Structure, Governance and Management

The Charity is governed by the Constitution and regulations dated December 1964 as amended 11 April 1979, 12 March 1991, 17 March 1998 and 15 November 2007.

Trustees are appointed and removed by the Joint Executive Committee (or any equivalent successor body). There were eleven meetings of the Trustees in 2021.

Objectives and activities

The objects of the Charity are:

- A. To provide benefits to members or employees or ex-employees of Unite the Union or any successor union (hereinafter referred to as 'the Union') or their dependents, who may be in distressed circumstances.
- B. To consider applications from the public whether members of the Union or not, at the discretion of the Fund.
- C. To make monetary grants or donations or render other assistance to any institution or association which can also render benefits of assistance to distressed persons as more specifically referred to in clauses A or B above.

The main activity in relation to these objects is the payment of grants to beneficiaries.

Public benefit

The Trustees have given due regard to public benefit when planning the charity's activities, in accordance with the Charity Commission's Guidance on Public Benefit.

The paragraphs on page 1 set out our activities, achievements and performance during the year, which are directly related to the objects and purposes for which the charity exists. The charity achieves its principal objects and purposes through providing financial help for people connected to Unite the Union who may be in distressed circumstances. These benefits are directly related to the aims of the charity and are fully compliant with the Charity Commission Guidance on Public Benefit.

Applicants

The number of applications has reduced between 2020 (512) and 2021 (561).

Financial review

Income to the Fund is derived from the Union's Lottery and the charity's investments supplemented by a small number of ad hoc donations. Receipts for the year totalled £228,175 (2020: £206,750) including £65,427 (2020: £56,979) in lottery donations.

Payments totalled £202,143 (2020: £235,791) of which £90,145 (2020: £146,554) was paid out in grants to beneficiaries and £105,075 (2020: £80,181) related to purchase of assets retained for investment purposes. Net receipts were £26,032 (2020: net payments (£29,041)).

The restricted funds balance of £54,657 is in respect of the Jack Laity bequest to the UNIFI Branch Bristol & Avon for the benefit of their members. UNIFI used this money to establish the Pauline Oritz Fund and spent £21k of the original bequest. The balance was held by AMICUS for seven years and was finally transferred into this charity in early 2012.

The Trustees are monitoring closely the impact that Covid 19 will have on the charity's dividend income and believe the short to medium term impact on liquidity will not affect the ability of the charity to fulfil its aims and commitments.'

Reserves

The Funds' Trustees are of the opinion that uncommitted reserves should be kept to a minimum. However, though the Benevolent Fund is anxious to fulfil this, it is still mindful to distribute all monies received only to the most deserving applicants.
