Dear Sirs,

**Matters arising during the course of our work for the year ended
31st December 2024.**

In accordance with our normal practice, we would like to point out that as far as we are concerned, there are no material matters which we feel need to be brought to the attention of the trustees in respect of any weaknesses found in your systems during our recent work for the year ended 31st December 2024.

We would like to take this opportunity of thanking you for all the co – operation given to us during the course of our work.

Yours faithfully,

Vanbrugh and Tempest Almshouse Charity Trust

Accounts for the year ended 31 December 2024

Trustees Annual Report

Legal and Administrative information

The Trust was set up under the Charities Act 1960 and complies with the requirements detailed in the sealed letter from the Charity Commission dated 15th February 1967, for the Charity set up by The Charity Commissioners on 29th April 1902 to provide suitable accommodation for appointed almspersons.

Vanbrugh and Tempest Almshouse Charity Trust is a Registered Social Housing Provider and as such is subject to the Housing Act 2004 and the Accounting Direction for private registered providers of social housing 2022.

During the year, the following served as Trustee's :

Chairman	Rev. A Housley
Administrator	Mr A Southern (to 30/06/24) then Mr A Thompson (from 01/07/24)
Other Trustees	Mrs M Brook Mr P Fogden Mr P Moss Mrs B Moss Mrs M Ellams Mrs P O'Brien

The trustees have established a system of internal control which is appropriate for the size and nature of the organisation. The trustees consider that the systems were adequate and effective during the year.

The trustees have undertaken an assessment of the charity's compliance with the Governance and Financial Viability Standard.

The Trustee's met during the year, and the following decisions were made:

The Trustees agreed the annual statistical return to Homes England and also signed the accounts prepared by Collins & Co.

They arranged for repairs to various areas of the site as required.

Finance

There was a deficit of £3,589 (2023 Surplus: £6,161) for the year. This is mainly due to an increase in operating expenditure, notably payments for gas and the refurbishment of Flat No 3. We also received a generous donation of £400 and introduced a monthly service charge to tenants. The trust remains in a strong financial position. A transfer was unable to be made to the Building Fund in May 2024, (2023: £10,000).

The trustees are comfortable with the reserves held and the spread of funds between NAACIF and the Royal Bank of Scotland.

Expenditure will continue to be carefully monitored and rents and service charges will be reviewed to ensure the Trust has a stable financial basis.

All rents are paid by standing order.

Health and Safety

British Engineering Services carry out an Electrical Installation Condition inspection on a 5-year cycle. The last such inspection took place on 11/01/2023.

No loose cash is kept by the Trust on any of its premises.

Reserves Policy

Reserves for emergencies and maintenance are adequate. The funds are held in current accounts with the Royal Bank of Scotland and other reserves in NAACIF investments. This is considered to be the most appropriate and safe spread.

Public Benefit Statement

When planning our activities for the year, the trustees gave consideration to the Charity Commission's guidance on public benefit and, in particular, the specific guidance to charities concerned with the relief of those in need, by reason of youth, age, ill health, disability, financial hardship or other disadvantage.

Statement of Trustees' responsibilities

Legislation requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the Registered Social Housing Provider (RSHP) and of the surplus or deficit of the RSHP for that period. In preparing these financial statements the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the RSHP will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the RSHP and to enable them to ensure that the financial statements comply with the Housing Act 2004, and the Accounting Direction for private registered providers of social housing 2022. They are also responsible for safeguarding the assets of the RSHP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Reporting Accountants' Report on the Unaudited Accounts to the trustees of the Vanbrugh and Tempest Almshouse Charity Trust

This report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 4 to 9 is in respect of a report carried out under section 138 of the Housing and Regeneration Act 2008 ("the 2008 Act").

Respective Responsibilities of the Trustees and the Reporting Accountant.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for the year under section 136(3) of the Housing and Regeneration Act 2008 and that an accountant's report is required by a "reporting accountant".

It is my responsibility to report on the accounts in accordance with section 138 of the 2008 Act and to state if I have failed to obtain all the information and explanations which I feel are necessary for the purpose of preparing the report.

Basis of the Reporting Accountant's Report

The examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Reporting Accountant's Statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the accounts are not in accordance with the accounting records kept under section 135(2)(a) of the 2008 Act.

On the basis of the information in the accounting records:

- (a) the accounts comply with the requirements of the Charities Act 2011;
- (b) section 136(3) of the 2008 Act applies in respect of these accounts.

Notes to the accounts
for the year ended 31 December 2024

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention modified when necessary to include the valuation of investments, the Accounting Direction for private registered providers of social housing 2022 and in accordance with the Statement of Recommended Practice for Registered Social Housing Providers (SORP 2014).

1.2. Social Housing Grants

Social Housing Grants were made by the Housing Corporation and were utilised to reduce the cost of the development and are therefore shown as a deduction from the cost of the housing properties on the Balance Sheet. Where Social Housing Grants are received to cover expenditure incurred by the Trust, it is credited to the Income and Expenditure Account in the period in which it is received.

Social Housing Grants are repayable in certain circumstances, however, for the foreseeable future, the social landlord will continue to use the properties for the purpose intended (provision of rented accommodation) and there is, therefore, no expectation of Social Housing Grant repayment.

1.3. Housing Properties

These are stated at cost and all invoices and architects certificates relating to capital expenditure incurred in the year are included in the financial statements for the year, provided the dates of issue or valuation are prior to the year end.

1.4. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each asset over its expected useful life, as follows:

Freehold buildings - Straight Line over fifty years

1.5. Extraordinary Repairs

The costs of extraordinary repairs, unless representing improvements to the property, are charged to the revenue account in the year in which it is incurred.

A designated extraordinary repair fund is maintained in order to set aside sufficient funds from general funds specifically for any extraordinary repairs that may occur in the year. These funds are invested separately with the NAACIF.

1.6. Recoupment Reserve

This is a designated fund and represents amounts set aside to carry out rebuilding work to the properties should the need arise. These funds are invested separately with the NAACIF.

1.7. Investments

Realised gains or losses are recognised when the investments are sold. Unrealised gains or losses are accounted for on revaluation of investments at 31st December and credited or debited to an Investment Revaluation Reserve.
