TRUSTEES' REPORT

The accounts have been prepared in accordance with the requirements of the Charities Act 2011, the Statement of Recommended Practice "Accounting and Reporting by Charities" SORP (FRS 102) second edition effective 1 January 2019 and the Charity's governing document.

On 29 February 2008, the School operating activities and the assets (excluding property) of the Religious of the Sacred Heart of Mary (RSHM), Marymount International (Charity number 228365) were transferred to Marymount International School (Company number 5325717 and registered Charity number 1117786). The Incorporated Trustees of the Religious of the Sacred Heart of Mary (Charity number 228365) also donated 20% of the value of the School premises to Marymount International School; no reduction in the holding value of property has been included in these accounts as the premises are still owned by RSHM. On 12 May 2008, Incorporated Trustees of the Religious of the Sacred Heart of Mary contracted to lease the School premises to Marymount International School on a 99 year lease. From May 2008 to May 2018 rental commitments were peppercorn rent and in May 2018 the school started paying rent at £200,000 per annum.

This Charity continues to hold legal title to the property but no longer trades as Marymount International School. Following the transfer of undertaking of the School to the new company and charity, Marymount International School (registered charity number 1117786; registered company number 5325717), this Charity continues to support the School by being involved in the advancement of religious and other charitable work, both within the school and worldwide.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Board of Trustees

The Board of Trustees is responsible for determining the overall conduct of the Charity.

Status and Administration

Marymount International School, Kingston, is conducted by the Religious of the Sacred Heart of Mary, a congregation founded in 1849 in Beziers, France by the Reverend Jean Antoine Gailhac and Mother St Jean Cure. The School is under the specific jurisdiction of the Eastern American Province of the Religious of the Sacred Heart of Mary which maintains its Provincial Office in New York, U.S.A.

Prior to 1 March 2008, the School was registered as a Charity in England & Wales (number 228365) under the name of the "Institute of the Religious of the Sacred Heart of Mary Immaculate Virgin" and operated under the name of Marymount International School (Marymount).

On 29 February 2008, the business of the School and its assets (excluding property) and liabilities were transferred as a gift to Marymount International School, a registered Company limited by guarantee (number 5325717) and registered Charity (number 1117786), both registered in England & Wales. The ownership of the School site is retained by the Religious of the Sacred Heart of Mary with the Board of Governors being the Directors of the new Company and Trustees of the new Charity, responsible for the strategic oversight of the School's operations.

Recruitment and training of Trustees

The Trustees have due regard to the skills required to manage the asset held by the charity and its activities. They will appoint new Trustees to fill any identified skills gaps. Appropriate training and induction would be provided to any new Trustee.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that there are systems in place to mitigate exposure to such risks.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

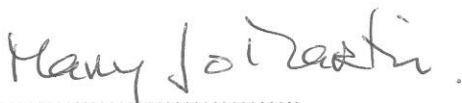

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE RELIGIOUS OF THE SACRED HEART OF MARY IMMACULATE VIRGIN, EAP

I report to the Trustees on my examination of the accounts of The Religious of the Sacred Heart of Mary Immaculate Virgin, EAP for the year ended 31 August 2020 which are set out on pages 7 to 13.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act"). The trustees are satisfied that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and have chosen instead to have an independent examination.

I report in respect of my examination of the Trust's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the requirements of the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's income is in excess of £250,000, your examiner must be a member of a body listed in the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a registered member of the ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS

1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Practice applicable in the UK and Republic of Ireland (FRS 102) second edition effective 1 January 2019.

The functional currency of the Charity is considered to be GBP because that is the currency of the primary economic environment in which the Charity operates.

The Charity is a Public Benefit Entity registered as a charity in England and Wales charity number: 228365.

a) Basis of preparation

The accounts are prepared under the historical cost convention.

b) Going concern

The Trustees have a reasonable expectation that the Charity has adequate resources to continue its activities for the foreseeable future and consider that there were no material uncertainties over the Charity's financial viability. Accordingly, they also continue to adopt the going concern basis in preparing the financial statements as outlined in the Statement Trustees' Responsibilities on page 5.

c) Critical accounting judgements and key sources of estimation uncertainty

In the application of the accounting policies, Trustees are required to make judgement, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods. The key estimate in the charity's financial statements is depreciation, which is based on an estimation of each asset's useful economic life.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

d) Tangible fixed assets

Fixed assets are stated at cost or deemed cost less accumulated depreciation and impairment losses.

Depreciation is calculated by the following methods at the following rates:-

Building improvements	10% pa straight line
Science and Sports Centres, Our Lady's Hall and St Joseph's Hall	2% pa straight line

e) Debtors

Rent receivable is measured at transaction price.

f) Cash at bank and in hand

Cash is made of solely cash at bank.

NOTES TO THE ACCOUNTS (Continued)

g) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount.

h) Funds

Unrestricted general funds are funds which can be used in accordance with the charitable objects at the discretion of the Trustees.

i) Income recognition

All income is recognised once the charity has entitlement to income, it is probable that income will be received and the amount of income receivable can be measured reliably.

j) Expenditure recognition

Expenditure consists of grants, premises support and financing costs, which are allocated areas of activity in line with the level of direct costs for each area of activity.

Grants payable are accounted for when either the recipient has a reasonable expectation that they will receive the grant or the Trustees have agreed to pay the grant without condition.
