Objectives, achievements and financial review

The objective of the Charity is to provide accommodation and shelter to persons of limited means and normally resident within the area. The priority is for those living in the portion of the parish which then lay to the east of the Great Eastern and Great Northern joint railway. The Trustees manage four cottages as required and discharge any associated expenses.

During the year ended 31 December 2023, all four cottages were let to individuals for a majority of the year and all land was let to tenants to provide income for the cottages upkeep. The individuals were required to pay a weekly maintenance contribution, which allowed the Trustees to maintain and improve the properties for existing and future tenants.

As at 31 December 2023, the current account balance amounted to £109,383

Public benefit

The trustees consider that the objectives and activities of the charity are in accordance with the Charity Commissions' general guidance on public benefit. The objectives and activities of the charity during the year which demonstrate this are given in the objectives, achievements and financial review section above.

Trustees' Annual Report (continued)

for the year ended 31 December 2023

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular these related to the management of its investments and finances and are satisfied that the systems in place sufficiently manage its exposure to these threats. The trustees have also developed strong working relationships with assisting bodies who are able to provide professional advice when required.

Going concern

At the time of writing, the trustees are of the opinion that there is nothing to negatively effect the going concern status of the charity and that there are sufficient reserves to protect the beneficiaries.

Glynn Waltham, Chairman

On behalf of the Trustees.
