contained within the scheme constitution.

Achievements and performance

Mrs S E Whittaker MBE was re-elected as Chair for the year and served to Chair all meetings held in the year.

The Charterhouse has continued to provide accommodation of good quality for its residents, all of whom are over sixty years of age, of good character and in need of such accommodation. There has been an average of forty residents throughout the year and no long term vacancies; the trustees have followed their policy of renewing bathrooms and kitchens wherever necessary.

There was a good spirit in the House during the year. The Chapel provides services for the residents and staff. Residents have regularly used the Hall and when weather has permitted the garden. The Trustees have made their usual grant to residents social activities.

The Chapel and garden were open to the public during National Heritage Weekend. Parties of visitors have also been welcomed at other times; the buildings and garden of the Charterhouse are among Hull's finest and attract wide and growing interest.

The firm Fawley Judge & Easton continues to act as Clerk to the Trustees in accordance with Section 21(2) of the Charity Commission's scheme dated 7th December 2015. They continue to act as Agent to the Trustees, in accordance with Section 21(1) of the Scheme in respect of all administration and finance matters.

The Trustees met in full session four times in the course of the year and at other times as required. The Master of the Charterhouse attended all their meetings. All residents had also the opportunity to meet Trustees informally to discuss matters of the residents' own choice. The outcome of that meeting suggested a high level of satisfaction with life in this community.

The Trustees count it a privilege to have continued for another year to ensure that the Charterhouse provided the best accommodation it can afford for those who nowadays correspond with those persons 'of good character, poor and old' for whose benefit the Founder endowed it, six hundred and thirty nine years ago, with the property which they administer today.

HULL CHARTERHOUSE TRUSTEES

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

The continued the ongoing planned maintenance programme which had been approved by the Board. Flat refurbishments comprised the largest proportion of these works

Financial review

The unrestricted and designated funds accounts ended the year with an operational deficit of £92,119(2021 £128,674), prior to revaluation of investments. This was an improvement on the prior year and emphasises the continuing repair expenditure and maintenance of high level staffing on the Almshouse and also the reduction on investment income due to changing financial markets. Given this the trustees are pleased that the remaining income and expenditure were within budget expectations.

The trustees continued to have the fixed asset investments managed by Cardale Asset Management Ltd.

The annual review of the reserve structure was completed and together with the annual investment review it ensures a reserve policy structure that meets the requirements of the Trust in future years.

Reserves are held for the following reasons; to provide income to contribute to the Trust's annual running costs; and to provide the funds to maintain and modernise the accommodation to a high standard.

The Trustees meet the cost of maintaining its Almshouse property out of the income of the Charity but is required to maintain an Extraordinary Repair Fund which is designed to meet such extraordinary repairs as they arise. The fund value at the Balance Sheet date was £89,527

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. Specifically all property is fully insured, professional advice is sought on all property, investment and financial matters, regular safety checks are carried out in line with charity policies.

The COVID 19 pandemic has continued throughout the year and the Trustees have implemented both a comprehensive scheme policy for the protection and safety of residents, staff and contractors and a review of the financial risks for the charity. In particular commercial rental income which the Trustees have sought to assist the tenants in maintaining their own business which aims to keep them for the remainder of their tenancy. The Trustees expect the revenue to be maintained for 2022.

Structure, governance and management

The Charterhouse is a registered charity (Nr. 225257) and is governed in accordance with the schemes established by the Charity Commissioners on 5th November 1901, 2nd April 1937, 2nd March 1962 and the 7th December 2015. The charity is not incorporated.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mrs S E Whittaker MBE

Hon. Alderman Mrs A Stanley

Hon. Alderman J L Fareham

Revd J Hargreave

Councillor R Pantelakis

Councillor C Randall

Fr P Lamb

(Resigned 6 March 2023)

Hon. Alderman S Chaytor

Mr P Mann

(Appointed 6 March 2023)

Mr I Shepherd

The latter scheme provided for a body of nine trustees, six are nominative trustees, five are appointed by Hull City Council and one by the Archdeacon of the East Riding and hold office for periods of four years. Whilst the remaining three trustees are co-optative and hold office for five years. As vacancies arise efforts are made to recruit suitable individuals who through residence, occupation or employment or otherwise have special knowledge of the benefit area.

HULL CHARTERHOUSE TRUSTEES

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

The Chairman is Mrs S E Whittaker MBE and the Deputy Chairman is Councillor Mrs C Randall both were appointed at the March meeting. The Board met four times during the year and at other times to appoint beneficiaries. The Master of the Charterhouse is appointed by the Board in accordance with the Trust Deed and is responsible for the daily management of the House aided by the Warden and Relief Wardens and Estate Supervisor.

Supplier payment policy

The company's current policy concerning the payment of trade creditors is to follow the CBI's Prompt Payers Code (copies are available from the CBI, Centre Point, 103 New Oxford Street, London WC1A 1DU).

The company's current policy concerning the payment of trade creditors is to:

- settle the terms of payment with suppliers when agreeing the terms of each transaction;
- ensure that suppliers are made aware of the terms of payment by inclusion of the relevant terms in contracts; and
- pay in accordance with the company's contractual and other legal obligations.

Trade creditors of the company at the year end were equivalent to 14 day's purchases, based on the average daily amount invoiced by suppliers during the year.

The trustees' report was approved by the Board of Trustees.

Mrs S E Whittaker MBE
Chair of the Trustees

25 September 2023

HULL CHARTERHOUSE TRUSTEES

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HULL CHARTERHOUSE TRUSTEES

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF HULL CHARTERHOUSE TRUSTEES

Opinion

We have audited the financial statements of Hull Charterhouse Trustees (the 'charity') for the year ended 31 December 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

HULL CHARTERHOUSE TRUSTEES

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HULL CHARTERHOUSE TRUSTEES

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

HULL CHARTERHOUSE TRUSTEES

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HULL CHARTERHOUSE TRUSTEES

The extent to which the audit was considered capable of detecting irregularities including fraud.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including the Charities Act 2011, taxation legislation, data protection, anti-bribery, employment, environmental and health and safety legislation. An understanding of these laws and regulations and the extent of compliance was obtained through discussion with management and inspecting legal and regulatory correspondence.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making enquiries of management and considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- enquiring of management as to actual and potential litigation and claims; and
- confirming membership with relevant regulators.

Due to the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission, or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditors-responsibilities. This description forms part of our Report of the Independent Auditors.

HULL CHARTERHOUSE TRUSTEES

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HULL CHARTERHOUSE TRUSTEES

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Mrs S E Whittaker MBE

Trustee

HULL CHARTERHOUSE TRUSTEES

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Charity information

Hull Charterhouse Trustees is a registered charity nr 225257 with an amended trust deed dated 7th December 2015 .

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's trust deed dated 7th December 2015, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

HULL CHARTERHOUSE TRUSTEES

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Allocation of Resources Expended

- Expenses associated with the management of the charity's investment and property portfolios are charged against the unrestricted and restricted funds as appropriate.
- Expenses associated with the maintenance of the Almshouse property and the pastoral welfare of the almspersons are charged against the unrestricted fund as appropriate.
- Governance costs comprise fees for audit and legal services.
- Support costs comprise the remainder of all expenditure.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Tangible fixed assets are stated at cost less depreciation. In this year the charity reported under FRS102 and in respect of charity property took the opportunity to restate the charity property for 2019. The surplus was charged to Fixed Asset Revaluation Reserve. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings	2% on cost or valuation
Plant and equipment	10% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Investment properties

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

1.8 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.9 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

HULL CHARTERHOUSE TRUSTEES

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

(Continued)

1 Accounting policies

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

HULL CHARTERHOUSE TRUSTEES

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

(Continued)

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

The Charterhouse Hull participates in the Church of England Funded Pensions Scheme for stipendiary clergy, a defined benefit pension scheme. This scheme is administered by the Church of England Pensions Board, which holds the assets of the schemes separately from those Responsible Bodies.

Each participating Responsible Body in the scheme pays contributions at a common contribution rate applied to pensionable stipends.

The scheme is considered to be a multi-employer scheme as described in Section 28 of FRS 102. This means it is not possible to attribute the Scheme's assets and liabilities to each Responsible Body, and this means contributions are accounted for as if the Scheme were a defined contribution scheme.

The pensions costs charged to the SoFA in the year are the contributions payable towards benefits and expenses accrued in that year.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Investment property comprises 7 Silver Street Hull, 62 and 63 Market Place Hull, 47 Hanley Road Hull and 139 Spring Gardens Anlaby. The fair value of the investment property has been arrived at on the basis of a valuation carried out at 10th December 2019 by Elizabeth Haller FRICS of Haller Evans Chartered Surveyors, who are not connected with the charity and additions since that date are valued at cost. The valuation was made on an open market value basis by reference to market evidence of transaction prices for similar properties. The trustees believe that this valuation remains representative of the fair value at 31 December 2022.

The long-term loans are unsecured and a requirement has been agreed by the Trustees to maintain the Investments at no less than £1m throughout the duration of the loan.

The Trustees, as part of the funding for the refurbishment of the Masters House agreed a loan facility with Unity Trust Bank plc for £150,000 repayable over 84 months commencing October 2017. The interest rate is 3.5% over the prevailing Bank of England base rate. A further loan was agreed for £75,000 with Unity Trust Bank plc to part fund the extraordinary repairs needed for the Chapel. The interest rate is 3.5% over the prevailing Bank of England base rate and was repayable over 84 months commencing January 2019.

21 Retirement benefit schemes

The charity operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the charity in an independently administered fund through NEST.

HULL CHARTERHOUSE TRUSTEES

STATEMENT OF CASH FLOWS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

21 Retirement benefit schemes

(Continued)

Defined benefit schemes

The Charterhouse Hull participates in the Church of England Funded Pensions Scheme for stipendiary clergy, a defined benefit pension scheme. This scheme is administered by the Church of England Pensions Board, which holds the assets of the schemes separately from those of the Responsible Bodies.

Each participating Responsible Body in the scheme pays contributions at a common contribution rate applied to pensionable stipends.

The scheme is considered to be a multi-employer scheme as described in Section 28 of FRS 102. This means it is not possible to attribute the scheme's assets and liabilities to each specific Responsible Body, and this means contributions are accounted for as if the Scheme were a defined contribution scheme. The pension contributions payable towards benefits and expenses are recognised in the SoFA were £9,323 (2021 - £10,031).

Valuation

A scheme valuation is carried out once every three years. The most recent Scheme valuation completed was as at 31st December 2021. The 2021 valuation revealed a surplus of £560m, based on the assets of £2,720m and a funding target of £2,160m.

Funding policy

Following the 31 December 2021 valuation, as there is no longer currently the need for a recovery plan there will be no deficit recovery payments from 1st January 2023..

For senior office holders, pensionable stipends are adjusted in the calculations by a multiple, as set out in the Scheme's rules.

Section 28.11A for FRS 102 requires agreed deficit recovery payments to be recognised as a liability. The movement in the balance sheet liability are detailed in the notes to the accounts.

The liability represents the present value of the deficit contributions agreed as at the accounting date and has been valued using the assumptions as detailed in the note to the accounts.

The legal structure of the scheme is such that if another Responsible Body fails, The Charterhouse Hull could become responsible for paying a share of that Responsible Body's pension liabilities.

Key assumptions
