CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 28 FEBRUARY 2025

The Trustees present their report and accounts for the year ended 28 February 2025.

TRUSTEES

The Trustees named on appendix 1 have served throughout the year. Appointment is governed by the Trust Deed of Charity. The Trustees are authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee.

INVESTMENT POWERS

The Trust Deed authorises the Trustees to make and hold investments which it does at present and which are detailed in the accounts, these investments have been acquired in accordance with the powers available to the Trustees.

CONSTITUTION, OBJECTS AND POLICIES

The Charitable Trust is constituted by Trust Deed which entitles the Trust fund and income produced to be used for such charitable purposes as the Trustees see fit. Since the inception of the Trust the main area of funding has been in assisting works which further the spread of the Gospel, relieving poverty and assisting with education. The policy of the Charitable Trust is to review on a regular basis requests for financial assistance which meet the objectives and criteria of the Trust. Funds for distribution being made from the income produced from the Charitable Trusts investments. The assets of the Charitable Trust are held in order to produce funds for distribution.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with the applicable law and UK Generally Accepted Accounting Practice.

The Trustees are required under the Charities Act 2011 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view the Trustees should follow best practice and:

- a. select suitable accounting policies and apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- d. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable laws and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS

When planning the activities for the year, the Trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. The charity operates in and around Cumbria, and its activities seek to reach out both to the local community and also to religious and educational establishments further afield.

The Trustees consider that the performance of the charity this year has been most satisfactory having donated £130,548 to various causes. This is an increase on the previous year and the Trustees are pleased that the Trust has been able to provide ongoing support for many beneficiaries. The majority of donations made have been to assist Christian activities.

FINANCIAL REVIEW

The Charitable Trust does not ask for donations from individuals or organisations, however, they would be gratefully received. The income of the Trust has risen by 22.2% this year, mainly due to increased rental income following the purchase of Tudor House and Beck House in August 2023 and November 2023 respectively.

FUTURE DEVELOPMENTS

The Trustees are constantly reviewing the performance of the Charity's investments and in the light of this, it may be necessary from time to time to dispose of such investments and re-invest as the Trustees or its advisors see fit to do so.

PUBLIC BENEFIT

The Trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning the charity's future activities. In particular, the Trustees have considered the activities of the charity as set out in the "Constitution, Objects and Policies" section above, and the "Development, Activities and Achievements" and "Financial Review", and assessed their future plans. They are satisfied that the criteria for public benefit are comprehensively achieved.

TRUST SETTLOR

The Trustees continue to remember the sad loss of the Settlor Mr Norman Whiteley. His generosity in establishing and providing the majority of the capital funds of the Trust and his tireless work in assisting and funding projects in keeping with the objectives of the charity will be fondly remembered by the Trustees and the charitable organisations who benefited from the Norman Whiteley Trust.

CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 29TH FEBRUARY 2024

The Trustees present their report and accounts for the year ended 29th February 2024.

TRUSTEES

The Trustees named on appendix 1 have served throughout the year. Appointment is governed by the Trust Deed of Charity. The Trustees are authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee.

INVESTMENT POWERS

The Trust Deed authorises the Trustees to make and hold investments which it does at present and which are detailed in the accounts, these investments have been acquired in accordance with the powers available to the Trustees.

CONSTITUTION, OBJECTS AND POLICIES

The Charitable Trust is constituted by Trust Deed which entitles the Trust fund and income produced to be used for such charitable purposes as the Trustees see fit. Since the inception of the Trust the main area of funding has been in assisting works which further the spread of the Gospel, relieving poverty and assisting with education. The policy of the Charitable Trust is to review on a regular basis requests for financial assistance which meet the objectives and criteria of the Trust. Funds for distribution being made from the income produced from the Charitable Trusts investments. The assets of the Charitable Trust are held in order to produce funds for distribution.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with the applicable law and UK Generally Accepted Accounting Practice.

The Trustees are required under the Charities Act 2011 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view the Trustees should follow best practice and:

- a. select suitable accounting policies and apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- d. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable laws and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS

When planning the activities for the year, the Trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. The charity operates in and around Cumbria, and its activities seek to reach out both to the local community and also to religious and educational establishments further afield.

The Trustees consider that the performance of the charity this year has been most satisfactory having donated £126,454 to various causes. This is an increase on the previous year and the Trustees are pleased that the Trust has been able to provide ongoing support for many beneficiaries. The majority of donations made have been to assist Christian activities.

FINANCIAL REVIEW

The Charitable Trust does not ask for donations from individuals or organisations, however, they would be gratefully received. The income of the Trust has risen by 14.8% this year, mainly due to increased rental income following the purchase of Tudor House and Beck House in August 2023 and November 2023 respectively. Overheads have increased compared with the previous year due to an increase in professional fees associated with the properties, and utilities costs.

FUTURE DEVELOPMENTS

The Trustees are constantly reviewing the performance of the Charity's investments and in the light of this, it may be necessary from time to time to dispose of such investments and re-invest as the Trustees or its advisors see fit to do so.

PUBLIC BENEFIT

The Trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning the charity's future activities. In particular, the Trustees have considered the activities of the charity as set out in the "Constitution, Objects and Policies" section above, and the "Development, Activities and Achievements" and "Financial Review", and assessed their future plans. They are satisfied that the criteria for public benefit are comprehensively achieved.

TRUST SETTLOR

The Trustees continue to remember the sad loss of the Settlor Mr Norman Whiteley. His generosity in establishing and providing the majority of the capital funds of the Trust and his tireless work in assisting and funding projects in keeping with the objectives of the charity will be fondly remembered by the Trustees and the charitable organisations who benefited from the Norman Whiteley Trust.

APPROVAL

This report was approved by the Trustees on 19/11/24.....and signed on their behalf.

RESPONSIBILITIES AND BASIS OF REPORT

As the Charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 28TH FEBRUARY 2023

The Trustees present their report and accounts for the year ended 28th February 2023.

TRUSTEES

The Trustees named on appendix 1 have served throughout the year. Appointment is governed by the Trust Deed of Charity. The Trustees are authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee.

INVESTMENT POWERS

The Trust Deed authorises the Trustees to make and hold investments which it does at present and which are detailed in the accounts, these investments have been acquired in accordance with the powers available to the Trustees.

CONSTITUTION, OBJECTS AND POLICIES

The Charitable Trust is constituted by Trust Deed which entitles the Trust fund and income produced to be used for such charitable purposes as the Trustees see fit. Since the inception of the Trust the main area of funding has been in assisting works which further the spread of the Gospel, relieving poverty and assisting with education. The policy of the Charitable Trust is to review on a regular basis requests for financial assistance which meet the objectives and criteria of the Trust. Funds for distribution being made from the income produced from the Charitable Trusts investments. The assets of the Charitable Trust are held in order to produce funds for distribution.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with the applicable law and UK Generally Accepted Accounting Practice.

The Trustees are required under the Charities Act 2011 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view the Trustees should follow best practice and:

- a. select suitable accounting policies and apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- d. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable laws and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS

When planning the activities for the year, the Trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. The charity operates in and around Cumbria, and its activities seek to reach out both to the local community and also to religious and educational establishments further afield.

The Trustees consider that the performance of the charity this year has been most satisfactory having donated £89,050 to various causes. This is an increase on the previous year and the Trustees are pleased that the Trust has been able to provide ongoing support for many beneficiaries. The majority of donations made have been to assist Christian activities.

FINANCIAL REVIEW

The Charitable Trust does not ask for donations from individuals or organisations, however, they would be gratefully received. The income of the Trust has risen by 20.6% this year, mainly due to increased rental income following the purchase of The Riverside Centre in February 2022. Overheads have increased compared with the previous year due to an increase in professional fees associated with the properties, repairs and utilities costs.

FUTURE DEVELOPMENTS

The Trustees are constantly reviewing the performance of the Charity's investments and in the light of this, it may be necessary from time to time to dispose of such investments and re-invest as the Trustees or its advisors see fit to do so.

PUBLIC BENEFIT

The Trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning the charity's future activities. In particular, the Trustees have considered the activities of the charity as set out in the "Constitution, Objects and Policies" section above, and the "Development, Activities and Achievements" and "Financial Review", and assessed their future plans. They are satisfied that the criteria for public benefit are comprehensively achieved.

TRUST SETTLOR

The Trustees continue to remember the sad loss of the Settlor Mr Norman Whiteley. His generosity in establishing and providing the majority of the capital funds of the Trust and his tireless work in assisting and funding projects in keeping with the objectives of the charity will be fondly remembered by the Trustees and the charitable organisations who benefited from the Norman Whiteley Trust.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE NORMAN WHITELEY TRUST FOR THE YEAR ENDED 28TH FEBRUARY 2022

I report to the Trustees on my examination of the accounts of the above charity (the Trust") for the year ended 28th February 2022 which are set out on pages 2 to 8.

RESPONSIBILITIES AND BASIS OF REPORT

As the Charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

TRUSTEES' REPORT FOR THE YEAR ENDED 28TH FEBRUARY 2022

The Trustees present their report and accounts for the year ended 28th February 2022.

TRUSTEES

The Trustees named on appendix 1 have served throughout the year. Appointment is governed by the Trust Deed of Charity. The Trustees are authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee.

INVESTMENT POWERS

The Trust Deed authorises the Trustees to make and hold investments which it does at present and which are detailed in the accounts, these investments have been acquired in accordance with the powers available to the Trustees.

CONSTITUTION, OBJECTS AND POLICIES

The Charitable Trust is constituted by Trust Deed which entitles the Trust fund and income produced to be used for such charitable purposes as the Trustees see fit. Since the inception of the Trust the main area of funding has been in assisting works which further the spread of the Gospel, relieving poverty and assisting with education. The policy of the Charitable Trust is to review on a regular basis requests for financial assistance which meet the objectives and criteria of the Trust. Funds for distribution being made from the income produced from the Charitable Trusts investments. The assets of the Charitable Trust are held in order to produce funds for distribution.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with the applicable law and UK Generally Accepted Accounting Practice.

The Trustees are required under the Charities Act 2011 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view the Trustees should follow best practice and:

- a. select suitable accounting policies and apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- d. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable laws and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS

When planning the activities for the year, the Trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. The charity operates in and around Cumbria, and its activities seek to reach out both to the local community and also to religious and educational establishments further afield.

The Trustees consider that the performance of the charity this year has been most satisfactory having donated £83,050 to various causes. This is an increase on the previous year because Trustee meetings have been able to resume as normal following the Covid-19 pandemic. However, the Trustees are pleased that the Trust has been able to provide ongoing support for many beneficiaries. The majority of donations made have been to assist Christian activities.

FINANCIAL REVIEW

The Charitable Trust does not ask for donations from individuals or organisations, however, they would be gratefully received. The income of the Trust has risen by 8.0% this year due to rental income returning to normal following a reduction during the early months of the Covid pandemic. The Trust has also benefited from the sale of the Discover Church in Bournemouth by the Wessex Christian Centre, from which it received proceeds of £652,022. Overheads have been consistent with the previous year.

FUTURE DEVELOPMENTS

The Trustees are constantly reviewing the performance of the Charity's investments and in the light of this, it may be necessary from time to time to dispose of such investments and re-invest as the Trustees or its advisors see fit to do so.

PUBLIC BENEFIT

The Trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning the charity's future activities. In particular, the Trustees have considered the activities of the charity as set out in the "Constitution, Objects and Policies" section above, and the "Development, Activities and Achievements" and "Financial Review", and assessed their future plans. They are satisfied that the criteria for public benefit are comprehensively achieved.

TRUST SETTLOR

The Trustees continue to remember the sad loss of the Settlor Mr Norman Whiteley. His generosity in establishing and providing the majority of the capital funds of the Trust and his tireless work in assisting and funding projects in keeping with the objectives of the charity will be fondly remembered by the Trustees and the charitable organisations who benefited from the Norman Whiteley Trust.
