RSPCA

REPORT OF THE TRUSTEES for the year ended 31 December 2022

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the branch are to promote the work and objects of the National Society of the RSPCA - to promote kindness or to suppress cruelty to animals by all lawful means - with particular reference to the area of the Branch, in accordance with the policies of the Society.

The key aim is to find suitable new homes for as many animals as possible, and to provide proper care for those who have been mistreated or abandoned.

The Branch supports the local inspectors by taking in, free of charge, mistreated or abandoned animals including pets whose owners suffer ill health or financial difficulties or pass away. The Branch provides education, information and advice, benefiting the public by promoting compassionate human sentiments towards animals.

The Branch provides subsidised veterinary treatment for animals which are sick or injured and belong to local people on low incomes. This is achieved through a voucher scheme.

The Branch offers subsidised neutering and micro-chipping of companion animals for owners on low incomes. This helps to control dog and cat populations and promotes responsible pet ownership. Animals in the care of the Branch receive veterinary treatment, vaccination, neutering, and micro-chipping and are assessed for rehoming.

Free animal care advice is offered to pet owners.

RSPCA Warwickshire - South and East Branch provides volunteering opportunities for those who wish to support our work including trusteeship, fundraising and animal care at the Centre. This benefits local people, schools and companies by providing the possibility of doing work which is compassionate and rewarding.

Significant activities

We have referred to the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

The principal activity of the charity is the promotion of kindness and prevention of cruelty to animals in the South and East Warwickshire area. This is achieved by providing animal welfare services to the public and acting as a point of referral in cases of suspected animal welfare abuse. The trustees consider that the charity has achieved its objectives.

The charity continued its principal activities during the year. The income generated during the year decreased compared to the previous year due to a fall in both legacies and donations received. This resulted in a net gain of £58,594 this year. The total net assets increased to £1,700,088 at the year end. The trustees consider that the charity will pursue its principal activities for the foreseeable future.

Volunteers

The charity benefits from voluntary donated time.

FINANCIAL REVIEW

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free funds of the charity, at a relatively high level in order to provide sufficient funds to cover operating costs and to respond to public demand as required. The trustees consider that maintaining reserves of around 2 times annual expenditure should achieve this objective.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The charity is an unincorporated association set up under a trust deed dated 19 November 1963.

RSPCA

REPORT OF THE TRUSTEES for the year ended 31 December 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governance and internal control

The board of trustees comprises the officers and management committee, who meet regularly.

The trustees have implemented a formal risk management process to assess business risk and implement risk management strategies. This involves identifying the types of risks the charity faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating the risks. As part of this process, the trustees have reviewed the adequacy of the charity's current internal controls. The trustees are pleased to report that the charity's internal financial controls, in particular, conform with guidelines issued by the Charity Commission.

Recruitment and appointment of new trustees

New trustees are appointed by the existing trustees by election at the AGM.

Organisational structure

The trustees who have served during the year and since the year end are shown on page 2. The trustees are appointed by the board of trustees and meet 6 weekly to discuss branch funding and activities etc. The branch consists of 7 committee members who are elected on a yearly basis.

Induction and training of new trustees

New trustees are inducted by the existing trustee body and follow Charity Commission guidance as applicable.

Related parties

Other branches of the RSPCA are constituted with different individuals acting as trustees. No transactions are undertaken with different branches. The trustees are considered to be related parties and the transactions the charity has with these are included in the notes to the financial statements.

Risk review

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The trustees have conducted their own review of the major risks to which the charity is exposed and systems have been implemented to mitigate those risks.

Internal risks are minimised by the implementation of internal control procedures for authorisation of transactions and projects. These procedures are reviewed periodically to ensure they still meet the needs of the charity.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
RSPCA**

Independent examiner's report to the trustees of RSPCA

I report to the charity trustees on my examination of the accounts of RSPCA (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

RSPCA

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2022

1. GENERAL INFORMATION

RSPCA Warwickshire - South and East Branch is a charity registered in England and Wales. The charity's registered number and registered office location is included in the reference and administration details section of these financial statements.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The accounting policies adopted in the preparation of the financial statements are noted below.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Gifts in kind are included within incoming resources at the market rate at the date of receipt and are also included under the appropriate expenditure heading. Gifts donated for resale constitute numerous low value items and are recognised within incoming resources on sale. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers. Grants are included in the period to which they relate, and are allocated to the fund which is most appropriate for their purpose.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable activities include the costs associated with providing animal welfare services to the public and acting as a point of referral in cases of suspected animal welfare abuse.

Costs of generating funds comprise those costs directly attributable to operating the shop.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. The costs include costs related to the independent examination of the financial statements.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Furniture and equipment - 15% on reducing balance

**NOTES TO THE FINANCIAL STATEMENTS - continued
for the year ended 31 December 2022**

2. ACCOUNTING POLICIES - continued

Tangible fixed assets

All assets costing more than £100 are capitalised. No depreciation is provided on the freehold property as the residual value is considered to materially approximate to the carrying value. As such any charge to depreciation would not accurately reflect any depletion of economic resource.

The trustees assess the property for impairment on an annual basis to ensure this statement remains fair.

Taxation

The charity is exempt from tax on its charitable activities. Irrecoverable VAT elements are charged against the expenditure to which they relate.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Irrecoverable vat

Irrecoverable VAT is charged to the expense heading to which the invoice, on which the VAT is charged, is allocated.

Financial instruments

Loans and borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method, less impairment.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the income statement.

Investments are included at closing mid-market value at the balance sheet date. Any gains or losses on valuation is taken to the Statement of Financial Activities. The investments are classed as current if the intention is to sell the holdings within one year. They are classed as fixed asset investments if the intention is to hold the investments to generate income or capital growth in the long term.

RSPCA

NOTES TO THE FINANCIAL STATEMENTS - continued for the year ended 31 December 2022

16. MOVEMENT IN FUNDS - continued

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects.

17. EMPLOYEE BENEFIT OBLIGATIONS

The charity operates a defined pension contribution scheme in respect of certain employees. The scheme and its assets are held by independent managers. The pension charge represents contributions due from the company and amounted to £605 (2021 - £532).

Included within creditors is a balance due to pension providers of £136 (2021 - £14) representing contributions owed to the funds.

18. RELATED PARTY DISCLOSURES

The Trustees are considered to be key management. Their remuneration is included in the notes above.
