INDEPENDENT FINANCIAL EXAMINER'S REPORT

To the Trustees of

Kingscote
228563

WI

Charity number (if registered)

I report on the Receipts and Payments Accounts set out on the attached Financial Statement pages 1-3 for the above named WI for the year ended

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent Examiner's Statement

In connection with my examination no matter has come to my attention, (other than disclosed below*):

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with Section 130 of the Charities Act 2011; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

- A trustee, or custodian trustee, of the charity
- A related party of a trustee or custodian trustee

- The donor of any land to the charity
- The charity's bookkeeper

It is recommended that you use your federation's IFE scheme if they operate one; the federation will allocate an independent examiner. by Cash

consider whether you need to make payments by cash or whether you can make all payments by cheque or BACS. If you do need to

receipts and payments accounts will be kept for the hall. If this is the case then the total receipts and payments should be transferred and receipts relating to the hall should be recorded in the account book under the columns for 'Other income' and 'Other payments.'

Print Book format

delete all rows for receipts and payments, or you may want to change/add columns. Only consider doing this if you are a competent Excel user. Make a back-up of the file, then remove the workbook protection. How this is done will differ for all types of Excel, but you can Google to check that the SUM formula in the totals line of the Receipts and Payment sheets includes all the rows. It is recommended that you re-instate the protection.

Under each column heading

enter a heading that you think is most appropriate and make sure you use this consistently.

Notes on your bank statements.

Receipt number may be used as a receipt number.

Income received at meetings that does not come under another heading, e.g. refreshments, raffle, any commission from the WI share of the subscription only. State in the description column whether full-rate, pro-rata or dual membership.

which is used to pay small expenses, e.g. reimbursing members for tea, coffee, stamps, etc. The WI Committee should set a limit for how much to have a petty cash system. If your WI does not wish to do so you may simply account for all your income and expenditure within your larger amount of cash at hand this will need to be done through a petty cash system in order to be reconciled for the Account Book. Have a separate petty cash box and a record should be kept in a Petty Cash Book. Only the treasurer should operate the petty cash system. Cash should be drawn from the bank. Petty cash should not be taken from other cash receipts which should be paid in full into the bank.

the imprest system:

Decide the appropriate maximum amount to be held as the petty cash float, say £40.

When petty cash looks likely to run out, the total should be topped up again to the agreed maximum. E.g.

Withdraw £40 from the bank, e.g. by cashing a cheque. Enter a payment of £40 in the Account Book Payments sheet, in the box B1.4.

When expenses are paid from petty cash, record the payment in the Petty Cash Book and obtain a signature in the book.

When you need to draw more petty cash, add up the amount spent since the last top-up. The total should equal the amount in the Petty Cash Book.

Withdraw this amount and enter as a receipt in the Petty Cash Book. In the Account Book, enter the expenditure in the Payments sheet. At the year end, draw the amount needed to make up the petty cash to the agreed maximum. Enter the petty cash balance in the box B1.4 since the last time the petty cash was topped up plus the amount in the petty cash box should add up to the agreed maximum amount.

the imprest system

Draw cash from the bank each time the petty cash balance has run down. Each time you withdraw cash, enter as a receipt in the Petty Cash Book. When you use petty cash, record in the Petty Cash Book as in step 2 above. However no breakdown of expenditure will be recorded in the Account Book. Enter payments from petty cash into the relevant Account Book headings and enter these at row 250 of the Payments sheet so that these are included in the box B1.4 of the Financial Statement, 'Petty cash in hand'.

When cash is drawn from petty cash into the bank, show this as a debit entry in the Petty Cash Book and enter the amount in the Account Book Receipts sheet.
