Spence's Hospital Charity

Report of the Trustees for the Year Ended 30 June 2023

The trustees present their report with the financial statements of the charity for the year ended 30 June 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Primarily the Charity was established to provide residences for poor persons resident in the Parish of Carleton at the time of appointment. Where claims are otherwise equal preference shall be given to the more aged applicant. In default of a suitable applicant resident as aforesaid the Trustees may appoint a person otherwise qualified who is resident in any of the neighbouring parishes.

ACHIEVEMENT AND PERFORMANCE

The Charity has continued to provide accommodation for up to eight residents at Spence's Court, the Charities premises at Carleton in Craven.

During the year to 30th June 2023 there have been exceptional items of expenditure on maintenance as follows:

Completion of Refurbishment of Flat 1	£650
Plumbing and Electrical Refurbishment	£4,080
Installation of new Fire Alarm (balance)	£5,978

FINANCIAL REVIEW

The results shown within these Financial Statements are in accordance with expectations of the Trustees.

Maintenance Contributions

In conformity with the Trustees' policy of periodic reviews, the Weekly Maintenance Contribution was reviewed at the Meeting held on 12th April 2022 when the Charity's Budget based on The Almshouse Association specimen outline budget for 2022/23 was considered. The Trustees resolved that the Weekly Maintenance Contribution should be increased by an average of £7.67 per week per flat which would also include the Heating Contribution. This Contribution remained effective for the remainder of the year to 30th June 2023. The maintenance contribution was again reviewed on 15th September 2023 and an average increase of £4.61 was implemented from that date.

Reserves policy

The Trustees have established and maintain a reserves policy and they include ensuring a provision is budgeted for each year for Cyclical and extraordinary Maintenance in accordance with Almshouse Association recommendations. The trustees normally make a contribution each year to the Extraordinary Repair Fund (ERF) being a reserve fund for the purpose of providing for the extraordinary repair, improvement or rebuilding of the Almshouses from time to time belonging to the Charity. Dependent upon the level of expenditure incurred on such items in an accounting period, transfers are then made from Income and Expenditure Account. This fund can be drawn upon to meet major items of improvements or extraordinary repairs by application to the fund managers without the prior consent of the Charity Commissioners. Each year the Almshouse Association recommend a minimum level of provision for the ERF and this is normally invested in Charifund M&G Accumulation Units and added to the Charity's existing holding. The Trustees have also established a Cyclical Maintenance Fund (CMF) to which transfers are made from Income and Expenditure Account from time to time and this fund is invested in COIF Charities Deposit Fund where the interest is reinvested. The fund is retained by the Trustees to meet maintenance occurring at regular intervals, for example external redecoration, and the cost of professional fees in respect of Quinquennial Inspections. Periodically at the Trustees Meetings, the Trustees consider the question of amounts to transfer to the ERF and CMF on a regular basis. However, the Trustees felt that in view of the recent refurbishment expenditure undertaken, there seemed little reason in making transfers to these funds during the year.

Investments

The Trustees reviewed valuations of the Charity's investments at the Ordinary Meetings. The valuations have shown an overall small deficit in the total value of the investments compared to the previous year. This had been anticipated following the general market conditions for the year and the position was considered acceptable under the circumstances. It had been agreed that no changes in the investments needed to be made. The Trustees considered that the overall performance of the investments was satisfactory.

Almshouse Insurance Policy

The insurance with Royal & Sun Alliance was renewed for twelve months commencing 30th June 2022. The buildings including the Charity's contents are insured for £1,386,276 and the Residents contents are insured for a total of £25,699 (8 units in equal proportions). The Public Liability Indemnity Limit is £5 million and the Legal Responsibilities to Employees is £10 million.

The Reinstatement cost of the property was assessed by WBW Chartered Surveyors Ltd at 25th July 2022 as £1,350,000, so the trustees consider the current level of cover was adequate.

Charity Trustee Assurance

Within the Almshouse insurance policy there is insurance cover providing for trustees' liability of £250,000. The level was considered appropriate for the size and nature of the charity.

Allotments

There are seventeen allotment holders who are charged the annual non-refundable charge of £15 for a small allotment and £20 for a large allotment.

Property Valuation

Spence's Hospital Charity

Report of the Trustees for the Year Ended 30 June 2023

The value of the property was assessed on an 'existing use' basis by Messrs. WBW Chartered Surveyors Ltd at 25th July 2022 at a value of £550,000. This valuation disregards any possible alternative uses and any other characteristics of the asset that would cause its Market Value to differ from that needed to replace the remaining service potential at least cost. The trustees regard that this valuation, which was undertaken on 25th July 2022 should be the revaluation amount to be carried forward at 30th June 2023 and any differences in the amounts between these dates would not be material.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Spence's Hospital Charity at Carleton in Craven was comprised in a Scheme of the High Court of Justice (Chancery Division) of 7 August 1877 and Schemes of the Charity Commissioners of 17 July 1888, 19 February 1901, 14 August 1931, 17 December 1968 and 25 October 1973. The Scheme dated 25 October 1973 replaced the provisions of the earlier Schemes and therefore the 1973 Scheme is the charity's Governing Document.

Organisational structure

The Trustees shall consist when complete of seven competent persons being one Nominative Trustee and six Co-optative Trustees. The Nominative Trustee shall be appointed by the Parish Council of Carleton and each appointment shall be made for a term of four years at a meeting convened and held according to the ordinary practice of the Council. The person appointed may be, but need not be, a member of the Council. The Co-optative Trustees shall be persons under the age of seventy-five years who through residence, occupation or employment or otherwise have special knowledge of the Parish of Carleton. Any Co-optative Trustee who has attained the age of seventy years may continue in office only with the consent of his or her co-trustees. Every future Co-optative Trustee shall be appointed for a term of five years by a resolution of the Trustees passed at a Special Meeting of which not less than twenty-one days' notice has been given.

The Trustees normally meet at least half yearly for Ordinary Meetings, and routine and maintenance matters have been dealt with remotely by the committee. An Annual General Meeting was held on 21st September 2022.

The Charity is the owner of eight almshouses and one other flat occupied by the Warden and they are situated at Spence's Court, Carleton Skipton North Yorkshire. When there is a vacancy, the Trustees try to find a resident in the Parish of Carleton suitable for appointment as an almsperson. Where claims are otherwise equal, preference shall be given to the more aged applicant. If on the occasion of a vacancy there is no suitable applicant qualified, the Trustees may appoint a person otherwise qualified who is resident in any of the neighbouring parishes.

Trustees

Mrs S Williams was appointed as a Co-optative Trustee on 21st September 2022, and likewise Rev K Shoesmith on 18th September 2023.

Independent examiner's report to the trustees of Spence's Hospital Charity

I report to the charity trustees on my examination of the accounts of Spence's Hospital Charity (the Trust) for the year ended 30 June 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

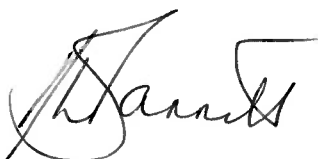

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
