**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2023**

The trustees present their annual report together with the financial statements of the Provincial Grand Lodge of Nottinghamshire Charity Committee for the year from 1 January 2023 to 31 December 2023. The trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 as amended by Update Bulletin 2 (effective January 2019).and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

Objectives and activities

a. Policies and objectives

The objectives of the charity are:

- To assist aged or indigent freemasons;
- To assist widows and children of freemasons;
- To distribute such other relief and charity as the committee may direct.

The main activities of the charity are to collect returns from investments held and receive donations from Brethren.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Main achievements of the charity

We have raised approximately £74,000 (2022: £58,000) during the year in furtherance of our objectives. In addition, our investments have raised, through sale, an amount of £179,000, and the market value of the investment portfolio increased by £60,000 (2022: £210,000 net decrease). Of these proceeds of sale, we have reinvested £163,000. The income raised has enabled us to donate £83,000 (2022: £43,000) to applicants. Note 16 to the accounts details the 31 different charities that benefitted from our donations to assist their own causes.

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, we continue to adopt the going concern basis in preparing the financial statements.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2023

b. Reserves policy

At 31 December 2023, the charity's financial position is approximately the same as the previous year with total reserves just above of £1.9 million. Our two professional fund managers collectively increased the market value by 3.7%. Our current working capital is in excess of twenty-four months' expenditure without any income, based upon the historically "normal" expenditure trend.

It is the intention of the Trustees that, with the exception of the J. F. Mortimer Legacy Fund, charitable donations will in each year equate to income receipts and that the current reserves will not increase materially, subject to fluctuations in the value of the investment portfolio.

By his will, the late John Frederick Mortimer bequeathed the residue of his estate on trust for such charities (Masonic or non-Masonic) as shall be selected by The Provincial Grand Master for Nottinghamshire. The Provincial Grand Master at the time directed that the residue of the estate, in the sum of £980,313, be added to the Reserves of this Charity and that the interest arising be distributed annually. It is also his wish that capital payments may be made from the residue as directed by the Provincial Grand Master from time to time

c. Principal risks and uncertainties

The trustees are responsible for the management of the risks faced by the charity. The only significant risk is associated with the stock exchange investments and these are managed on a discretionary basis by professional fund managers. Their performance is continually reviewed by the finance officer.

Structure, governance and management

a. Constitution

Provincial Grand Lodge of Nottinghamshire Charity Committee is a registered charity, number 226943, and is constituted under a trust deed.

b. Methods of appointment or election of trustees

The management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the trust deed.

Members of the committee are elected by the members of the Province of Nottinghamshire. The Charity committee appoints a Case and Finance sub-committee to deal with day to day matters. A chief finance officer is appointed by the members of the province by virtue of his election as Treasurer for the Province and he oversees the control and recording of financial transactions.

Structure, governance and management (continued)

c. Organisational structure and decision-making policies

The charity is governed by by-laws filed with the Charity Commission. It is an unincorporated association. The charity is controlled by five trustees and operates by delegating authority to a charity committee. The chair of the trustees is the Provincial Grand Master for the time being who is appointed by the Grand Master of the United Grand Lodge of England, the ruling body of the Masonic Organisation in England. The other trustees are appointed by virtue of their roles within the Province- a matter under the control of the Provincial Grand Master.

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2023**

**Independent examiners' report to the trustees of Provincial Grand Lodge of Nottinghamshire
Charity Committee ('the charity')**

We report to the charity trustees on our examination of the accounts of the charity for the year ended 31 December 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

We report in respect of our examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out our examination we have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiners' statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

We have completed our examination. We confirm that no matters have come to our attention in connection with the examination giving us cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an independent examiners' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our work or for this report.

PROVINCIAL GRAND LODGE OF NOTTINGHAMSHIRE CHARITY COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Provincial Grand Lodge of Nottinghamshire Charity Committee meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure. Any restricted grants received but unpaid at the yearend are carried forward to the succeeding year.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

1. Accounting policies (continued)

1.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.5 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the statement of financial activities.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

1.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.10 Fund accounting

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
