The trustees present their annual report together with the accounts of The Charity of the Order of the Marist Sisters Province of England (the charity) for the year ended 31 December 2021.

The accounts have been prepared in accordance with the accounting policies set out on pages 54 to 60 of the attached accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

INTRODUCTION

The Marist Sisters (the Order) is a Roman Catholic Religious Order of Pontifical rite founded in France in 1827 and has its Generalate in Rome. Governed by its own Constitution it is an International Order whose members minister in Africa, Philippines, Oceania, North and South America and Europe.

The accounts accompanying this report are the accounts of the charitable trust on which the assets of the Order in England and Wales are held and through which its finances operate. The trust is governed by a Trust Deed dated 25 February 1963 and is registered under the Charities Act 2011 – Charity Registration Number 225485.

PUBLIC BENEFIT

In setting the objectives and planning the activities of the charity, the trustees have given careful consideration to the Charity Commission's guidance on public benefit. In essence, all works carried out by the charity are grounded on religious tenets which constitute the values of the Christian Gospel and those of the founding charism of the Marist Order.

This report describes strategies, means and achievements for the year to 31 December 2021. The report covers activities, performance and achievements which address the aims, mission and objectives of the Order, listed below. All active members of the Order perform their ministries among the local public in areas of community houses with wider outreach as described. In evaluating quality, performance and achievement, the trustees believe they illustrate ways by which the charity meets the public benefit requirement, as outlined by the Charity Commission and that benefits are identifiable and touch the lives of large sections of the public. Members interact with and actively support the public in whatever environment and ministry they find themselves, in parishes, hospitals, care homes, youth centres, etc.

PRINCIPAL AIMS AND MISSION

In order to plan effectively for the future and to manage change, the Order's General Chapter held in Rome in April 2015 mandated a review.

This provided a worldwide picture of the Order and enabled it to make decisions in that context to decide on the best way forward to ensure the mission of the Order be maintained in its integrity, to maintain the charism and enhance the groups and areas where sisters work.

The Order worldwide has commenced a financial review of its resources for the period to 2039. This will enable the Province of England to plan more effectively for the future in this time of continual change.

PRINCIPAL AIMS AND MISSION (continued)

The Charity of the Order of The Marist Sisters Province of England aims to support:

- ◆ The furtherance of the Roman Catholic Religion and its Gospel values
- ◆ The religious and charitable works at present carried on by the Order
- ◆ The care of the members of the Order throughout their lives in the Order and support of their charitable work

In all activities described in this report, the aims and objectives of the charity have been the main focus. Always based on Christian Gospel values, through strategies and service in the various geographical areas, the trustees have made every effort to be faithful to the aims, the benefits of which are far ranging. We work together to develop a structure that will be life giving for the mission of the Order within our Unit or Province.

In fidelity to the objectives, the Leaders of the Order frequently remind the charity of the world context of escalating concerns, in which the Order moves.

“As women who bear Mary’s name, how are we responding to the present situation we are living? We are hugely challenged, invited to deeper reflection, called on to change our way of thinking, our priorities. We experience our vulnerability and our powerlessness – things are taken out of our hand, we lose control.

“We give thanks for Marists who are trying so hard to reach out to those around them who are so deeply vulnerable and lacking resources for survival.”

(Superior General 12 September 2020)

Marist Youth Centre, Manchester is mainly committed to the support and spiritual development of young people as described later in the report. The programmes offered aim to increase their knowledge and experience of spiritual and moral development, sustain them in their beliefs and encourage them to develop a capacity for critical thinking as contributory citizens in the society in which they find themselves.

Sisters, either communally or individually, minister among vulnerable people and are open to providing opportunities for personal, group and liturgical prayer.

The main aim of all service rendered in pastoral and social fields, in parishes, hospitals etc. is to support and empower people in their day to day living. The Christian Gospel teaching of “Be compassionate as your heavenly Father is compassionate” (Luke 6: v 36) motivates all religious and charitable work carried out by members of the Order respecting the dignity of all.

Care of the sick in the charity’s care home involves responsibility for the retired, vulnerable members of the Order, who, having engaged in the activities of the charity, over many years, are now in need of care and support. Lay residents, who meet the criteria and choose to be cared for in a peaceful and religious environment are welcome.

An established culture of respect for the dignity and rights of each person reaches a wide public in a variety of ways including the nurturing of religious practice.

PRINCIPAL AIMS AND MISSION (continued)

The work of the sisters in carrying out the aims of the charity include:

Worship and prayer

The provision of facilities for worship and prayer for members of the Order and members of the wider public who join in their worship.

Members of the Order are given opportunities for:

- ◆ Worship through prayer both private and communal, through celebration of the Eucharist, Daily Prayer of the Church and other devotions.
- ◆ Unrestricted access to chapel and prayer rooms at all times.
- ◆ Growth in their knowledge and trust in God and the Church through private prayer, study and Scripture reflection and spiritual development through retreats, renewal courses, conferences, prayer groups and spiritual reading.
- ◆ Access to Professional Spiritual Guidance is always available.

Members of the Order celebrate and pray with the wider community. They do this through Church services, prayer groups, celebration of the Liturgy, praying with older people, with young people, children and mothers' prayer groups. Included are the petitions of those who have requested prayers via telephone or other means of communication. Chapels are open to the public where and when possible. The benefits of sharing prayer with others are reciprocal and appreciated by all who participate.

Education

Until 24 May 2022 the charity operated the Marist School in Ascot, Berkshire, an independent senior and preparatory school. Although the majority of sisters are now retired, they have continued their work in education through voluntary assistance in the school and by serving on the governing body of the school.

Pastoral and social work

Many active members of the Order, as well as retired members, are involved in various forms of social and pastoral work throughout England including:

- ◆ Hospital and care home chaplaincies
- ◆ Educational establishments
- ◆ Justice & Peace Work
- ◆ Retreat ministry to schools and to adults
- ◆ Ministry in centres for the homeless
- ◆ Ministry in parishes
- ◆ Care of the elderly
- ◆ Hospital visiting
- ◆ Pastoral ministry at the National Shrine, Walsingham
- ◆ Administrative work

The charity maintains the properties where the members live and from where they carry out their apostolic work.

PRINCIPAL AIMS AND MISSION (continued)

Operation of residential care home (Villa Maria)

The charity owns and operates one care home which is registered with the Care Quality Commission (CQC). Villa Maria provides accommodation for 33 persons. Long-time care and short-term respite care for sisters and members of the public is available. It is under the management of St John of God Hospitaller Services.

Overseas missionary work

The charity supports sisters working on mission principally in West Africa, Latin America and the Philippines. Support is mostly financial through the Marist Solidarity Fund. A sister from the Province of England worked in the Gambia and Senegal during 2021.

ACTIVITIES, SPECIFIC OBJECTIVES AND RELEVANT POLICIES

In the following pages of this report, the trustees describe activities, performance and achievements which address the founding objectives, principal aims and mission of the Order. The Covid-19 pandemic necessitated changes to the way members of the Order carried out their ministries, notably in their creative use of technology. This meant all active members of the Order continued their ministries in a Covid secure manner. This illustrates the means by which the charity meets public benefit requirements.

As stated under principal aims and mission on pages 3 to 5, the activities of the members of the Order can be divided into four principal areas:

- ◆ Provision of education
- ◆ Care of members of the Order, including the operation of a residential care home
- ◆ Pastoral and social work
- ◆ Overseas missionary work

Provision of education (The Marist School Sunninghill)

The principal aims and activities of the Marist School, Sunninghill are religious and charitable and specifically to provide education by way of an independent day school for approximately 440 pupils.

Education is provided for girls from ages 3 to 18 in its school, the Preparatory Department and the Senior Section. There is also a co-ed Nursery for 2 to 4 year olds. It is policy for both parts of the school to foster each girl's spiritual and academic development – fostering the individual's physical, psychological, intellectual, moral, spiritual, emotional and creative qualities, to attain the highest academic levels as well as providing sports and an extra-curricular programme which aims to develop life-long interests, to help build self-confidence and a desire to contribute to the community nationally and internationally.

The trustees also contribute to education by supporting school staff, in adult literacy and other educational programmes, and at governance level.

As noted above, the charity disposed of the school to another organisation as a going concern with effect from 24 May 2022.

ACTIVITIES, SPECIFIC OBJECTIVES AND RELEVANT POLICIES (continued)

Care for members of the Order and operation of a residential care home

Aware of their legal and moral responsibilities to members of the Order who have spent most of their lives carrying out the charitable works of the Order and who have no personal resources, the trustees aim to provide the best possible care for all. They regularly assess needs and plan accordingly as the age profile of the members of the Order increases.

In planning they aim to:

- ◆ Provide a high level of care for all members promoting dignity and respect.
- ◆ Encourage and provide facilities that make the transition from active involvement to retirement as smooth as possible.
- ◆ Encourage continued independence and involvement in activities for as long as reasonably possible; promoting the development of new interests and enthusiasm for activities that in the past was limited by time constraints.
- ◆ Provide high quality accommodation in the care home and in community houses where it may be necessary to adapt accommodation for increasing age.
- ◆ Support and enable all members to carry on in their individual ministries for as long as possible.

The care home – Villa Maria – consists of two wings, one for those entirely dependent on care and one for those who require some care but not of an acute nature.

The care home has 33 (one room was changed into an office) rooms all of which have en suite facilities. All rooms are accessible by stairs and by lift, are linked to a call system and have a television which includes a facility enabling Sisters and other residents to follow religious services relayed from the chapel.

The total expenditure of the care home is financed by the charity. This expenditure is recognised as part of the cost of maintaining the members of the Order.

From 1 March 2017 Caterplus Services have been contracted to supply all catering arrangements in Villa Maria with a view to control expenditure, to monitor stock control and to improve the quality of the food presented.

Most of the residents are sisters, with members of the public accepted for long-term and respite care. In 2021 there were 5 members of the public as residents (2 of whom are sisters of another congregation) and, in addition, at various times during the year, one bed was used for respite care. The management team of the home meets weekly and at other times as necessity may demand. The trustees meet with St John of God Hospitaller Services at regular intervals to review the yearly budget and appraise management. In 2021 regular telephone contact was maintained with the residents and via video conferencing with the team. After easing of the lockdown restrictions, face to face contact was made possible again.

ACTIVITIES, SPECIFIC OBJECTIVES AND RELEVANT POLICIES (continued)

Care for members of the Order and operation of a residential care home (continued)

St John of God Hospitaller Services Management Review meetings	8 March 2021 7 June 2021 6 September 2021 10 December 2021
---	---

The aim of the trustees regarding Villa Maria is to continue to provide good quality living by:

- ◆ Financial support.
- ◆ Support of the Care Management Services in providing quality standards and regular contact with the Service Manager.
- ◆ Appointment of high-quality staff.
- ◆ Encouragement and motivation of staff and residents.
- ◆ Ensuring as far as possible efficient management and maintenance of the premises and grounds to preserve a resident-friendly and dignified environment for all.
- ◆ Monitoring the quality of management provided both in-house and by St. John of God Hospitaller Services.
- ◆ Providing quality spiritual and pastoral care for the residents.
- ◆ Ensuring that the home complies with all statutory requirements.
- ◆ Paying regular visits to the care home when possible.

Pastoral and social work

Due to the Covid-19 pandemic and the restrictions/lockdown imposed by the Government some of this work had to be done via telephone, online meetings and other social media.

Work undertaken by members of the Province during 2021 included:

- ◆ Supporting the vulnerable and housebound
- ◆ Hospital and Care Home Chaplaincy
- ◆ Justice & Peace work among refugees, asylum seekers, trafficked women.
- ◆ Provision of literacy programmes for migrants
- ◆ Supporting young people with learning difficulties
- ◆ Retreats, catechetical work, peace education work.
- ◆ Service as school governors and supporting teachers in their work.

ACTIVITIES, SPECIFIC OBJECTIVES AND RELEVANT POLICIES (continued)

Pastoral and social work (continued)

Aims of the trustees in this category include:

- ◆ To support and encourage the less active members of the Province in their continued efforts to support the marginalised members of society through letter writing, supporting campaigns for justice, knitting, hospitality, prayer etc.
- ◆ To enable and empower the active members of the Province in their ministries among the more vulnerable people in the local community.

Overseas missionary work

The charity provides financial support, personnel and other support for the Order's missions in West Africa, Latin America and the Philippines. The extent of financial support is advised by the Generalate in consultation with other members of the Order as appropriate.

In 2021 the Province of England contributed £56,208 (2020 - £57,245) to the Marist Solidarity Fund specially established for mission support, to which all Marist Regions in the world contribute and from which sisters can draw funds to support their work in poorer areas.

Through its contribution to the Marist Solidarity Fund, the charity enables sisters working on mission in the geographical areas mentioned, to have professional experience in the various works and communities of the Order in France. This experience enhances their training, broadens their vision and better equips them in maintaining and forwarding the missionary aims of the Order.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE

Provision of Education (The Marist School Sunninghill)

Governance

Over recent years, the trustees have continued to monitor the development and enhancement of the School. At the same time, the trustees have been considering how best to secure the long term future of The Marist School and concluded that the school will be best served by transferring it as a going concern to a specialist education provider. Following exchange of contracts for the sale of the school on 25 March 2022, the operation of the school was transferred to its new owner and operator on 24 May 2022, the date of legal completion of the sale.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Provision of Education (The Marist School Sunninghill) (continued)

Governance (continued)

Throughout their period of ownership, the trustees have encouraged the use of Network Teaching and Learning, recognising its value. The foresight shown in this approach to digital learning meant the school was able to continue its provision of high quality education during lockdown. All pupils and staff had been trained in the use of Microsoft Teams and lessons immediately moved to this online platform when restrictions due to Covid-19 had to be imposed. The Marist was able to offer a full day of online classes, extra-curricular activities, assemblies and pastoral care during school closures.

During the year, the School was governed by a Board of Governors appointed as an Advisory Body by the trustees based on their specialist skills, professional expertise and local availability. New governors were inducted into the workings of the charity and of the school at governors' meetings and at external courses specifically designed for governors, officers of charities and educational establishments.

The principal aims and activities of the school are religious and charitable and specifically to provide education by means of an independent school for girls between the ages of 3 and 18 years.

It is the policy of the School to attain the highest academic levels as well as providing sports as a curriculum subject and extra-curricular programmes which aim to develop lifelong leisure interests and build confidence combined with a desire to become socially involved and contribute to the community.

Objectives for the year

Whilst in the charity's ownership, the objectives of the school were aimed at exemplifying Gospel values in the context of the Roman Catholic religion; the Catholic ethos and Marist-inspired view of education, as well as an informed awareness of the poor and marginalised beneficiaries of the works of the Order, and continued to influence the strategic direction and day-to-day operation of the School. These objectives enabled the sharing of best practice. They strengthened the capacity of the School to "up-skill" staff and afforded more cost-effective professional development opportunities, giving the School improved access to a wider spectrum of resources and facilities. The School valued its active contribution to education in the area generally. Entirely consistent with the objectives of the charity and the mission of the School was its contribution to education for "*the common good*" in the sharing of knowledge, resources and the dissemination of good practice.

"Through our lives and our example, we too must continually bear the Good News" to the people with whom we meet and work."

Building and sustaining the local community network and links were and continue to be important to the School and contribute to wider community cohesion. In all, the School aims to provide a holistic education with best quality teaching and learning for the pupils entrusted to its care valuing each one for her God-given talents to be developed by the education provided.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Provision of Education (The Marist School Sunninghill) (continued)

Objectives for the year (continued)

Our Vision is to be a centre of excellent education where outstanding teaching and pastoral care underpins academic progress. This is combined with the development of the whole person equipping children and young adults with the capacity to succeed in their life's journey. (Our Mission)

The strong family focus, which is a distinctive hallmark of our school, reflects the importance of our name. In a Marist Way – leading to focusing on the needs of others but developing individuals, who with strong minds and gentle hearts strive to be the best possible person they can be. (Our Values)

The objectives for the year were to provide a structured educational environment that develops each pupil's potential; to sustain success in the public examinations and to maintain the school's position as one of the best independent schools for girls in the country; to maintain its rating in the top schools in the Department for Education (DfE) region of Windsor and Maidenhead.

Strategies to achieve the objectives for the year

These included the continuing review of the school's academic syllabus in order to benchmark academic standards against external public examinations and independent value-added criteria, with academic achievements being balanced by a strong emphasis on sporting, cultural and social skills; developing the expertise of teaching staff and ensuring successor planning and staff development; the further development of links with local preparatory and primary schools in both the state and independent sectors and also allowing wider community access to the school's facilities.

Strategies drawn up by the Senior Section for 2017 to 2022 for school growth and development are in the process of advancement. A similar plan of action drawn up for the Nursery/Preparatory department covers the same dates.

During times of lockdown parents were regularly updated by the principal, and teachers maintained contact with them about their child's progress. In addition, parents were invited to online meetings and to give feedback on remote learning so this could be adapted where and when necessary. The majority of parents have been very appreciative of the work that the teachers did to provide their children with meaningful remote lessons.

Education and Wellbeing Committee

The Committee is focused on ensuring the provision of an education fit for purpose in the 21st Century whilst providing an educational environment where pupils and staff feel happy, secure, confident and valued: in line with the school's ethos and aims.

As such the Committee has a monitoring and advisory role overseeing pastoral care, teaching, learning and assessment practices, including the content of the broad and balanced curriculum and extra-curriculum. It ensures compliance with standards in independent schools offering support where needed and it reports to the full Governing Body.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Provision of Education (The Marist School Sunninghill) (continued)

Scholarship and bursary policy

The Governors' policy, in line with that of other independent schools, is to award scholarships based on pupils' academic ability. In addition, bursaries and allowances are made available to deserving cases at the discretion of the Governors. In 2021, the value of scholarships, sibling discounts and other awards made to the schools' pupils out of unrestricted funds amounted to £608,366 (2020 - £1,017,876).

Means tested entrance bursaries of up to 75% of school fees are awarded to Catholic pupils of feeder schools in the parish and in neighbouring parishes as well as means tested hardship bursaries for existing and prospective pupils. In addition, a hardship fund was established with a donation of £40,000 from a former pupil of the school. The school also referred parents who were having difficulty paying fees to 'School Fee Plan'.

The preparatory department offers up to six academic scholarships per year to pupils from any school, subject to them satisfying all the admission criteria of The Marist School, Sunninghill with the senior section offering up to three academic scholarships and four subject specific awards. To underline the value placed on continuity for families in accordance with Marist core values and in order to demonstrate wider public benefit, generous discounts are offered where parents have more than one child at the school.

The Wider Community

The school recognises that it is part of the wider local community and where it is possible to offer support and collaboration, without detriment to the education of the pupils or without compromising the school's safeguarding duty of care, is happy and ready to do so.

Since the outbreak of Covid-19 and the restrictions imposed by the government, community access had to be limited.

The school continues to develop wider community links. Outside of times of lockdown, the swimming pool is let to local swimming schools and provided free of charge to the local state primary school; the main hall, small hall and classrooms are let to a local dance school; the Sports Hall is let out to a gymnastics academy five days a week with over 300 local girls attending weekly. The Sports Hall is also used by local netball clubs and Berkshire County netball; and the library is let to an educational organisation and occasionally to other local societies and clubs at nominal rates. The Nursery hosts a free weekly stay and play session for local parents and their children using both indoor and outdoor facilities.

When permitted, the grounds have been made available free of charge to local primary schools and nurseries participating in 'forest schools' activities, and at subsidised rates to a local holiday club. The club also used the swimming pool and halls.

The school would usually act as an examination centre for music examinations for candidates from other schools and engage in partnership with maintained schools in the following ways:

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE
(continued)

Provision of Education (The Marist School Sunninghill) (continued)

The Wider Community (continued)

- ◆ Facilitating arts days which focus on English, art and drama for eligible students from local schools
- ◆ Facilitating humanities and modern foreign language days for eligible students from local schools
- ◆ Occasional and free use of the swimming pool for GCSE/AS/A2 Physical Education assessments as well as organising lifesaving courses for teachers from other schools.

The school fosters awareness amongst the pupils of the needs of others who are disadvantaged and throughout the year our girls have engaged in many fundraising activities with the proceeds going to various local, national and international charities. In 2021 these included:

- ◆ During March students were invited to join the 'Marist March Marathon' CAFOD-Walking for Water. The challenge was to walk/run/cycle 26 miles and raise money for CAFOD.
- ◆ In April students and staff came together to participate in the school's second annual Colour Run to mark Diversity Week.
- ◆ In June Year 13 students celebrated the work of the NHS as part of the Leavers Day Activities. They also raised money for Cruse Bereavement Care.
- ◆ A teacher ran to and from school every day for the last week of term to raise money for the national mental health charity, MIND. Students and staff supported her.
- ◆ The Marist Friends organised 'no school uniform days' in exchange for food to be donated to local foodbanks. They also raised money for the foodbank Windsor Foodshare through the ticket sale for 'The Marist Friends' hampers.
- ◆ Throughout the course of November, the Marist community was challenged to walk, cycle or run 5K and take part in the Poppy Run at Home. All donations were collected to support the Royal British Legion. In total, £1,500 was raised.
- ◆ 'CARE4CALAIS' Donations: During September, in response to the crisis in Afghanistan, students donated items in need to assist refugees.
- ◆ Popcorn Fundraiser: Prep Phase pupils sold popcorn in order to fundraise for the RSPCA. In total, they raised £46.
- ◆ Mini Vinnies Book Sale: The Mini Vinnies group held a book sale to raise funds for St Vincent de Paul Society, raising £72.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Provision of Education (The Marist School Sunninghill) (continued)

The Wider Community (continued)

- ◆ CAFOD Go Green: This year, pupils took part in the CAFOD Harvest Fast Day Go Green Challenge. They went green to support Amazon communities protecting the rainforests. Students donated £1 and were able to participate by wearing green or green accessories. The whole school were pleased to announce that it raised £429 for CAFOD.
- ◆ Charity Bake Sale: Two of our Year 10 students held a bake sale to raise money for Centrepoin, the UK's leading youth homelessness charity.
- ◆ Oddballs Bobble Hats: In partnership with Oddballs, new Marist bobble hats were launched. Oddballs is a company which raises awareness for testicular cancer and supports multiple causes to break down the stigma associated with mental and physical health.
- ◆ Harvest Festival: This year, for the Harvest Celebration, donations were collected for families in need in the Bracknell area. The school worked in collaboration with the St Vincent de Paul Society and its Mini Vinnies group.
- ◆ Christmas Boxes: The Mini Vinnies and Year 6 Charity Leaders worked hard to put together boxes as gifts for the homeless.
- ◆ Pre pupils were invited to bring in new toys which, with the help of the Marist Friends, were donated to The Community Christmas. The Community Christmas is an initiative which aims to ensure that no child in the local community goes without presents over the festive period.

Performance in 2021

At A Level

- ◆ 86% A*-A grade and 100% grades A*-B.
- ◆ 35* A* and 100% A*-A.
- ◆ 100% of this year's Year 13 have achieved their first choice of university.
- ◆ The Marist is in the top 1% nationally for value added at A Level for the third year running.

At GCSE level

- ◆ 25% of grades achieved were 9s with 51% 9-8 grades and 75% 9-7 grades.
- ◆ Top performing subjects include Science, English, Mathematics, and Classical Civilisation.
- ◆ In November 2021 an inspection of the School was carried out by the Independent Schools Inspectorate. The Inspection Team graded The Marist as "Excellent" in all categories.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE
(continued)

Provision of Education (The Marist School Sunninghill) (continued)

Performance in 2021 (continued)

At GCSE level (continued)

- ◆ A team of Marist Students achieved second place in the National Reading Champions Quiz 2021.
- ◆ A team of Years 7 & 8 students achieved second place in the regional round, organized by the Literacy Trust.
- ◆ Two Year 13 students achieved Silver and Bronze in the UK Chemistry Olympiad.
- ◆ Two Year 12 students were awarded their CREST Silver Awards. These awards are designed to stretch students, and enrich their STEM studies.
- ◆ Prep Phase pupils in Years 2-6 participated in the 2021 Bebras Computing Challenge, an online computational and logical thinking competition organised in over 50 countries. Three Year 6 pupils were awarded Gold certificates
- ◆ Royal Ascot School's Art Competition: One student was the winner in the Age 14 category. In the Age 13 Years Category, one student was runner-up and another student received a 'Highly Commended' award.
- ◆ A Year 9 student's 'Young Reporter' climate change video, featured on the BBC website and on BBC News London.
- ◆ The Prep Gardening Club was successful in Level 1 of the RHS Gardening for Schools Award.
- ◆ Four Year 7 students were selected for the Chelsea FC Foundation Development Programme.
- ◆ The U13 hockey team secured first place in the SE Berkshire Hockey Championships.
- ◆ The A team secured first place in the U14 Berkshire Netball Championships.
- ◆ The U14s were runners up in the U14 Berkshire Hockey Championships.
- ◆ The U16s team came 3rd in their County Hockey Tournament.
- ◆ In the U18 Berkshire Netball league the U14s team were unbeaten on their way to the final.

Pastoral life of the School

The provision of good pastoral care, a priority for the trustees, is reflected in the Christian values and attitudes expressed in the charity's objectives. Thus, pupils are supported and encouraged to develop self-awareness, self-esteem, regard for personal dignity and respect for the dignity of others.

ACTIVITIES, SPECIFIC OBJECTIVES AND RELEVANT POLICIES (continued)

Provision of Education (The Marist School Sunninghill) (continued)

Pastoral life of the School (continued)

The chapel is open to the school at all times and a system of interactive prayer with the Sisters is popular, especially during examination periods and at other important times in the pupils' lives. During the year, long after school days had ended, students continued to call on the Sisters for prayers at various stages in their lives. Sisters, now retired from active work had time to spend with groups and individuals, to pray with them and for them. Each new pupil has a Marist Sister who was resident on site as a prayer sponsor. When permitted, year groups joined the Sisters for Morning Prayer the Convent chapel.

Corporate worship and reflective prayer opportunities for groups or individuals were provided. In 2021, due to Covid restrictions, it was not possible to organise retreat days away from the school.

To encourage pupils in their own spiritual development each year group is given the opportunity to plan and organise a 'whole school assembly', taking the lead in reflection on Scripture passages, prayer and in sharing their faith.

Pupils are helped to develop an awareness of less fortunate members and sections of society within the context of the charitable works carried out by the charity. They are encouraged to use their initiative in organising fundraising and other events. Thus, they engage in a variety of activities which contributes to a better quality of life for disadvantaged people.

Care of members of the Order (Villa Maria Care Home)

Throughout 2021 the charity continued to support and care for retired members of the Order by providing for them spiritually and temporally.

Throughout the year 24 sisters and 7 members of the public in need of care were cared for in Villa Maria. In line with the philosophy of the trustees, the more mobile and active members were accommodated where they could maintain their independence and remain active. Members of the public were also accommodated for short-term respite care in the home.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE
(continued)

Care of members of the Order (Villa Maria Care Home) (continued)

Thank you card from a former resident's family:

"Let me say a big thank you to you and all the sisters at Villa Maria for the warm welcome and hospitality given to me and my family atfuneral. We were humbled by your kindness and gentleness and your willingness to share your memories of our beloved Aunt.God bless you all and of course thank you to all the wonderful team of carers and anyone else in the background who made her departure so beautiful."

Villa Maria Care Home is managed by Saint John of God Hospitaller Services on behalf of the Marist Sisters who maintain frequent communication with them. Throughout the year, meetings with trustees and managers took place online, as necessary. During 2021, a considerable amount of continuity planning was undertaken at all levels within the 'St John of God' system. Updating these plans on a regular basis ensured that the necessary stocks of medical consumables and PPE were always to hand.

The Service Manager worked conscientiously throughout the pandemic to keep the home Covid free and safe. She ensured that appropriate protective measures were in place at all times and that stocks of PPE remained constant through efficient ordering and by maintaining a PPE stock sheet. Touch free thermometers were installed and unnecessary visits prohibited.

The manager and staff continued to provide the sisters and residents with a variety of activities during lockdown and ensured that special occasions, such as birthdays, were celebrated.

The team worked consistently hard during this difficult time and have continued to support the residents.

Villa Maria currently comprises a group of retired sisters with time "to be" – to pray, reflect and relax.

The Sisters engage in:

- ◆ Taking daily Holy Communion to the sick sisters.
- ◆ Flower arranging and gardening.
- ◆ Regular contact with asylum seekers and refugees by email, telephone and letters.
- ◆ Collecting used stamps for Nigeria.
- ◆ Care of the Villa Maria chapel. e.g., preparation of daily services, of vestments, altar linen and flowers.
- ◆ Involvement with 'Knit for Peace UK', an initiative of the [Charities Advisory Trust](#). Being both recreational and therapeutic, this activity unites the group together, provides help for those in need and benefits the 'knitters' and the recipients worldwide.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Care of members of the Order (Villa Maria Care Home) (continued)

One Sister is engaged in supporting the local Parish and helping at Age UK. She also acts as a Marshall when required during vaccination sessions at the local Health Centre.

Objectives for the year

Specific aims of the trustees to safeguard and promote the welfare of residents of the home:

- ◆ To ensure that all residents in the care home receive the highest standard of care and a good quality of life where the dignity of each person is respected.
- ◆ To deal swiftly and robustly with the management services when deficiencies are reported and to put in place necessary changes to improve the quality of care provided.
- ◆ To secure as far as possible high quality well qualified staff who share the home's commitment to best practice in ensuring the welfare and quality care of the residents.
- ◆ To encourage and provide ongoing staff education with regular updating courses.
- ◆ To maintain up-to-date practice and revise manual handling in order to avoid as far as possible, any risks to the safety of the residents and staff.
- ◆ To encourage openness, respect, good communication, sound relationships and mutual support between the various levels of management, staff and residents.
- ◆ To ensure best quality management of the home by St. John of God Hospitaller Management Services, supporting them in the management structure and ensuring that in-house management reflects efficient organisation at all levels including administration and care. The last CQC Report received on 24 June 2018 states that a rating of 'good' is awarded in all the areas inspected.

The CQC suspended their routine inspection programme in March 2020 in response to Covid-19 and do not intend to resume it for the immediate future. In December 2021 the following was received from the CQC:

We carried out a review of the data available to us about Villa Maria on 07-12-2021. We have not found evidence that we need to carry out an inspection or reassess our rating at this stage.

This could change at any time if we receive new information. We will continue to monitor data about this service.

- ◆ To organise regular meetings of trustees with representatives from St John of God Hospitaller Management Services in order to review the quality of management and care provided.
- ◆ To continue to provide a friendly, happy, hospitable and secure environment for sisters, residents and staff where the rights, privacy and dignity of each person are respected; to offer hospitality and welcome to the relatives and other visitors of the residents. Guests of residents are accommodated, when permitted, in a dedicated flat.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE
(continued)

Care of members of the Order (Villa Maria Care Home) (continued)

Objectives for the year (continued)

- ◆ To monitor the financial security of the home through careful budgeting. Difficulty in recruiting high calibre care staff in the area continues, hence a heavy reliance on agency staff.
- ◆ To continue to review performance benchmarks for standard of care in the home through monitoring resident satisfaction, reports after visits by trustees, staff support, CQC reports and feedback from local care providers.
- ◆ Regular visits to the home by trustees were limited in 2021. To monitor the quality of management and care together with general morale and contentment of residents and staff regular telephone and videoconferencing took place when face to face meetings were not possible.
- ◆ A strategic disaster plan (emergencies and crises) has been put in place to ensure the safety of residents and staff in the event of an emergency of any nature.
- ◆ As worship and prayer are important elements in the lives of the sisters, the provision of Daily Mass or Communion Services and occasional Retreat Days ensures ongoing spiritual support for the residents. A gentle atmosphere of warmth and respect is encouraged where personal contentment and mutual sensitivity can flourish.
- ◆ The local Parish Priest visits regularly and one sister is the designated chaplain to the Home.
- ◆ Regular maintenance of the premises and grounds continued, in the belief that accommodation and natural surroundings, maintained to a high standard, is not only economical but contributes to the general well-being and morale of the residents and to the enhancement of the environment.
- ◆ Beds were made available for members of the local public, three of which are funded by Kent County Council, for long-term care, and one bed is available for respite care.
- ◆ The Visiting Pod was available to accommodate visitors during the pandemic
- ◆ To retain the fees as low as is viably possible, whilst striving to maintain the provision of high-quality care for the residents and the maintenance of the home and grounds, consistent with the objectives of the Order, the trustees, in liaison with St John of God Hospitaller Management Services.
- ◆ The total expenditure, which is the responsibility of the charity, has been met during the year. Income from pensions and fees is subsidised from the Province central funds.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Marist Youth Centre, Manchester

The Marist Sisters have been responsible for conducting School and adult retreats at the centre since 1996. These events have catered for students from Year 1 to Year 11, chaplaincy groups and parish groups.

To avail themselves of the opportunities offered at the Centre, some schools request specific themes and the Marist Youth Centre offers diverse themes from sacramental topics, the liturgical seasons and ongoing relevant topics such as 'Protecting our Common Home' and the 'Cry of the Poor'.

Depending on the age-group, students are directed in different ways, group work, dramatizations and liturgies. One of the key features of these days is the involvement of the students in preparing and presenting the work. YouTube clips, and DVDs are used to support the themes. The Manchester Catholic Schools give their students every opportunity to become productive members of society. The Marist Youth Centre aims to support the schools in their mission by striving to nurture the faith of the students they serve and to instill in them a desire to serve God and all God's people.

The principal aims and objectives of the Marist Youth Centre are:

- ◆ To provide opportunities for young people to develop an awareness of their own identity as members of the wider community.
- ◆ To help them deepen their human and spiritual growth as Christians in a holistic manner.
- ◆ To provide a safe, secure and attractive environment where they can 'come apart' from the bustle of life and 'rest a while'.
- ◆ To strengthen their awareness of the needs of others especially the disadvantaged.
- ◆ To deepen their respect for the environment and for life in all its stages.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Marist Youth Centre, Manchester (continued)

Strategies to achieve these aims and objectives:

- ◆ The provision of one full-time, non-salaried sister who is the directress. She is the safeguarding representative for the Centre and the administrator. She has overall responsibility for the programmes.
- ◆ One non-salaried sister, responsible for facilitating and working with groups.
- ◆ One paid employee who facilitates and works with groups and helps in the preparation of materials. She was 'on furlough' until September 2021.
- ◆ Review of the work of the Centre in order to benchmark need and demand; the number of bookings; use of the Centre in other years; current trends and prospects for future organisation.
- ◆ Support for the team in their mission and encouraging new initiatives.
- ◆ Provision of equipment to meet the needs of the Centre and maintenance of the premises to a good standard in line with Health and Safety policies.
- ◆ Recognition of the resident community which provides valuable support for the work of the Centre.

Performance and achievements

The Marist Youth Centre reopened after Covid-19 lockdown restrictions eased in May 2021. The Centre did not function at full capacity during the year as, because of the pandemic, some schools were closed while others had restrictions on School outings.

Students attending the Centre were accompanied by teachers, teaching assistants and parents who were involved in working with the students. The Team also provided reflection days for pupil chaplains/ prayer guides accompanied by their leaders.

The schools give a donation to the Centre according to their financial capability.

Schools are usually invited to request a theme for the day or to accept a theme suggested by the team. The team prepares the reflection, provides the materials and facilitates the activities, involving the students and staff in group work and feedback to the whole group. The dynamic of involving the teachers and helpers is a way of encouraging continuity back in the school setting where respect and appreciation of one another on their faith journey is nurtured.

Through the activities of the Centre, which include prayer and worship, group discussion and role play, young people come to know themselves and others better, their relationship with God and the world. The Centre aims to help them develop a capacity for critical thinking, a sense of commitment, the importance of spiritual values and respect and how to work with one another for the common good.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Marist Youth Centre, Manchester (continued)

Beneficiaries

- ◆ Members of the public from parishes and school students benefit from the facilities provided by Marist Youth Centre.
- ◆ The young people who spend time at the Centre.
- ◆ The teachers and staff who accompany the students learn new and creative ways of presenting the Gospel and introducing young people to the sacraments. Their own personal faith journey can be enriched by the experiences offered at the Centre.
- ◆ The teachers who engage in retreat days, twilight sessions, pastoral and liturgical themes.
- ◆ All who visit, as evidenced by the many positive spoken and written words of gratitude received from young people, staff and the wider public.

Pastoral and social work in the Communities

During 2021 sisters carried out their pastoral and social work in various areas of ministry.

The trustees of the charity supported them in their individual social and pastoral work which reaches out to those in need, and which benefits numerous members of the public focussing on those in greater need physically, emotionally and spiritually.

Sisters who are now retired, are readily available and willing to reach out to those in need be it by telephone, letter or other means of communication, or to involve themselves in a volunteer capacity in projects that address social needs.

To safeguard the reputation of the charity, pastoral activities are regularly reviewed and monitored through assessments and critical evaluation so that the integrity of the aims of the Order in supporting religious and charitable work is maintained.

Opportunities for ministry in the voluntary sector are hugely reduced for those who are over seventy years old and deemed 'vulnerable'. As the restrictions on movement, imposed because of Covid-19 were gradually lifted, opportunities for ministry in the voluntary sector increased. However, comprehensive safety measures remain in place.

The Birmingham Community

Sisters are involved in:

- ◆ Participation via Zoom in meetings of the Diocesan Team of spiritual guides.
- ◆ Zoom meetings with a team of volunteers from a residential home for destitute women.
- ◆ One sister belongs to the Birmingham Forum Inter Church group and accompanies some clients by Skype or Zoom. She also participates in training sessions organised by the same group.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE
(continued)

Pastoral and social work in the Communities (continued)

The Birmingham Community (continued)

- ◆ Telephone communication with housebound people and the Marist Way Group.
- ◆ Active presence in the Parish Community participating in the liturgies provided there.
- ◆ Knitting for charity.

The Manchester Community

In addition to the work of the Centre, the sisters are well known in the local parishes where they are in frequent contact with people in accordance with Covid-19 guidelines:

- ◆ Animating the music in a local parish and the choir of the University Chaplaincy.
- ◆ Volunteering at 'Help-Force' (NHS charity) as a member of the "Meet and Greet Team", participation in the 'Complex Patient Programme' a new initiative at the hospital and accompanying patients in the Eye Hospital.
- ◆ Ministry to persons with learning disabilities from the L' Arche Manchester. Supporting the communities, being with them and engaging in group activities. Accompanying Assistants (staff) on a one-to-one basis via Zoom, telephone or when possible, face to face.
- ◆ Since October 2021 ministry to 'Trafficked men'. Giving English lessons; supporting the men in their journey towards freedom and a better life.
- ◆ Working with the Council for Marist Laity, planning days of prayer for existing groups, setting up a new group for younger members and participating in the leadership of an online Retreat.

The New Malden Community

Sisters are involved in:

- ◆ Administration of the charity.
- ◆ Psychotherapy for people of limited income via Zoom.
- ◆ Pastoral support in the local hospital until end of September 2021.
- ◆ Two Sisters are Governors of The Marist School.

The Sunninghill Community

Sisters are involved in:

- ◆ Events and activities in the Marist School. One Sister is a governor.
- ◆ One Sister was part of the Diocesan Vicariate for Religious until September 2021.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE
(continued)

Pastoral and social work in the Communities

The Sunninghill Community (continued)

- ◆ Animating the local Marist Way Group.
- ◆ Telephone contact with parishioners, especially those who were alone.
- ◆ Providing handmade seasonal and greeting cards to sell for parish funds.
- ◆ From October 2021 one Sister provided pastoral support in a hospital.

The Upper Holloway Community

Sisters are involved in

- ◆ Peace Education, involving administrative work, peace education projects, campaigns in the cause of justice; advocacy work.
- ◆ Spiritual accompaniment, tuition and retreat work.
- ◆ Membership of Diocesan Chaplaincy for Religious.
- ◆ Since lockdown membership of a 'phone-out' group, contacting the most vulnerable in local area. Listening support and advising as appropriate.
- ◆ Local Council Support relative to the Covid crisis and ongoing.
- ◆ Pastoral care for medical staff during Covid lockdown through phone calls.
- ◆ Correspondence with Administrator of Non-Governmental-Organisations providing food and support for Migrants along the Mexican/US border.
- ◆ Liaising with fundraisers and donors for Casa Bethesda orphanage for mentally and physically impaired individuals in Mexico.
- ◆ Support through correspondence with a prisoner in the USA and his family.
- ◆ Supporting parish initiatives and Parish Clergy
- ◆ Maintain communication with people – trying to keep hope alive.
- ◆ Emotional support for grieving families.
- ◆ Donations to charity.

The Walsingham Community

Sisters were engaged in

- ◆ Parish work in 4 parishes in the Diaspora: Walsingham, Wells-next-the-Sea, Burnham Market and Blakeney until May 2021.

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

Pastoral and social work in the Communities

The Walsingham Community (continued)

- ◆ Supporting the elderly and housebound through telephone calls, doorstep visits to make sure contact was maintained.
- ◆ Stewarding in the Church when open for daily prayer or Masses.
- ◆ Knitting hats and scarfs for distribution to the homeless.
- ◆ Since October 2021 endeavoured to keep an open-door policy in accordance with the Covid 19 guidelines. Pilgrims and local people are welcome to call into the chapel, pray and enjoy a friendly chat.
- ◆ Supporting the parish by hosting a weekly discussion group, started in October 2021.

Table showing the average hours volunteered by Marist Sisters weekly.

Area of service	No. of Volunteers	Hours volunteered
Parish work, catechetics	6	40
Hospital and care home visiting	5	50
Contact with housebound and families	6	22
Homeless	3	20
ESOL/ Asylum seekers	3	30
Psychotherapy practice	1	3
Administration	4	90
Making craft items for charities	8	60
School Governance/Assisting in school	3	126 annually
Diocesan team for religious	2	13
Education for Justice & Peace	1	15
Retreat work	2	10

Overseas missionary work

The trustees are very conscious of the areas of the world where the Order continues to expand, poorer areas in West Africa, Brazil, Mexico and the Philippines particularly where they are not yet able to support themselves financially. Through our donation to the Marist Solidarity Fund we support the ministry and living expenses of the sisters there.

West Africa – The Gambia and Senegal

There are 14 Sisters and 2 young women studying in Senior Secondary School in the Unit.

Ministries of the Sisters are:

- ◆ Management of nursery school
- ◆ Teaching at primary and secondary level

REVIEW OF THE PERIOD'S ACTIVITIES: ACHIEVEMENTS AND PERFORMANCE (continued)

West Africa – The Gambia and Senegal (continued)

- ◆ Parish work
- ◆ Involvement in Marist Laity adults and children
- ◆ Social work
- ◆ Nursing
- ◆ Visiting of the sick
- ◆ Advocacy
- ◆ Administration
- ◆ Head Teacher of Saint Martha's Centre

The effects of the pandemic continue to be felt in Senegal and The Gambia. People are in need of help to pay rent, buy food, pay basic healthcare costs, expenses to restart small, informal businesses and back to school expenses. A need emerged – the reconstruction of simple dwellings due to damage during the rainy season. For a second year our Congregation sent money to be used to defray these expenses. Each community had many requests for help and were glad to be able to help people, some being refugees and asylum seekers in desperate situations.

The following are some comments from recipients:

“I run a small catering business to supplement the small salary of my husband. During the Covid crisis I lost many customers because they had lost their jobs and could no longer buy their midday meal from me. One day a Marist Sister greeted me as I passed their house. We talked about my little business and two days later I received a sum of money from the sisters that allowed me to restart my business.”

“I am very grateful that I have been able to reconstruct our roof that was destroyed by heavy winds”.

Sr Thérèse:

“After a year disturbed by the mysterious Coronavirus, here I am experiencing and practising my nursing skills in a local hospital with passion and joy. I was sent to a paediatric ward for one month where I collaborated with nursing teams responding to the needs of sick children.

St Martha's Centre, The Gambia

The primary function of this centre is women's development through training in various trades so that they will be financially independent in the future. On 2 July 2021 there was a day of great joy as 26 young women graduated. For three years they acquired skills in home-science. For these women the Centre is their Centre of hope.

St. Charles Lwanga Kindergarten

Sister Mariana helps children who have difficulty keeping up with the pace of the large group. She takes them aside and with great patience teaches them to read, write or count.

Sister Antoinette takes care of the confirmation class some afternoons and is happy to strengthen the faith of the young people in the Catholic Church and to let them know how much Jesus loves them.

Caritas International Women's Day

Traditionally celebrated on 8 March, CARITAS/PARI organised a meeting on 23 March 2021. This meeting was centred round the theme “Refugee women, asylum seekers faced with AIDS/HIV and STIs”. Sister Josephine had invited 20 women who originated from six African countries, Congo Brazzaville, Democratic Republic of Congo, Central African Republic, Rwanda, Liberia and Chad. At the end of the day the participants were given a lovely gift that each received with great joy. During this very difficult time CARITAS/PARI decided to support them by offering a kit containing, rice, sugar, oil, pasta, milk, soap and bleach, as well as clothes.

We shared this time as a real family enriched by the diversity of countries represented.

Sister Josephine writes:

“With the beginning of the new school year, many parents were uneasy as to how they could find the means to send their children to school. Because of this, Caritas received many requests for help from refugee parents. Having studied the cases presented, we selected children from seven different nationalities, Mauritania, Republic of Central Africa, Congo, Chad, Ivory Coast, Guinea and Sierra Leone.

To mark this event, we invited the High Commissioner for Refugees and representatives of two NGOs: House of Hope and Green Village Foundation.

In his talk, the representative of the High Commissioner for Refugees congratulated Caritas for its work for refugees. The children and their parents were very happy to receive their school kits.”

Caritas International Women's Day (continued)

A Sister writes: *“Having received your donation of £200 I collaborated with the Caritas Team to buy food and cleaning products. This helped 41 refugee families. I say a very big thank you for your financial support which has enabled us to live in solidarity with the poorest of God’s people. I remain united in prayer with you.”*

The French Club

Sister Anna began the French club at St John the Baptist at Farafenni, The Gambia, to assist students to develop a love of the French language.

Originally Saint John the Baptist was a primary school. In September 2018 a junior secondary school was added with one level G7 – each year a further year level is added. It now has two levels G7 and G8. It is an English-speaking school where French is an optional subject.

When Sister Anna started teaching there as a part time teacher, she noticed a great gap in the ability of the students to speak French. There were two classes: one class comprised of students who had begun to learn French in their nursery and primary schools with the sisters, while the other class comprised of students from other schools who had never been introduced to French.

Overseas missionary work (continued)

West Africa – The Gambia and Senegal (continued)

The French Club (continued)

Sister Anna, now a full-time teacher; discussed the possibility of creating the French Club, with the principal and students. The aim of the French Club is to continue the good work of the Marist Sisters, to promote and encourage a love of the French language. The idea was supported by the principal and welcomed by the students.

It commenced with 98 students. Sister Anna is also working in collaboration with a primary school teacher. The French Club has grown to 270 members: 134 Junior High School students and 136 Primary school Students.

Last year, they planned to have an immersion experience in a French-speaking country and Cours Sainte Marie (Senegal) where Anna had taught previously. They were ready to host us but unfortunately, Covid 19 occurred and changed the plan.

The French club meets twice a week in various group levels and at different times. The students learn by having fun through songs, poems, spelling; dictation, reading, and quizzes.

Brazil

A Sister writes: 'We had a very different children's party, due to the continuation of the pandemic. The families have become increasingly poor and hungry, so, with the help of Mr Monteiro, food parcels were donated as gifts. A campaign was organised encouraging people to donate food instead of toys.'

Many people were involved in helping us with the organisation of the parcels, sorting out the sausages and delivering them, including several mothers and grandmothers of the children and teenagers!'

Philippines

Reopening and Blessing of Dental Clinic in 'Balay Pasilungan'

Sister Sheila SM, Father Gil SM and members of the Community of Marist Fathers during the blessing and opening.

Sister Sheila Manalo was delighted to be able to resume her role as dentist at "Balay Pasilungan" after the dental project was closed for almost a year due to Covid 19. "Balay Pasilungan" means "shelter home." It is a safe place for young street boys located in the heart of Bankerohan, Davao City, Philippines. It was founded by the Society of Mary in 1989. Sister Sheila writes: "The production of aerosols during dental procedures was highlighted as the most dangerous agent, and dentists were restricted to emergencies only and asked to reduce the use of rotating instruments".

On 23 January 2021, Sister Sheila Manalo SM and the new Balay Pasilungan director Fr Gil SM were joined by the Marist Fathers Chancel Community for the blessing and reopening of the Dental Clinic. Sister Sheila is delighted to offer a free and Covid-safe clinic to the children.

She describes her role as dentist as being 'the art' of the "Tooth Kingdom" and educates and encourages the children to take responsibility for the care of their teeth.

Balay Banaag – "House of Hope" is a 'safe residential place' for girls at risk. The Marist Sisters took over the management of the centre in 2018. There are currently ten girls in the care of Balay Banaag aged between 6 and 18 years old. Most of the children do not know their fathers and many have suffered physical and emotional abuse because of their upbringing. Balay Banaag offers these girls a future with dignity, hope and independence.

Mexico

Our mission in Mexico, specifically in the area of the Archdiocese of Guadalajara is very diverse as we have several apostolates:

Direction of a Marist Brothers' school for girls, boys and adolescents at risk on the streets. Classes in Kindergarten and Primary of a Marist Fathers' school.

At work in a dining room for people who live on the street. Accompaniment at a shelter for women who are in a situation of prostitution.

Long distance spiritual accompaniment, nursing, health ministry and parish ministry

Long distance spiritual accompaniment, nursing, health ministry and parish ministry (continued)

During the pandemic, we supported food kitchens in various places and neighbouring towns. Aware of our smallness, we always collaborate with other people or congregations in projects that favour those most in need.

Day for Elimination of Violence against Women (Mexico)

Sister Marta Chica is the director of the Marist Brothers' Children and Youth Centre where they recently celebrated International Day for the Elimination of Violence against Women.

There were activities to raise awareness about gender violence, which ended with a "silent march". The students of the centre wore black masks and carried banners. This was in protest at the millions of women who suffer violence in the world. The march took place around the streets of the school and afterwards the banners were pasted on the walls of the school. The previous day, a workshop was held on the prevention of child sexual abuse, to educate the girls on their right to participate and to denounce situations of abuse. and empower themselves.

FUTURE PLANS

In planning for the future, the trustees of the charity intend to meet the following objectives:

- ◆ Maintain voluntary secretarial and administrative support of the charity with sister personnel in management of the Province of England.
- ◆ Monitor the needs of the sisters as they grow older and retire from active work and adapt premises as necessary or, when adaptations are not practical, relocate to more appropriate housing.
- ◆ Care for the sisters to enable them to carry out the mission of the charity and continue in their pastoral ministry among the poorer sections of society and the elderly.
- ◆ Ensure that St John of God Hospitaller Services provide excellent quality care and work within the agreed budget at Villa Maria Care Home.
- ◆ Ensure effective monitoring of in-house management at every level of care and administration in Villa Maria Care Home.
- ◆ Support and encourage staff in their professional work and see that they continue to receive appropriate training.
- ◆ Continue to release vacant beds at Villa Maria Care Home to the local public for short-time and long-term care.
- ◆ Ensure the maintenance of Villa Maria premises and grounds to a high standard.
- ◆ Continue to support the Marist Youth Centre Manchester with personnel and financially.
- ◆ Continue the employment of surveyors to supervise ongoing maintenance at Villa Maria and other properties.
- ◆ Continue to support the Marist Sisters' Generalate in Rome by giving 4% of our income of the previous year.
- ◆ Support our missions overseas with personnel and financially through the Marist Solidarity Fund by contributing 4% of income.
- ◆ Continue to support London Air Ambulance with ongoing donations of £104 per year.
- ◆ Carry out a detailed review of the charity's finances in order to safeguard its economic viability.

FINANCIAL REPORT FOR THE YEAR

Investment policy and performance

The investment strategy is set by the trustees and considers income requirements, present and future financial expenditure requirements, risk profile, the investment managers' advice and the view of the market prospects in the medium term.

The policy is to maximise total return through a diversified portfolio whilst providing a level of income advised by the trustees from time to time. There is also an Ethical Policy precluding investment in any company which, after reasonable enquiry, clearly has significant profits from an activity which is contrary to the objectives of the Christian Church.

The performance of the portfolio and the charity's investment strategy are reviewed regularly by the trustees with the investment managers.

The charity's investments comprise two portfolios of listed investments. Investments with a market value at 31 December 2022 of £21,616,859 (2020: £19,750,069) are managed by Quilter Cheviot. Investments with a market value at 31 December 2022 of £11,516,216 (2020: £10,485,242) are managed by BlackRock Investment Managers (UK) Limited.

There are no restrictions on the charity's power to invest.

The investment managers' objectives are to maximise total return through diversified portfolios, whilst providing a level of income as advised by the trustees from time to time. The managers follow guidelines, which are set out and regularly reviewed by the trustees.

During the year the charity's investments continued to perform well.

Results for the year

A summary of the year's results can be found on page 51 of this annual report and accounts. In the year ended 31 December 2021 the total income was £7,702,268 (2020: £8,561,999) with income from educational services amounting to £5,844,430 (2020: £5,481,313).

With the age profile of the sisters continuing to rise, fewer salaries are received as sisters retire and receive smaller pensions.

During the year ended 31 December 2021 the charity incurred expenditure in maintaining sisters and enabling them to carry out their work.

Premises expenditure continued to be high, as properties grow older and modifications become necessary to facilitate elderly sisters. An impairment provision of £1,385,659 in respect to the freehold property at Sunninghill, which was sold on 24 May 2022, has been recognised to reduce the property to fair value, i.e. its realisable value.

Expenditure on providing educational services totalled £6,139,087 (2020: £6,107,492).

Total expenditure amounted to £9,572,432 (2020: £8,192,916).

The net expenditure for the period before investment gains and losses was £1,870,164 (2020: net income of £369,083). Investment gains amounted to £2,688,495 (2020: £263,254) giving rise to an increase in funds of £818,331 (2020: £632,337).

FINANCIAL REPORT FOR THE YEAR (continued)

Reserves policy

The trustees have examined the requirement for free reserves, i.e. those unrestricted funds not invested in tangible fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the nature of the charity's work and the need to care for members of the Order and to respond to unforeseen emergencies, the level of free reserves should at least be equivalent to between three and five years' expenditure. The trustees are of the opinion that this provides sufficient flexibility to cover shortfalls in income, adequate working capital to cover core costs, and will allow the charity to meet its commitments to members of the Order and will enable the charity to cope and respond to unforeseen emergencies.

Financial position

The balance sheet shows total reserves of £49.4m (2020: £48.6 million) of which £7.1m (2020: £7.5 million) represents the accumulated net income of the Marist School, Sunninghill (including tangible fixed assets of £7.4 million) which has been designated by the trustees. In addition, the trustees have set aside £221 (2020: £11,221) to enable the payment of bursaries from the Province to pupils at the Marist School, Sunninghill. £4m has been set aside for the future maintenance and refurbishment of the Villa Maria care home. £8m has been set aside to fund future donations to the Order and other organisations with objectives consistent with those of the charity.

£13.1 million (2020: £14.6 million) represents a retirement reserve designed to provide income to communities with elderly sisters needing care and to provide for sisters generally in their retirement.

A further £5.3million (2020: £6.8 million) is represented by tangible fixed assets used to support the work of the sisters and their ministry (excluding that of the Marist School, Sunninghill). A decision was made to separate this fund from the general fund in recognition of the fact that the tangible fixed assets are used in the day-to-day work of the charity and the fund value cannot, therefore, be realised easily if needed to meet future contingencies.

Restricted funds, comprising monies given specifically for particular projects totalled £21,616 (2020: £35,855)

Funds available to support the work of the Sisters in the future are shown as general funds on the balance sheet and amount to £11.9million (2020: £19.7 million). This figure needs to be considered in the light of annual expenditure of £8 million. Whilst this exceeds the amount demanded by the above reserves policy, the trustees consider this level of reserves to be acceptable at the current time in light of the current macroeconomic and geopolitical climate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governance

In terms of Canon Law, the Order is governed at an international level by the Superior General and her Council resident in Rome. They are elected every seven years at a General Chapter of the Order in Rome by representatives of all Provinces of the Order.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Governance (continued)

A new governance system, in practice in the Order since 8 December 2015, was established to best carry forward, exercise and protect the founding charism aim and mission of the Order among the local public.

The Province of England is governed by the Provincial and Council who were appointed from 8 December 2018 by the Superior General and her Council. Each community has a community leader appointed by the Provincial and Council.

The Order is divided into Units with a view to rendering more effective the resources of the Order in its objectives, apostolic and charitable work. The Province of England is an independent Unit governed by a Provincial, two councillors and a bursar.

A system of accountability is established across the Order. The Provincial usually visits the communities of the Province at least once annually, thus maintaining a sharp awareness of any difficulties which arise, of the developments, progress and continued effectiveness of the ministries carried out by the Sisters of the Province. Communication across the Province is active, and Sisters can easily contact the trustees. A comprehensive review on fidelity to mission and to aims of the charity takes place regularly.

The Superior General visits the Province of England every three years.

The Provincial Bursar visits the communities regularly and is available to all when necessary, thus keeping track of financial business, the assets of the Province and the maintenance of the charity's properties. Any updating of properties is closely monitored.

In terms of civil law, the Order in England and Wales operates through a charity governed by a trust deed dated 25 February 1963 and is a registered charity - Charity Registration Number 225485.

The trustees are appointed by the Provincial Superior and are registered as an incorporated body under the Charities Act 2011. At any one time there must be a minimum of two trustees.

The trustees of the charity are seven members, three of whom are members of the Leadership Team. All have wide experience of the work of the charity and are well aware of the issues relevant to the Order to ensure the aims and purposes of the Order are met. Together with updating of personal specialisms, they follow courses and conferences arranged for trustees to keep updated and abreast of change. They use literature provided by the Charity Commission and attend conferences and meetings provided by our accountants, investment managers, firms of solicitors and insurers specialising in charity practice.

The names of the trustees who served during 2021 are set out as part of the reference and administrative details on page 1 of this annual report and accounts with short biographical details on each given below.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Governance (continued)

Sister Bridget Brady

Sister Bridget is a teacher by profession and has taught in Primary and Secondary schools in England and Colombia. She served as deputy head in a catholic secondary state school in Birmingham before being missioned to Colombia. On returning to England, she helped set up the Youth Centre in Manchester where she worked as Directress there for five years. She was a member of the Provincial Team and a Governor in the Secondary school, Sunninghill during this time. She was then missioned to Venezuela where she worked with youth and was a member of the Latin American Regional Team. From there she was elected to the Generalate Team in Rome. On completion of her term of office she returned to the Youth Centre in Manchester as Directress. She is currently a member of our community in Birmingham and is a member of the Inter-Church Diocesan Team of spiritual guides, she volunteers in the 'Save the children charity' and is an active member of the parish of the Holy Name of Jesus.

Sister Mary Frances Boyle

After graduating as a secondary school teacher, Sister Mary Frances taught in several schools in Fiji over a period of twenty years. This was followed by a period of teaching in London and the Midlands. She served in Congregational administration in England and the wider Region of Eur-Africa. Having finished this mandate, she spent three years administering a Skills Training Centre in The Gambia. She is currently working in the Marist Youth Centre in Manchester as Co-Ordinator.

Sister Helen Cahill

Sister Helen joined the order in 1970. She is qualified in Childcare and teaching assistant. For several years, she worked in a Centre for disadvantaged children in Hythe, Kent. She has also worked as a teaching assistant in schools in Devon and Manchester. At present she is bursar for the Convent in Sunninghill.

Sister Helena Coskeran

Sister Helena Coskeran joined the Order of the Marist Sisters in 1981. She taught in a sixth form college in Manchester before becoming part of the Marist Sisters mission in Colombia where she worked in initial formation and completed a course for formators at a summer school in Mexico. She was also involved in pastoral work and with groups working for peace. On her return to England Sister Helena worked for CAFOD (Catholic Agency for Overseas Development) and trained as a systemic psychotherapist. Following her time as General Bursar of the Congregation she completed the Graduate Diploma in Theology at Heythrop College. She has worked for the NHS in administrative roles and has been a volunteer therapist at Crossroads Counselling in Bethnal Green since 2011. In December 2018 she took up her appointment as Provincial Bursar.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Governance (continued)

Sister Beate Heutger

Sister Beate Heutger is qualified in administration, hotel management and pastoral work. For 12 years she was a pastoral worker in Stendal and Seehausen in the Diocese of Magdeburg, East Germany. After moving to England in 2006 she worked for 2 years in the Marist Centre, Manchester, then as Parish Sister in Yorkshire for 5 years. From 2013 she was Directress of the Marist Retreat Centre in Nympsfield. In December 2019, she took up the role of Provincial Secretary in New Malden. Since the end of August 2020, she has been volunteering in a hospital Chaplaincy. In September 2021 she joined the Community in Sunninghill.

Sister Teresa Moran

A person of wide experience Sister Teresa is a trained teacher who spent many years in Australia, New Zealand and in the Marist Missions of Fiji Islands. She was a teacher in four different schools there from 1969 to 1992. In Fiji she taught for ten years, three as Head Teacher and three years of secondary teaching, having specialised in Field Training in Science and Mathematics from East/West Interchange, Hawaii. On returning to England, Sister Teresa was Foundation Governor in West Byfleet Marist School. Currently she is a member of the Fatima House community, Hythe.

Sister Anne Ord

Sister Anne Ord worked as a civil servant in the Ministry of Defence and in 1991 became a Marist Sister in the Province of England. Having worked for two years as bursar in Marist School Sunninghill, she went to Stendal, East Germany to a new foundation of the Marist Sisters. She worked with the Russland/Deutsch, exiled in the Russian Empire and now invited back to their homeland after perestroika. After ten years in Germany she moved to a parish in Slavutich, Ukraine, built to house survivors of the Chernobyl disaster. She worked in the parish and taught English in the local language school. Compliance with legislation for foreigners becoming increasingly difficult, the Marist Sisters community withdrew from Ukraine. Back in England in 2012 she worked at the National Shrine of Our Lady of Walsingham until she took up her mandate as Provincial Leader in December 2018. She is based in New Malden.

Statement of trustees' responsibilities

The trustees are responsible for preparing the trustees' report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the of the charity and of the income and expenditure of the charity for that period. In preparing accounts the trustees are required to:

- ♦ select suitable accounting policies and then apply them consistently

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Statement of trustees' responsibilities (continued)

- ♦ observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the United Kingdom and Republic of Ireland (FRS 102)
- ♦ make judgements and estimates that are reasonable and prudent
- ♦ state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- ♦ prepare the accounts on the going concern basis, unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Key management

The trustees consider that they together with the governors, school principal, senior leadership team and the bursar of the independent school in Sunninghill comprise the key management of the charity in charge of directing and controlling, running and operating the charity on a day to day to basis.

All trustees are members of the Order and whilst their living and personal expenses are borne by the charity, they receive no remuneration or reimbursement of expenses in connection with their duties as trustees.

The pay of the senior management team of the schools is reviewed annually by the governors who make recommendations to the trustees who then consider whether to approve the proposals. Pay is normally increased in accordance with average earnings. Where possible the trustees benchmark pays rises against pay rates in other similar schools.

Structure and management reporting

The trustees meet at least four times annually to review and assess developments of the charity and its activities and make any important decisions. In 2021 most meetings took place online. Minutes are filed after each meeting and made available to auditors. When necessary the trustees access their professional advisers – accountants, solicitors, property consultants, investment managers, bank relationship managers and insurance brokers.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Structure and management reporting (continued)

The day-to-day management of the charity's activities and the implementation of policies are delegated to appointed members of the Order or senior lay staff.

MANAGEMENT PROFILE IN PROVINCE OF ENGLAND	
Work	Management
Marist School, Sunninghill	Board of Governors, of which two are trustees Principal Mrs Joanne Smith Senior Leadership Team School Bursar – Mr James Jordan
Villa Maria Care Home, Hythe	Managed by St John of God Hospitaller Management Services Manager – Miss Tamara Brown Bursar – St John of God Hospitaller Management Services Community Leader – Sister Angelina McNamara Chaplain – Sister Angelina Cuffe
Marist Youth Centre, Manchester	Directress – Sister Mary Frances Boyle Assistant – Sister Silvia Sanz de Diego Community Leader – Sister Silvia Sanz de Diego Bursar – Sister Helena Whelan Management Team

During the year, the Marist School, Sunninghill was governed by a Board of Governors, appointed by the trustees. The work of implementing most of the governors' policies at the Marist School, Sunninghill was carried out by the members of the Finance and Communication Committee which met three weeks before each meeting of the full governing board and on occasions specifically to approve the budget and annual accounts and reports.

The Finance and Communication Committee worked under the chairmanship of one of the governors. The other principal committee was the Site Committee, also chaired by one of the governors. This was mainly concerned with building projects, any major maintenance programmes and security issues. The principal and the financial bursar attended the Finance and Communication and Site Committee meetings.

The governors were appointed by the trustees based on their specialist skills, professional expertise and local availability. New governors were inducted into the works of the charity and the school, including Board policy and procedures, at governors' meetings and at selected external courses specifically designed for governors and officers of charities and educational establishments.

The Education and Wellbeing Committee had a monitoring and advisory role relating to the school's academic curricular and pastoral provision: alongside the school staff establishment and appointment procedures, terms and conditions of employment and levels of remuneration.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Structure and management reporting (continued)

The day-to-day running of the School was delegated to a Principal, the Senior Leadership Team and a Lay Bursar. The Principal and the Bursar were members of the Finance and Communication Committee and the Site Committee. The Principal oversaw the recruitment of all educational staff while the bursar, under delegated authority, oversaw the recruitment of administrative and non-teaching staff.

In the various works, important plans are outlined by management teams, presented to the trustees, who consider the proposals and decide on the outcome.

Working with other organisations

The charity works with and subscribes to several other charities and public bodies including:

- ◆ Roman Catholic Dioceses of Westminster, Southwark, Birmingham, Salford, East Anglia, Portsmouth
- ◆ Conference of Religious (CoR)
- ◆ Provincial Bursars' Association (APB)
- ◆ Justice and Peace Links
- ◆ Catholic Network for Retreats and Spiritual Direction (CNRS)
- ◆ Association of Senior Religious (ASR)
- ◆ Catholic Safeguarding Standards Agency (CSSA)
- ◆ St John of God Hospitaller Management Services (SJOG)
- ◆ One sister of the Province is involved in administration in the Generalate in Rome

Communities

During the year to 31 December 2021, the Province of England comprised 40 sisters who live in seven communities in England.

Each community is governed by a Community Leader or a Community Liaison Person appointed by the Provincial and Council.

Most houses in the Province are in areas deprived socially and spiritually, where the sisters live among the people with whom they work to be more effective in their ministry and in carrying out the missionary and apostolic aims of the Order, to meet and help people where they are.

Work of the communities is kept under review including qualifications of staff and structure of the Order. Pooling of resources is reviewed regularly to more effectively meet and forward the objectives of the Order by evaluating the relevance of community ministries and changing location to more needy areas if necessary.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk management

The trustees continue to keep the identified major areas of risk under review. They seek constantly to identify the major risks to which the charity is exposed, and every effort is made to take precautions to prevent damage, accident, illness or any other form of loss that could occur. The latest update of Risk Management policies was in 2020.

Governance and management

Governance and management are regularly reviewed by the Order's government in Rome to avoid any risk to the Order and hence to the charity through lack of control and guidance. Lack of skills and qualifications and best use of resources are identified and dealt with.

Operational

Risks relating to specific operational areas of the charity especially Marist Youth Centre, Manchester and Villa Maria Residential Care Home are under constant review. Each operates with its own risk management policy checked by the trustees who file copies.

A formal review of the Marist School's risk management process is undertaken on an annual basis by the Board of Governors. Through the risk management processes established at the schools, the governors are satisfied that the major risks identified have been adequately mitigated where necessary.

Reputational

As far as possible trustees identify and take steps to prevent/remedy any risk situations where possible damage to the charity's and Order's reputation might arise.

Financial

To minimise financial risk as far as possible the trustees exercise clear budgetary control across the Province and employ the services of accountants, investment managers and insurers. This enables the more efficient and effective use of the financial and personnel resources of the charity in taking forward the aims of the charity, by maintaining financial support to enable members of the Province to carry out the educational, pastoral, social and caring aims of the charity. The key funding sources are pensions, interest on investments and a small salary. The trustees work closely with professional advisors for the protection of the charity and attended workshop and training days during the year.

Investment strategies are set by the trustees in consultation with their investment managers with whom they meet and review possible risk, especially when markets are volatile as in the present period of fluctuation. To keep well informed of the present situation the Provincial Bursar attended the Association of Bursars' webinars on 4 to 7 October 2021 and the Unitholder meeting for BlackRock Catholic Charities Growth and Income Fund on 2 March 2021 and 20 October 2021.

Sector	Criteria
Tobacco	Companies engaged in the ownership of tobacco plantations or engaged in the production and manufacture of tobacco products.
Armaments	Companies involved in military related activities where the company's annual turnover in relation to such activities exceeds 10% of the company's latest annual turnover.
Sanctity of Life	Companies which offer services contrary to the Sanctity of Life or are engaged in the production and/or manufacture of products contrary to the Sanctity of Life
Pornography	Companies which provide entertainment services via mobile networks, publishers/wholesalers of pornographic magazines where the company's annual turnover in relation to such products and services exceeds 3% of the company's latest
Fossil Fuels	Any company whose primary business is the extraction, production and/or distribution of fossil fuel or uranium or who is responsible for environmental degradation.

Law and government policies

Awareness of current government policies and regulations and assurance of compliance with them is the aim of the trustees in all risk assessment and at all levels of governance and management.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk management (continued)

Protection of Children and Vulnerable Adults

The trustees recognise the absolute necessity to ensure the protection of all those the charity serves and those in the service of the charity. All sisters who are involved in any kind of ministry in England and Wales have obtained clearance from the Disclosure and Barring Service (DBS). All employees of the charity must also have DBS clearance before appointment.

Mr Andrew Stables represents the Province in the Catholic Safeguarding Advisory Service (CSAS). In day-to-day accountability, the Safeguarding representative and the Province Leader of the Marist Sisters of the Province of England take their brief from Roman Catholic Diocese of Westminster (RCDOW).

In June 2021 the Marist Sisters joined the Catholic Safeguarding Standards Agency (CSSA), a new professional standards body with regulatory powers, along with the Religious Life Safeguarding Services (RLSS) covering religious orders and congregations, established following an independent review of the safeguarding structures and arrangements within the Catholic Church in England and Wales.

Manchester Youth Centre, Sunninghill School and Villa Maria Care Home each has a named Safeguarding representative.

The trustees believe that having established systems to mitigate major risks to which the charity is exposed, monitoring the level of risk and ensuring effective control in financial systems, awareness of present and projected reserves and by accessing the advice of financial and legal experts – they have adequately mitigated those risks.

EMPLOYEES AND MEMBERS OF THE ORDER

The trustees wish to record their recognition of the professionalism and commitment of their staff and of the individual members of the Order. Their dedication and positive approach are much appreciated.

Signed on behalf of the trustees:

Helena Coskeran

Trustee

Approved by the trustees on: 26/10/2022

Independent auditor's report to the trustees of The Charity of the Order of the Marist Sisters Province of England

Opinion

We have audited the accounts of The Charity of the Order of the Marist Sisters Province of England (the 'charity') for the year ended 31 December 2021 which comprise the statement of financial activities, the balance sheet, the statement of cash flows, the principal accounting policies and notes to the accounts. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the accounts:

- ◆ give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its income and expenditure for the year then ended;
- ◆ have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- ◆ have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the accounts, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the accounts is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the accounts are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Report and Accounts, other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

Other information (continued)

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- ◆ the information given in the trustees' report is inconsistent in any material respect with the accounts; or
- ◆ sufficient accounting records have not been kept; or
- ◆ the accounts are not in agreement with the accounting records and returns; or
- ◆ we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Auditor's responsibilities for the audit of the accounts (continued)

How the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- ◆ the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- ◆ we identified the laws and regulations applicable to the charity through discussions with management and trustees, and from our knowledge and experience of the charity sector;
- ◆ we focused on specific laws and regulations which we considered may have a direct material effect on the accounts or the activities of the charity. These included but were not limited to the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the United Kingdom and Republic of Ireland (FRS 102) (effective 1 January 2019); and Safeguarding Regulations as they affect the direct charitable activities of the charity; and
- ◆ we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and those charged with governance and reviewed minutes of trustees' meetings.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- ◆ making enquiries of management and trustees as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- ◆ considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- ◆ performed analytical procedures to identify any unusual or unexpected relationships;
- ◆ tested and reviewed journal entries to identify unusual transactions;
- ◆ tested the authorisation of expenditure;
- ◆ assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- ◆ investigated the rationale behind significant or unusual transactions.

Auditor's responsibilities for the audit of the accounts (continued)

How the audit was considered capable of detecting irregularities including fraud
(continued)

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- ◆ agreeing financial statement disclosures to underlying supporting documentation;
- ◆ reading the minutes of meetings of trustees; and
- ◆ enquiring of management and trustees as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011 and with regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Subsequent to the year end, the charity has disposed of its school. The income and expenditure shown above in respect to the provision of education represent the income and expenditure of this discontinued operation. All of the charity's other income and expenditure derived from continuing activities during the above two financial periods. All recognised gains and losses are included in the statement of financial activities.

Balance sheet 31 December 2021

Cash and cash equivalents at 1 January 2021	B	2,730,045	2,334,003
Cash and cash equivalents at 31 December 2021	B	3,019,721	2,730,045

Notes to the statement of cash flows for the year to 31 December 2021

A Reconciliation of net movement in funds to net cash used in operating activities

	2021 £	2020 £
Net movement in funds (as per the statement of financial activities)	818,331	632,337
Adjustments for:		
Depreciation charge	516,623	526,447
Impairment of property	1,385,659	—
Gains on investments	(2,688,495)	(263,254)
Investment income and interest receivable	(900,840)	(742,602)
Surplus on disposal of tangible fixed assets	700	(938,431)
(Increase) decrease in debtors	(1,545,665)	(182,315)
Increase (decrease) in creditors	1,613,304	(590,670)
Net cash used in operating activities	(800,383)	(1,558,488)

B Analysis of cash and cash equivalents

	2021 £	2020 £
Cash at bank and in hand	2,483,175	2,601,913
Cash held by investment managers	536,546	128,132
Total cash and cash equivalents	3,019,721	2,730,045

No separate statement of changes in net debt has been prepared as there is no difference between the movements in cash and cash equivalents and movement in net cash (debt).

Principal accounting policies 31 December 2021

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are laid out below.

Basis of preparation

These accounts have been prepared for the year to 31 December 2021 with comparative information provided in respect to the year to 31 December 2020.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below or the notes to these accounts.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (Charities SORP FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

Critical accounting estimates and areas of judgement

Preparation of the accounts requires the trustees to make significant judgements and estimates.

The items in the accounts where these judgements and estimates have been made include:

- ◆ estimating the useful economic life of tangible fixed assets for the purposes of determining a depreciation charge;
- ◆ assessing the recoverability of outstanding debtors for school fees and related charges;
- ◆ determining the value of designated funds needed at the year end, in particular in respect to the assumptions made in determining the value of the retirement reserve; and
- ◆ estimating future income and expenditure flows for the purposes of assessing going concern.

Assessment of going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

The trustees have considered how best to secure the long term future of The Marist School and believe that the school will be best served by transferring it as a going concern to a specialist education provider. Following exchange of contracts for the sale of the school on 25 March 2022, the operation of the school formally transferred to the new operator on 24 May 2022, the date of legal completion of the sale

Assessment of going concern (continued)

The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due. With regard to the next accounting period, the year ending 31 December 2022, the most significant areas that may affect the financial position of the charity and the carrying value of its assets are the level of investment return and the performance of the investment markets. During the year to 31 December 2022, the charity's financial position will be impacted by the transfer of the school as a going concern to another operator (see above). The net assets of the school as at 31 December 2021 amounted to £7,162,770.

Income recognition

Income is recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Income comprises donations, legacies, investment income and interest receivable, fees for the provision of education, retreat and respite care and other income including the surplus on the disposal of tangible fixed assets.

Donations, including salaries and pensions of individual religious received under Gift Aid or deed of covenant, are recognised when the charity has confirmation of both the amount and settlement date. In the event of donations pledged but not received, the amount is accrued for where the receipt is considered probable. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

In accordance with the Charities SORP FRS 102 volunteer time is not recognised.

Legacies are included in the statement of financial activities when the charity is entitled to the legacy, the executors have established that there are sufficient surplus assets in the estate to pay the legacy, and any conditions attached to the legacy are within the control of the charity.

Entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, but the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title of the asset having being transferred to the charity.

Income recognition (continued)

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

School fees and related charges represent amounts invoiced to parents in respect to the provision of education. Such income is recognised when it falls due under the terms of the contracted arrangements with parents i.e. normally at the commencement of each academic term. School fees and related charges are stated net of bursaries, scholarships and discounts.

Income from retreats represents income from the Marist Centre, Nympsfield and Marist Youth Centre, Manchester whilst that for care represents income from lay residents of Villa Maria Care Home. Such income is recognised when it falls due.

Income from the Government's Job Retention Scheme in respect to the Covid-19 pandemic and other government funding in respect of the care home is accounted for when the charity has entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. Expenditure comprises direct costs and support costs. All expenses, including support costs, are allocated or apportioned to the applicable expenditure headings. The classification between activities is as follows:

- a. Expenditure on raising funds includes all expenditure associated with raising funds for the charity. This includes investment management fees and costs associated with fundraising.
- b. Expenditure on charitable activities includes all costs associated with furthering the charitable purposes of the charity through the provision of its charitable activities. Such costs include:
 - ◆ Expenditure incurred in providing education at the independent school in Sunninghill, Berkshire.
 - ◆ Expenditure incurred in providing retreats etc. at Marist Centre, Nympsfield and Marist Youth Centre, Manchester.

Expenditure recognition (continued)

- ◆ Expenditure on the support of the work of members of the Order and their ministry which enables the members to carry out the work of the charity in the areas of the advancement of the Roman Catholic religion, the advancement of education and the spread of Christian values. Such expenditure comprises:
 - ◇ Staff
 - ◇ Maintaining premises
 - ◇ Sisters' living and personal expenses
 - ◇ Training and spiritual renewal
 - ◇ Governance costs which comprise the costs involving the public accountability of the charity (including audit costs) and costs in respect to its compliance with regulation and good practice.
- ◆ Donations which, in the main, are to the support the Order's own work overseas.

Charitable grants and donations are made where the trustees consider there is real need following a review of the details of each particular case and comprise single year payments rather than multi-year grants. Grants and donations are included in the statement of financial activities when approved for payment. Provision is made for grants and donations approved but unpaid at the period end.

All expenditure is stated inclusive of irrecoverable VAT.

The majority of costs are directly attributable to specific activities and any apportionment between headings is negligible.

Tangible fixed assets

All assets costing more than £1,500 and with an expected useful life exceeding one year are capitalised.

- ◆ Freehold land and buildings

The trustees are the legal owners of land and buildings used exclusively by a voluntary aided school. The school was founded by the Order, but is now under separate control and publicly funded. The occupation of the land and building is indefinite and rent free. As such assets have no meaningful value in use to the trustees, they are not valued for the purpose of the accounts. The school is situated in Nympsfield, Gloucestershire, and was founded in 1950. A number of additional buildings have been constructed over the years to improve the facilities offered.

Tangible fixed assets (continued)

◆ Freehold land and buildings (continued)

Non-specialised buildings are those designed as, and used wholly or mainly for, private residential accommodation. Those that were owned by the charity on 1 January 1994 are stated at deemed cost based on a trustees' valuation made in 1994 on a market value basis for existing use; additions since are stated at cost. Such buildings are not depreciated. Their value and condition are reviewed annually by the trustees, who are satisfied that their residual value is not materially less than their book value.

Specialised buildings comprise the independent school and care home for elderly sisters. Those that were owned by the charity on 1 January 1994 are stated at deemed cost based on a trustees' valuation made in 1994 on a replacement cost basis for existing use; additions since are stated at cost. Depreciation is provided at 2% per annum on a straight-line basis to write the buildings off over their estimated useful economic life to the charity.

An impairment loss is recognised for the amount by which the asset's net book value exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

Costs in connection with buildings and extensions under construction or where detailed feasibility work has been undertaken with a view to future construction are capitalised in the accounts. No depreciation is charged on such assets until the work has been completed and the asset has been brought into use.

◆ Furniture, equipment and motor vehicles

Expenditure on furniture, equipment and motor vehicles is depreciated over a five year period on a straight line basis.

Investments

Listed investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price.

The charity does not acquire put options, derivatives or other complex financial instruments.

Realised gains (or losses) on investment assets are calculated as the difference between disposal proceeds and their opening carrying value or their purchase value is acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value at that date. Realised and unrealised investment gains (or losses) are combined in the statement of financial activities and are credited (or debited) in the year in which they arise.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits. Cash placed on deposit for more than one year is disclosed as a fixed asset investment.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

Funds structure

The funds of the charity include restricted funds which must be applied for specific purposes in accordance with donor's wishes and unrestricted funds available for use in furtherance of the charity's objectives at the discretion of the trustees. Unrestricted funds include the tangible fixed assets fund which represents the net book value of the charity's tangible fixed assets, excluding those designated for use by the charity's independent school. The funds has been established in recognition of the fact that the tangible fixed assets are required for the charity's work and are not available as a reserve to fund activities or meet future contingencies.

Within the unrestricted funds of the charity, the trustees have also designated amounts for specific purposes. Details of these are provided in note 17. Details of restricted funds are provided in note 15.

Services provided by members of the Order

For the purposes of these accounts, no monetary value has been placed on the administrative and other services provided by the members of the Order.

Pension costs

Contributions in respect of the independent school's defined benefit pension scheme are charged to the statement of financial activities so as to spread the cost of pensions over employees' working lives with the school.

Contributions by the school in respect of employee's personal pension plans are charged to the statement of financial activities in the period in which they are payable to the scheme.

All eligible members of staff are required to enrol in The People's Pension or the Teachers' Pension Scheme, under auto-enrolment. Staff members are entitled to opt out of these schemes.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the net movement in funds.

Leased assets

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessee are charged to the statement of financial activities on a straight-line basis over the lease term.

Assets held under finance leases are capitalised and depreciated over their useful lives. The corresponding lease obligation is treated in the balance sheet as a liability. The investment element is charged against income over the period of the lease at a consistent proportion of the outstanding balance of capital payments.

Net (expenditure) income for the year before gains on investments and transfers

This is stated after charging:

	2021 £	2020 £
Staff costs (note 8)	4,860,274	5,063,883
Auditor's remuneration, including VAT		
. Statutory audit services – current year	30,240	29,400
. Statutory audit services – prior year	—	7,440
. Non-statutory audit services	22,061	18,717
Depreciation	516,623	526,447
Impairment of specialised property (note 10)	1,385,659	—
Operating lease rentals	16,539	20,019

8 Staff costs, remuneration of key management personnel and trustees' remuneration

	2021 £	2020 £
Staff costs during the year were as follows:		
Wages and salaries	3,839,551	4,019,183
Social security costs	338,352	359,013
Other pension costs	623,296	638,017
Agency costs	59,075	47,670
	4,860,274	5,063,883
Staff costs per function were as follows:		
Provision of education	4,255,785	4,430,190
Support of members of the Order and their ministry	604,489	633,693
	4,860,274	5,063,883

In the year to 31 December 2021, including taxable benefits but excluding employer pension contributions, two employees earned between £60,000 and £70,000 (2020 - one), one employee earned between £70,000 and £80,000 (2020 - one) and one employee earned between £80,000 and £90,000 (2020 - one). Pension contributions to the defined benefit scheme were made by the school in respect to all three of these higher paid employees (2020 - all three).

The key management personnel of the charity in charge of directing and controlling, running and operating the charity on a day-to-day basis comprise the trustees and the governors, the school principal, the senior leadership team and the bursar of the independent school in Sunninghill. The total remuneration (including taxable benefits and employer's pension contributions) of the key management personnel for the year was £1,060,687 (2020 - £843,699).

The average number of employees during the period, analysed by function, was:

	2021 No.	2020 No.
Provision of education	114	116
Support of members of the Order and their ministry	32	41
	146	157

As members of the Order, the trustees' living expenses during the year were borne by the charity, but they received £nil remuneration or reimbursement of expenses in connection with their duties as trustees during the year (2020 - £nil).

As members of the Order, none of the trustees have resources of their own as all earnings, pensions and other income have been donated to the charity under a Gift Aid compliant Deed of Covenant. During the year, the total amount donated by trustees to the charity was £39,414 (2020 - £53,493).

9 Taxation

The Charity of the Order of the Marist Sisters Province of England is a registered charity and, therefore, is not liable to taxation on income and gains derived from its charitable activities, as it falls within the various exemptions available to registered charities.

As permitted under Financial Reporting Standard 102, the charity has continued to adopt a policy of not revaluing its tangible fixed assets.

It is likely that there are material differences between the open market values of the charity's land and buildings and their book values. The amount of such differences cannot be ascertained without incurring significant costs, which, in the opinion of trustees, is not justified in terms of the benefit to the users of the accounts.

The historical cost of the freehold land and buildings included above at deemed cost based on a 1994 valuation cannot be ascertained with accuracy.

The specialised property at Sunninghill was sold on 24 May 2022. An impairment provision has been recognised in these accounts to reduce the net book value of the property to its fair value (i.e. realisable value) at 31 December 2021.

11 Investments

	2021 £	2020 £
Listed investments		
Market value at 1 January 2021	30,235,311	30,509,157

Cost of listed investments at 31 December 2021	26,185,709	26,124,779

Listed investments held at 31 December 2021 comprised the following:

	2021 £	2020 £
UK equities	5,325,930	5,489,270
Common investment funds and common authorised investment funds	11,516,214	10,485,239
UK fixed interest	3,860,758	4,133,953
Overseas equities	7,784,852	6,690,060
Overseas fixed interest	550,610	568,350
Property funds	2,001,960	1,768,511
Alternatives	1,556,205	1,099,928
	32,596,529	30,235,311

At 31 December 2021 listed investments included the following individual holdings which were material when compared to the total portfolio valuation as at that date:

Holding	2021		2020	
	Market value of holding £	Percentage of portfolio %	Market value of holding £	Percentage of portfolio %
BLK Catholic Charities Growth and Income A Income Fund	11,411,111	35.01	10,392,022	34.37

All listed investments were dealt in on a recognised stock exchange.

12 Debtors

	2021 £	2020 £
School fees and related charges	1,642,010	161,683
Investment income receivable held by investment managers	1,102,006	1,151,282
Prepayments and accrued interest	228,896	194,890
Other debtors	125,480	94,149
	3,098,392	1,602,004

13 Creditors: amounts falling due within one year

	2021 £	2020 £
Amount due to the Generalate of the Order	2,468	2,632
Expense creditors	206,185	83,219
Payroll creditors	84,290	71,427
Other taxation and social security costs	70,594	242,423
Accruals	188,962	171,089
School fee deposits	130,643	125,700
Monies administered by the charity on behalf of individual members of the Order	43,953	47,948
Deferred income including fees in advance	2,157,794	506,496
Donations payable	—	—
Finance lease liability	2,844	4,404
	2,887,733	1,255,338

Deferred income comprises school fees in advance (see above and note 14 also). Such income has been deferred because the charity has not yet met the conditions for recognising the income i.e. contractually the income is not due until January 2020. The movements on deferred income are analysed below:

	2021 £	2020 £
Fees in advance at 1 January 2021	554,268	579,894
Released in year	(554,268)	(486,969)
Additions in year	2,173,398	461,343
Fees in advance at 31 December 2021	2,173,398	554,268

14 Creditors: amounts falling due after one year

	2021 £	2020 £
Fee deposits	129,988	110,638
Fees in advance	15,604	47,772
Finance lease liability	1,468	7,741
	147,060	166,151

15 Restricted funds

The income funds of the charity include restricted funds comprising the following unexpended balance of grants and donations to be applied for specific purposes:

	At 1 January 2021 £	Income £	Expenditure £	Transfers £	At 31 December 2021 £
Donations towards sports hall equipment	5,000	—	—	—	5,000
Donations towards hardship fund	27,276	—	(13,523)	—	13,753
Minibus fund	3,579	—	(716)	—	2,863
Donation towards playground	—	10,000	—	(10,000)	—
	35,855	10,000	(14,239)	(10,000)	21,616

	At 1 January 2020 £	Income £	Expenditure £	Transfers £	At 31 December 2020 £
Donations towards music studio	—	10,000	(10,000)	—	—
Donations towards sports hall equipment	—	5,000	—	—	5,000
Donations towards hardship fund	—	45,400	(18,124)	—	27,276
Minibus fund	4,474	—	(895)	—	3,579
Government grants – Covid 19	—	55,738	(55,738)	—	—
	4,474	116,138	(84,757)	—	35,855

- ◆ The Hardship fund was established with donations from former pupils to provide assistance to parents experiencing difficulties in paying fees.
- ◆ Donations towards the sports hall equipment were specific donations from former pupils.
- ◆ Music Studio Fund
Donations received specifically towards the Music Studio at Sunninghill School have been expended in the year.
- ◆ Outdoor Learning Facility
This fund represents donations received towards the construction of an outdoor classroom known as 'Hillview' on the Sunninghill School site. The amounts received into the fund have been applied during the year towards the costs of constructing the facility. A transfer from restricted to unrestricted funds has been made to reflect this.
- ◆ Minibus Fund
This fund represented a donation received from the Marist Friends Association to purchase a minibus for Sunninghill School. Each year the depreciation on the minibus is charged to the fund.

15 Restricted funds (continued)

- ♦ The donation towards the playground was from the Friends of Marist School. The funds were expended in 2020 and reimbursed in 2021.

16 Tangible fixed assets fund

	2021 £	2020 £
At 1 January 2021	6,786,821	6,982,739
Net movement in the year	(1,509,215)	(195,918)
At 31 December 2021	5,277,606	6,786,821

The tangible fixed assets fund represents the net book value of the charity's tangible fixed assets, excluding those designated for use by the charity's independent school, and has been established in recognition of the fact that the tangible fixed assets are required for the charity's work and are not available as a reserve to fund activities or meet future contingencies.

17 Designated funds

The unrestricted funds of the charity include the following funds designated for specific purposes:

	At 1 January 2021 £	New designations in year £	Utilised/ (released) £	At 31 December 2021 £
School fund	7,466,393	—	(303,623)	7,162,770
Retirement reserve	14,550,000	—	(1,500,000)	13,050,000
Bursary fund	11,221	—	(11,000)	221
Villa Maria property and maintenance fund	—	4,000,000	—	4,000,000
Congregational giving fund	—	8,000,000	—	8,000,000
	22,027,614	12,000,000	(1,814,623)	32,212,991

	At 1 January 2020 £	New designations in year £	Utilised/ (released) £	At 31 December 2020 £
School fund	7,839,381	—	(372,988)	7,466,393
Retirement reserve	14,550,000	—	—	14,550,000
Bursary fund	22,221	—	(11,000)	11,221
	22,411,602	—	(383,988)	22,027,614

- ♦ School fund
The school fund represents the net assets designated for use by the charity's independent school.
- ♦ Retirement reserve
The retirement reserve consists of monies which the trustees have set aside in order to provide for the sisters in their retirement. The value of the fund has been calculated on actuarial principles to provide for the Province's sisters, but is adjusted as necessary in the light of available resources and changes in the number of the Province's members and their age profile.

17 Designated funds (continued)

- ♦ Bursary fund
This represents monies set aside by the trustees for the payment of bursaries at the charity's independent school.
- ♦ Villa Maria property and maintenance fund
This represents monies set aside by the trustees for the future maintenance and refurbishment of the Villa Maria care home.
- ♦ Congregational giving fund
This represents monies set aside by the trustees to fund future donations to the Order and other organisations with objectives consistent with those of the charity.

The total unrealised gains as at 31 December 2021 constitutes movements on revaluation and are as follows:

	2021 £	2020 £
Unrealised gains included above:		
On investments	6,410,820	4,110,532
Total unrealised gains at 31 December 2021	6,410,820	4,110,532
Reconciliation of movements in unrealised gains		
Unrealised gains at 1 January 2021	4,110,532	7,178,035
Less: in respect to disposals of listed investments in the year	(281,511)	(4,100,069)
	3,829,021	3,077,966
Add: net gains arising on revaluation of listed investments arising in the year	2,581,799	1,032,566
Total unrealised gains at 31 December 2021	6,410,820	4,110,532

19 Pension commitments

Retirement benefits for academic employees of the charity's independent school are provided by a defined benefit scheme, the Teachers' Pension Scheme (TPS), which is funded by contributions from Marist School, Sunninghill and the employees.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- ♦ employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy);

19 Pension commitments (continued)

Valuation of the Teachers' Pension Scheme (continued)

- ♦ total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,000 million, giving a notional past service deficit of £22,000 million; and
- ♦ the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The pension costs paid to TPS in the period amounted to £541,430 (2020 - £504,315).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The school has accounted for its contributions to the scheme as if it were a defined contribution scheme. The school has set out above the information available on the scheme.

20 Operating leases

As at 31 December 2021, the school had minimum commitments under non-cancellable operating leases in respect to motor vehicles and other equipment as follows:

	2021 £	2020 £
Payments which fall due:		
Within one year	11,047	16,539
Within one to two years	4,800	11,047
Within two to five years	2,800	7,600
	18,647	35,186

The school leases certain motor vehicles under finance leases. The future minimum payments (net of interest) to which the school is committed are as follows:

	2021 £	2020 £
Payable within:		
One year	3,624	3,819
One to two years	1,468	3,819
Two to five years	—	4,507
	5,092	12,145

21 Capital commitment

At 31 December 2021 there were no capital commitments (31 December 2020: the School had committed to capital works on new school gates totalling £55,001).

22 Related parties

Transactions with trustees are disclosed in note 8 to these accounts.

One governor of Marist School, Sunninghill had a daughter who attended the school during 2020 and received a bursary of 70%.

During the year, £7,452 (2020 - £6,060) was paid to JDB Contractors and Sons Limited, a company in which Barbara Denning, a governor of the Marist School, Sunninghill, has a familial interest.

During the year, £nil (2020 - £125) was paid to a Governor of Marist School, Sunninghill for Safeguarding services.

Two of the trustees of the charity are trustees also of The Marist Sisters Generalate CIO (Charity Registration Number 1179883). During the year the charity paid donations totalling £112,416 (2020: £114,490) to The Marist Sisters CIO.

There were no further related party transactions requiring disclosure (2020 – none).

23 Ultimate control

The charity, which is constituted as a trust, was controlled throughout the period by the Order of the Marist Sisters Province of England by virtue of the fact that the Provincial Superior of the Order appoints all of the trustees.

24 Post balance sheet events

On 25 March 2022, the charity exchanged contracts for the sale of the Marist School, Sunninghill, as a going concern to a specialist education provider. The sale of the school completed on 24 May 2022.
