## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The general objects of the order are religious and charitable, and specifically are for the general charitable purpose in connection with the Roman Catholic religion and to provide its members to enable them to work among the poor in a medical, educational, or social capacity.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The trustees have considered the Charity Commission's guidance on public benefit and in particular, the specific guidance on charities for the advancement of religion. In particular, the trustees try to enable ordinary people to live out their faith as part of the local community through:

- Worship and prayer.
- Provision of pastoral care for people living in the local community.
- Missionary, inter-faith and outreach work.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grant making.
- policy programme related investment.
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

Thankfully this year we were able to resume much of our normal activity in person following the cessation of lockdowns and restrictions.

Apart from our “bread and butter” work of visiting the sick and housebound to care for their spiritual needs – a service very much welcomed by those who had been isolated for so very long, we made provision for those who live locally to join us in our chapel for prayer at regular times. One of our Sisters works in a local Care Home for the elderly and is therefore very much in touch with local people which is important for us in terms of our mission to help weave the fabric of our society. In the same vein, we celebrated Eid and Diwali with our neighbours.

We continued our Chaplaincy work in both a Secondary College and in collaboration with the Centre for Theology and Community, interviewing possible candidates for our internships, leading retreats for Interns, participating in Leadership Training Programmes and meeting with an important number of people in one-to-one sessions for either Counselling or Spiritual development.

This work also entailed sessions with Pentecostal Churches and Prisons as well as attendance at Citizens Assemblies in keeping with the Social Teaching of the Church. One of our members is also a Trustee on their Board.

Due to the pandemic when many lost their jobs or found themselves in situations of bereavement, a fair amount of our time was spent in meeting with these people, counselling and encouraging them in whatever way we could. Fortunately, it was possible to continue with the use of our garden which provided safe spaces when needed

We ran ad hoc Days of Recollection for our Associates, Young Adults and for Confirmation Programmes when requested.

In terms of our own members, we had a young woman who joined us this year for initial training as a Sister and a great deal of time was naturally invested in this (which entailed travelling to France sometimes on a monthly basis for specialist training sessions). One of our members also travelled to the Dem.Rep. Of Congo where she visited several of our communities, some of which we support financially. On her return she unfortunately had to be quarantined in a hotel for a 10 day period. We continue with the care of one of our elderly members who suffers from Alzheimers.

At a Diocesan level, we continued our work as Vicar for Religious for the Diocese of Brentwood, organising gatherings with the Bishop, participated in the Bishops Council and were named as a Committee member to set up junior choirs in local Catholic Schools linking them with their Parish communities.

We were happy with what we accomplished on the whole although we did not find it possible to continue with the Garden Parties where we usually try to generate finance to help our Orphanage in Congo.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The care of our elderly members remains a priority together with training of young women who join our Missionary Institute. This demands an important investment in both time and finance and sufficient reserves are held for this purpose.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
