Introduction – About Us

Who We Are

The Congregation of the Sisters of Nazareth, UK Region is one Region of the worldwide Congregation. In this Region we have 12 sites which provide care for the elderly and young children. There are 57 Sisters who are spread across 10 communities.

Our Vision

To continue to provide care that promotes health and quality of life for all in our care and services to the local community where possible.

Our Mission

To promote and deliver with Nazareth Care quality caring services based on the compassion of Christ and in line with our Mission statement.

Our Aims and Objectives

- To provide evidence based, client focussed care.
- To provide sound governance and management, using a consultative approach with residents, staff, and stakeholders and to identify future directions.
- To actively seek out and work with other groups, individuals, and local communities to promote our mission.
- To make space for reinventing and the emergence of the new in the care environment.
- To protect and strengthen our patrimony, heritage, charism, mission and values.

Our Philosophy

- We believe that, following the example of Jesus as leader, we are committed to serving others.
- We believe that, as followers of Christ, we imitate his love and compassion, when we show hospitality.
- We believe in the dignity and sacredness of each person and that this leads to respect, justice and patience for all.
- We believe we hold in trust the mission given to us by the Church.
- We believe in respecting the integrity of creation.

Our Values

Our core values are based on Scripture, the heritage and tradition of the Sisters of Nazareth. All who are associated with the work of Nazareth are expected to demonstrate a commitment to these values:

- **Love** – Unselfish concern for the good of others, shown through patience, kindness, trust, hope, endurance, truth and a strong affection.

"Let your love for each other be real and from the heart". [Peter 1:22](#)

- **Compassion** – Being open and attentive to the whole person, spiritually, physically and emotionally, showing empathy for the suffering of others and trying to relieve that suffering.

"Be compassionate as your heavenly Father is compassionate". [Luke 6:36](#)

- **Respect** – Holding the unique dignity of each person, in high esteem and with special consideration, showing thoughtfulness, courtesy and care.
“As often as you did it to one of these you did it to me”. [Matt 25:40](#)
- **Justice** – Upholding what is fair, decent and right, appreciating each person, respecting each in a balanced and fair manner.
“Blessed are those who hunger and thirst for they shall be satisfied”. [Matt 5:6](#)
- **Hospitality** – Welcoming and receiving all into a warm, friendly and open atmosphere.
“I was a stranger and you welcomed me in”. [Matt 25:37](#)
- **Patience** – Persevering calmly and with understanding and endurance.
“Blessed are the gentle for they shall possess the earth”. [Matt 5.5](#)

Our Heritage

*Victoire Larmenier Foundress of
Sisters of Nazareth 1827-1878*

The Congregation of the Sisters of Nazareth ("the Congregation") is an international Roman Catholic Religious Congregation. It was founded in Hammersmith, England in 1851 by Victoire Larmenier, where its Generalate (governing body) is still located. It is divided into five Regions across the world: American, Australasian, Ireland, South African and United Kingdom (UK Region).

Victoire and 5 companions came to London in April 1851 at a time when England was predominantly Protestant and Catholics for the most part were in a state of extreme poverty and everywhere the aged Catholic poor were forced to seek shelter in workhouses.

Their first house was in Brook Green and the first resident was received on 14 April 1851. From there the Sisters collected alms and food around London in order to care for the old and young who they took into their Home. As the numbers cared for grew each year, the need for larger and more suitable premises became urgent. In 1856 land was bought at Hammersmith for the sum of 3,000 guineas, most of which was donated by generous benefactors.

On 9 October 1857 the first old people and children were moved into the new building which was named Nazareth House. From our beginnings there we spread around the world. Most of the work of the Congregation takes place within "Nazareth Houses" which are substantial buildings operated mainly as care homes for older people. The Congregation owned 37 such houses across its Regions on 31 March 2023. The operation of the care homes is the responsibility of Nazareth Care Charitable Trust (herein known as "NCCT"). In addition, NCCT through subsidiary entities (collectively known as Nazareth Care) has developed three retirement villages in the UK, catering for older people who are looking for support while maintaining an independent lifestyle. They also operate one Day Nursery for young children and work with other religious orders supporting them to care for their older Sisters.

The legacy of our heritage continues today through our partnership with Nazareth Care carrying on our commitment to providing nursing and residential care, reaching out across communities to support the people in our care, regardless of their socioeconomic, ethnic, religious or spiritual background.

The accounts accompanying this report are those of The Congregation of the Sisters of Nazareth Charitable Trust which holds certain of the assets of the Congregation in England, Wales, Scotland and Northern Ireland and which is now responsible for the care of the Sisters in the UK region and for supporting and enabling the individual ministry of those Sisters.

Mission Statement of the Sisters of Nazareth

“We, the Sisters of Nazareth, aim to share the love of God through our ministries of care and education and our openness to respond to the needs of the times.”

“Whatsoever you do to the least of my people you do to me.”

Words of Jesus Christ (1 Matt 25:40)

Message From The Regional Superior

The Regional Superiors and CEOs from Africa, America, Australia, Ireland, and the United Kingdom met with our General Council for our Global conference in America in March 2023. It was our first face to face meeting since the covid 19 pandemic. While still taking precautions, we have returned to normality again. It is wonderful to see children from local schools and nurseries visit our Care Homes again and interacting so well with the residents.

The Apartment block in Glasgow has seen new occupiers over the past year and there is a beautiful Community spirit among all living there. There are a few more people waiting to move in too.

We were delighted to welcome two Sisters from the Australasian region to join our UK region. They are a great asset to our region. We are also very pleased to have appointed Sister Faustina Sua as our new Vocation promoter for the region in May of this year. Sister comes with good experience from her time working in Australia as a vocation link Sister, and we wish her every blessing in her new role. She, and our novices have recently attended the Youth 2000 Festival at Ampleforth which was a great success.

After much discussion and planning, a major refurbishment project has commenced at Hammersmith, our Mother House. This is a four-year project as our aim is to cause minimal disruption to all who live and work there.

We are privileged to have our Heritage Centre within the UK region. Many staff from our Sister Charity have had the opportunity to, not only watch our heritage video, but to visit the centre in person. It provides much insight into the early years of our Congregation.

The Sisters are delighted to have been able to support Nazareth Care in recruiting care staff from India. To date, we have been able to provide accommodation for 50 staff. The Sisters are also delighted to have them join us in prayer and for Mass. We are expecting more to arrive in the coming months. It is wonderful to see the beautiful newly built wing at our Birkenhead location fully occupied with Residents.

We are very aware of the importance of protecting our planet are looking forward to working closely with our Sister Charity in the coming year to further our work in protecting our environment.

Sister Doreen Cunningham
Regional Superior

Yearly review

The main achievements of the Charity during the 2022/23 year include:

1. The delivery of the Heritage Programme throughout the region.
2. Supporting the sister charity including assisting with the recruitment of care staff as well as financially.
3. Commencement of a major refurbishment project in Hammersmith, which is also our Mother House.
4. The Sale of eight apartments and further apartments going through sales at time of report.
5. Newly refurbished wing at Birkenhead location is fully occupied.

The delivery of the Heritage Programme throughout the region.

Two Sisters travelled around the region delivering the Heritage programme and talking of our Core Values to Sisters and Staff at all our locations. Many Sisters and some staff have also had the opportunity to visit the Heritage Centre in Hammersmith.

Overseas Staff

Each Community assisted Nazareth Care in providing accommodation for their overseas staff. We have to date been able to accommodate 50 Staff. They were seen as a blessing to our homes and it was lovely to see many of them gradually bring members of their families over too.

Hammersmith Refurbishment

After some years of discussing and planning the new refurbishment project at Hammersmith we are delighted to see it actually start this year. The Residents, Sisters and Staff are being kept closely informed as the phases are managed. We are most grateful to all for their patience and cooperation during this time.

Sale of Apartments at Glasgow

After a relatively slow start, including the covid 19 pandemic, we are very pleased to see the apartments being occupied and more going through sales.

Birkenhead New wing

It is lovely to see a vibrant Community of residents living in the new wing at Birkenhead.

Challenges

The Congregation's main challenge into the future is the age, health and numbers of sisters. We currently have 58 Sisters in the region divided into 10 Communities. It is hoped that we will be able to take more young people from other regions going forward.

Future Plans

1. To get more involved with our Sister Charity in protecting our climate for the future.

- Recycling is encouraged throughout the Region. Clothing recycling bins have been put in place. Staff are encouraged to bring in good quality items they no longer need. Other staff can take as they need, such as toys, children's clothing and other items such as unwanted gifts.
 - The congregation has been very active in enhancing our gardens. Planting of various flowers and trees has taken place. Two of our houses have provided areas for local beekeepers to accommodate beehives.
 - Our Sister Charity, Nazareth Care Charitable Trust realise that the sisters are committed to becoming more environmentally aware and that we all want to change behaviour and lifestyle to reduce the amount of pollution and waste we generate.
 - Nazareth Care has encouraged staff to share items within Nazareth. Houses can share what they need or no longer need so this can be re-purposed across the UK.
2. To establish an ongoing delivery and review of the Heritage programme and our Core Values throughout the region.
 3. As some of our buildings are quite aged, we will be having a strategic review undertaken of all our properties. We are very much looking forward to the suggestions/ advice on how we can make our buildings more comfortable and effective in the coming years within this challenging care environment.

Trustees' Report

31 March 2023

The Trustees present the report and accounts for the year ended 31 March 2023 of the Congregation of the Sisters of Nazareth Charitable Trust ("the Charity"), which operates throughout the United Kingdom (UK).

The accounts have been prepared in accordance with the accounting policies set out on pages 25 – 29 of the attached accounts. They comply with the Charity's Trust Deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), effective from accounting periods commencing 1 January 2015 or later.

Assessment of going concern

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The Trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

With regard to the full period of review, December 2024, our planning processes, including financial forecasts, cash flow forecasts, and scenario planning take into consideration the current economic climate and its potential impact on the various sources of income and planned expenditure.

The Trustees of the Charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees are of the opinion that the Charity will have sufficient resources to meet its liabilities as they fall due. Accordingly, the Trustees consider it appropriate to prepare the financial statements on a going concern basis.

Management and Trustees

Governance

The worldwide Congregation is governed by the Superior General and her General Council, who together with supporting staff, are referred to as 'the Generalate'. They are elected by the Congregation's General Chapter which meets in session every six years: the 26th such Chapter took place in June 2018. Those elected may only serve a maximum of two consecutive 6 year terms in the same office.

In the UK, the Congregation was incorporated under the name of 'The Congregation of the Sisters of Nazareth Charitable Trust' by order of the Charity Commission on 7 October 2005, (Charity Registration Numbers: 228906 (in England and Wales) and SCO40507 (in Scotland)).

The Charity is governed by a Deed of Trust dated 16 January 2005.

The Superior General appoints the Trustees of the Charity. As all Trustees are Sisters, they have a detailed knowledge of the work and structure of the Charity.

Following their appointment, new Trustees work for a time alongside existing Trustees. They also meet with the Charity's senior staff and its legal, accounting, investment and property advisers to obtain a full brief on their responsibilities and to fully acquaint them on the Charity's position.

Details of the Trustees who were in office during the year or at the date on which this report was signed are set out below:

Current Trustees of the Charity

Sister Doreen Cunningham – Chair (from 7 October 2019)

'Sister Doreen Marie trained as a Registered Nurse in Liverpool and has a degree in Health and Social Care. She also completed a Postgraduate Diploma in leadership and management at Loughborough University. She has worked in a number of our homes in the UK. From 2018 until October 2019, she held the position of Chief Nursing Officer for Nazareth Care Charitable Trust, UK Region. In July 2019 she was appointed to take position as UK Regional Superior and Chair of the Charity effective from October 2019.

Sister Teresa Bernadette Fallon

Sister Teresa trained as a Registered General Nurse at Southampton University Hospital in the 1970s and has worked as a care home manager at several Nazareth Houses in the United Kingdom, Northern Ireland and Australia. She has completed courses on Social Work Management, Health Education and Continuing Care of the Dying Patient and Family. She was appointed Superior at Nazareth House Cheltenham in 2006 and became a Regional Councillor for the UK Region in November 2012 and reappointed in 2019 and again in 2022. She was appointed Superior to Nazareth House Cardiff in October 2013 to October 2019 and then appointed as Superior to Nazareth House Finchley in 2019.

Sister Madeleine Merriman

Sister Madeleine Carmel Merriman has completed a Postgraduate Diploma in Leadership and Management at Loughborough University. She has worked as a Child Care Manager in several houses in the UK and served on a board of school governors for 10 years. Sister completed a Diploma in Counselling at the University of Lancaster. She was appointed as Superior at Nazareth House Northampton in 2009, at Crosby in 2013, and at Southend in 2016 until it closed in April 2020. She was appointed Superior in Cardiff in May 2020. She was appointed Regional Councillor in 2014 for the UK Region and reappointed in 2019. She stepped down on 17th October 2022. The board is most grateful to Sister Madeleine for her hard work throughout her terms as trustee.

Sister Celine Marie Donnelly

Sister Celine Marie Donnelly trained as a Registered Nurse in London. She worked as a Nurse and Registered Manager in our various homes. She completed a Postgraduate Diploma in Leadership and Management at Loughborough University. She has been in the role of Local Superior in our Lancaster and Cheltenham houses and is currently superior in our Hammersmith House. She was appointed Regional Councillor to the UK region on 17th October 2022.

Key management personnel

The Trustees consider that they together with the Chief Executive Officer and the senior management team comprise the key management of the Charity in charge of directing and controlling, running, and operating the Charity on a day to day basis.

All Trustees are members of the Congregation and whilst their living and personal expenses are borne by the Charity, they receive no remuneration or reimbursement of expenses in connection with their duties as Trustees.

The pay of the Chief Executive Officer and senior management team is reviewed annually.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales/Scotland/Northern Ireland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgments on estimates that are reasonable and prudent.

- State whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011.

Structure and Management Reporting in the UK

The Congregation in the UK (England, Wales, Scotland and Northern Ireland) comprises of 10 communities of Sisters each of which is the responsibility of the Regional Superior and her Council. Throughout the year there is regular contact and communication between each of the communities and the Regional team.

Since April 2012, care homes and nurseries in the UK have been managed by Nazareth Care Charitable Trust, operating under the auspices of the Congregation of the Sisters of Nazareth UK Region. The UK regional office is based in the grounds of Nazareth House Finchley, in North London.

The Charity's Trustees continue to be supported by the senior management team of Nazareth Care Charitable Trust which acts in an advisory capacity to the board and assists in the review of the Congregation's business focus. When necessary, the Trustees seek advice and support from the Charity's professional advisers, including property consultants, solicitors, and accountants.

Fundraising

The Trust is committed to high standards in fundraising. We are registered with the Fundraising Regulator and continue to monitor and update our data protection policies to make sure that our fundraising activities and communications with our Friends and supporters comply fully with the latest regulations.

Our fundraising materials and communications clearly highlight that:

- The Trust does not make public or sell supporter details to any third parties.
- Friends and supporters have the opportunity to receive updates about the Trust's work by post and email, but anyone wishing to opt out can let the Trust know and such communication will then not be sent.
- The Trust does not employ a professional fundraiser or commercial participator to carry out any fundraising activities.
- The Trust is not subscribed to any fundraising standards or schemes and has not failed to comply with any regulation subscribed to in relation to fundraising; and
- The Charity has not received any complaints about its fundraising activities.

We ensure that our fundraisers receive relevant training and have access to coaching. We treat all donors with dignity and compassion.

Risk management

Three key risks faced by the Charity

The Trustees have identified and considered the key risks which the charity might be exposed to, and which are captured in the risk register. At Trustee and Regional Council meetings, the latest risk landscape is discussed to ensure that as far as possible all reasonable steps have been taken to identify, mitigate and manage known and emerging risks.

Below are three key risks faced by the Charity

1. Historical allegations and public inquiries

There is a risk of reputational damage to the Sisters and the Congregation.

Proceedings into the historic abuse of children formally in the Congregation's care continue. In May 2019, a report was issued by the Scottish Child Abuse Inquiry following the testimony in 2018 of the survivors of abuse in four residential children's homes in Scotland operated by the Congregation. The Congregation formally apologised for any mistreatment of those in its care and deeply regrets any harm or shortcomings in the care provided. The Congregation has and continues to cooperate with the Scottish Inquiry and the Inquiries held in England and Wales and with those government as they set up their redress scheme. All residential children's homes in each of these countries have been closed for many years.

Actions taken to mitigate the risk

We continue our practice of co-operating with all Inquiries and providing ongoing support. Following the passing of the Redress for Survivors (Historical Child Abuse in Care) (Scotland) Act 2021, the Charity, on behalf of the Congregation, entered into a new agreement with the Scottish Government to contribute to the payments made by Redress Scotland to former children in our care regarding claims of abuse. This was accompanied by a further apology by the Congregation, as published on the gov.scot website. We continue to cooperate with the Scottish Government, Redress Scotland and survivor organisations to support claimants and potential claimants with access to their records and to provide individual apologies when requested, and with other Inquiries, as necessary.

Historical incidents within the Congregation's past are predominantly addressed by the Charity including reviewing practices and continuing to cooperate fully with all public Inquiries and with individuals making their own enquiries or civil proceedings. Many safeguarding risks are covered by insurance. The charity is cooperating with the Religious Life Safeguarding Service and the CSSA.

2. A loss of spirit or mission.

The risk increases as the number of Sisters in the Congregation decreases.

Actions taken to mitigate the risk:

There are several programmes available in the region to ensure the mission is well understood and communicated such as Victoire's Legacy and the Core Values of the organisation. Sisters remain intrinsic to each house and are visible throughout the majority of houses. Where there is no Community of Sisters on site the sisters continue to make regular visits.

3. Income and Cash Flow

Funding and Cashflow are insufficient to support ongoing operations.

Actions taken to mitigate the risk:

- Detailed budgets and plans produced annually for board approval.
- Budgeted and unbudgeted expenditure controlled and managed through approvals process.
- Financial commitments are not entered into without confirmed source of funding.
- Deploy strong planning and management controls to manage the impact of any change in income.

Introduction of a Finance and Risk Committee

Income and Expenditure

A summary of the results can be found on page 22 of the attached accounts.

Income was to £2.9 million (2022: £2.9 million) with £1.4 million being generated from donations and legacies.

Expenditure amounted to £4.4 million (2022: £4.6 million).

Financial position

The balance sheet shows total funds of £37 million (2022: £38.8 million).

Reserves Policy

Unrestricted funds at 31 March 2023 amounted to £36.7 million and comprised the tangible fixed asset fund and the general fund.

The tangible fixed assets fund totalling £31.0 million, represents the net book value of the Charity's land and buildings and other tangible fixed assets, less loans that are being used to finance the refurbishment and development of property owned by the Charity. These net assets are essential to the continued mission of the Charity and include care establishments leased to Nazareth Care Charitable Trust.

The general fund totalling £5.7 million, comprises those assets not designated by the Trustees or restricted in their application as of 31 March 2023. The fund includes monies to cover temporary shortfalls in income due to timing differences and amounts to enable the Charity to cope with unforeseen emergencies.

The aim of the Trustees is that the general fund (or free reserves) should equate to between six- and twelve-months' ongoing expenditure. On 31 March 2023, the Trustees believe the Charity's free reserves to be adequate but not excessive. The general fund of £4.1 million would cover six months ongoing expenditure.

The Charity holds one restricted fund totalling £283,370. The balance of the restricted fund of £283,370 comprises the balance of past property proceeds from the disposal of a property in Wavertree, in the Roman Catholic Archdiocese of Liverpool, which are restricted to use within the Archdiocese.

Employees, Volunteers and Members of the Congregation

The Trustees wish to record their recognition and appreciation for the professionalism and commitment of all their staff, volunteers and individual members of the Congregation.

Employed staff are clearly our biggest asset, and we thank them for the contribution that they make. NCCT strives to provide excellent working conditions for its staff. We aim to provide an open and inclusive environment where every member of staff is empowered to make a real difference.

The majority of our houses also have a Friends of Nazareth group operating within them, which is a team of dedicated volunteers who give their time to a number of causes. Volunteers can be fundraisers or visitors. The Trust has recognised that if we are to continue to provide an excellent service to our residents against a backdrop of financial pressures, then we need to extend the use of volunteers to raise funds for those extra items and activities that our service users require, taking into account public benefit requirements in decision making.

The Trustees' Report was approved by the Trustees and signed on their behalf by:

A handwritten signature in black ink, appearing to read 'Sr D Cunningham', written in a cursive style.

Independent Auditor's Report to the Trustees of The Congregation of the Sisters of Nazareth Charitable Trust

31 March 2023

Opinion

We have audited the financial statements of The Congregation of the Sisters of Nazareth Charitable Trust ('the charity') for the year ended 31 March 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2023 and of its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005 and Regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 and the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient and proper accounting records have not been kept by the charity; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on pages 12 - 13, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 and The Charities and Trustee Investment (Scotland) Act 2005, together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charity's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charity for fraud. The laws and regulations we considered in this context for the charity were, General Data Protection Regulation (GDPR), Health and safety legislation and Employment legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income, and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008 and Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Principal Accounting Policies 31 March 2023

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are laid out below.

Basis of preparation

These accounts have been prepared for the year to 31 March 2023 with comparative information given in respect to the year to 31 March 2022.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below or the notes to these accounts.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) (Charities SORP FRS 102) issued on 16 July 2014, the Charities Act 2011 and the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the previous Statement of Recommended Practice: Accounting and Reporting by Charities which was effective from 1 April 2005 but which has since been withdrawn.

The Charity constitutes a public benefit entity as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

Critical accounting estimates and areas of judgement

Preparation of the accounts requires the Trustees and management to make significant judgements and estimates.

The items in the accounts where these judgements and estimates have been made include:

- ◆ estimating the useful economic life of tangible fixed assets for the purposes of determining the depreciation charge.
- ◆ assessing the value of any impairment required against the value of tangible fixed assets.
- ◆ estimating the value of investment properties.
- ◆ assessing the probability of the receipt of legacy income.
- ◆ determining the apportionment of expenditure in particular between governance and support costs and between support costs and the various categories of expenditure on charitable activities; and
- ◆ determining the value of designated funds needed at year end.

Assessment of going concern

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The Trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

With regard to the full period of review, December 2024, our planning processes, including financial forecasts, cash flow forecasts, and scenario planning take into consideration the current economic climate and its potential impact on the various sources of income and planned expenditure.

The Trustees of the Charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees are of the opinion that the Charity will have sufficient resources to meet its liabilities as they fall due. Accordingly, the Trustees consider it appropriate to prepare the financial statements on a going concern basis.

Income recognition

Income is recognised in the period in which the Charity has entitlement to the income, the amount of income can be measured reliably, and it is probable that the income will be received.

Income comprises donations and legacies, investment income and interest receivable, rental income, charges for residential and care services and other income.

Donations are accounted for when the conditions of receipt are met, it is probable the amounts will be received and the amount receivable can be reliability estimated.

In accordance with the Charities SORP FRS 102 volunteer time is not recognised.

Legacies are included in the statement of financial activities when the Charity is entitled to the legacy, the executors have established that there are sufficient surplus assets in the estate to pay the legacy, and any conditions attached to the legacy are within the control of the Charity. Legacies are treated as restricted income in the statement of financial activities where they are restricted to the community that receives them.

Entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor to the Charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably, and the Charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, but the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material. In the event that the gift is in the form of an asset other than cash, or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title of the asset having being transferred to the Charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably

by the Charity; this is normally upon notification of the interest paid or payable by the bank.

Rental income is recognised when payment is due under the terms of the relevant rental or lease agreement.

Income derived from the levying of charges for residential, care and support services is measured at the fair value of the received or receivable, excluding discounts and rebates.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accrual's basis. The classification between activities is as follows:

- The costs of charitable activities comprise expenditure on the Charity's primary purpose as described in the Trustees' report and include:
- When there are indicators that a tangible fixed asset may be impaired i.e. that the realisable value of the asset may be lower than the asset's net book value, a provision for impairment is made. Such a provision will be calculated in order to reduce the net book value of the asset to its estimated realisable value. Any impairment provision is charged as expenditure to the statement of financial activities in the year in which it arises. Where material, the impairment is shown separately on the face of the statement of financial activities.

In allocating expenditure to headings, no significant apportionments have had to be used. All expenditure is stated inclusive of irrecoverable VAT.

Governance costs

Governance costs include expenditure on compliance with constitutional and statutory requirements and have been allocated entirely to the expenditure on provision of residential and care services for adults and the support of the Sisters and their ministry.

Tangible Fixed Assets

All assets and improvements to existing assets with a cost of more than £1,500 and with an expected useful life exceeding one year are capitalised. The Charity has opted to adopt a policy of not revaluing its tangible fixed assets, which are stated at cost.

A review for impairment of a tangible fixed asset is carried out if events or changes in circumstances indicate that the carrying amount of any tangible fixed asset may not be recoverable.

Freehold Land and Buildings

Freehold land and buildings are included at cost, net of depreciation and any impairment provision.

Freehold buildings are depreciated from their first complete year of occupation at a rate of 2% per annum on the straight-line basis in order to write the cost of each building off over its estimated useful economic

life to the Charity.

Long Leasehold Buildings

Long leasehold buildings are included at cost and are depreciated once the lease reduces to 50 years at a rate of 2% per annum on the straight-line basis.

Other Tangible Fixed Assets

Other tangible fixed assets are capitalised and depreciated at the following annual rates in order to write them off over their estimated useful lives:

- Furniture and equipment 10% to 33.3% per annum on the straight-line basis
- Motor vehicles 25% per annum based on reducing balance. Assets are depreciated once they are brought into use.

Fixed Asset Investment Properties

Investment properties are included on the balance sheet at their open market value at the end of the financial period. Realised and unrealised gains (or losses) are credited (or debited) to the Statement of Financial Activities in the year in which they arise. In accordance with the Charities SORP FRS 102, no depreciation is charged against investment property.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits. Cash placed on deposit for more than one year is disclosed as a fixed asset investment.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the Charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

Funds Structure

Restricted funds represent voluntary income received to the benefit of specific homes whose assets are otherwise unrestricted. Such income is usually expended within the financial year in which it is received. Details of unexpended balances, if any, are provided in note 15.

The remainder of the Charity's funds are unrestricted. The general fund comprises those monies which may be used towards meeting the charitable objectives of the Charity and which may be applied at the discretion of the Trustees.

Within the unrestricted funds the Trustees have designated amounts for specified purposes. Details of these are given in note 17.

Within the unrestricted funds there is also the tangible fixed assets fund which represents the net book value of the Charity's land and buildings and other tangible fixed assets less loans that are being used to finance the refurbishment and development of property owned by the Charity.

Services Provided by Members of the Congregation

For the purposes of these accounts, no monetary value has been placed on the care, administrative and other services provided by the members of the Congregation.

Pension costs

All eligible members of staff are auto-enrolled in a workplace pension scheme. Employer contributions to the scheme are charged to the statement of financial activities in the year in which they are payable to the scheme.

The total remuneration (including taxable benefits and employer's pension contributions) of the key management personnel for the year was £84,885 (2022 - £61,179).

7. Trustees' expenses and remuneration and transactions with Trustees

As members of the Congregation, the Trustees' living and personal expenses during the year were borne by the Charity, but they received no remuneration or reimbursement of expenses in connection with their duties as Trustees or key management during the year (2022- £nil).

As members of the Congregation, none of the Trustees have resources of their own as all earnings, pensions and other income have been donated to the Charity under a Gift Aid compliant Deed of Covenant. During the year, the total amount donated by the Trustees to the Charity was £33,342 (2022 - £35,237).

8. Taxation

As a registered charity The Congregation of the Sisters of Nazareth Charitable Trust is potentially exempt from taxation of income and gains falling within Sections 466 to 493 of the Corporation Tax Act 2010. No tax charge has arisen in the year.

Fixed assets within land and buildings category that related to investment property. As a result, the fixed asset note and the investment properties note have been adjusted for the current year and prior year.

Investment properties are included above at estimated market value and are located within Blackburn Retirement Village and Glasgow Retirement Village. Valuations were carried out on the investment properties during the year by local firm of estate agents. There are no restrictions on the disposal of the investment properties. Two of the five investment properties at Blackburn incur service charge costs while the other three properties are being rented.

The Charity signed a loan agreement with the Congregation of the Sisters of Nazareth Generalate (CSNG) in April 2020 in respect of an advancement of £4,614,832. The loan comprises two parts. Part A has already been advanced to the Region under a loan agreement dated 25 October 2013 and consists of the outstanding balance owing on the Funds Transfer Date, which is £2,736,729. Part B is the balance owing under a loan agreement with The Royal Bank of Scotland and repaid by the Generalate to The Royal Bank of Scotland on the Funds Transfer Date. The balance on this loan is £1,878,103.

The loan is repayable by 2036 with interest accruing at 3% per annum. The loan balance at 31 March 2023 was £4,019,415 (including interest of £124,934).

On 25 July 2018, the charity entered into a loan agreement for £1.5 million with the Congregation of the Sisters of Nazareth Generalate (CSNG) in order to fund the expansion and development of Nazareth House

Birkenhead. The loan carries an interest rate of 3% and is fixed throughout the term of the loan. No repayment of the principle or interest will be required until one calendar year from the first quarter day after the completion date. The loan balance at 31 March 2023 was £1,631,844 (2022 – £1,583,618) including interest of £48,226 (2022 – £46,789).

On 2 March 2016, The Congregation of the Sisters of Nazareth Charitable Trust entered into a loan agreement for £1 million with Barclays Bank plc in order to fund the refurbishment of Nazareth House, Finchley. The loan carries an interest rate of 2.75% above the official Bank of England Base Rate and is due to be repaid within 5 years of the first drawdown of the Facility. The loan balance at 31 March 2023 was £624,643 (2022 - £680,877). £50,555 of the loan is repayable before 31 March 2023 (note 13). The loan is secured on Nazareth House, Finchley, of which the Charity is the freeholder.

On 11 November 2016, The Congregation of the Sisters of Nazareth Charitable Trust entered into a loan agreement for £1.5 million with Barclays Bank plc in order to fund the refurbishment of Nazareth House, Cheltenham. The loan carries an interest rate of 2.75% above the official Bank of England Base Rate and is due to be repaid within 5 years. The loan is secured on Nazareth House, Cheltenham. The loan balance at 31 March 2023 was £1,046,262 (2022 - £1,195,896). £142,188 of the loan is repayable before 31 March 2023 (note 13).

Less: Loans to finance refurbishment and development of property	(7,322,167)	(7,609,107)
	31,031,386	31,902,255

The tangible fixed assets fund represents the net book value of the Charity's land and buildings and other tangible fixed assets (excluding those used in respect to the provision of residential care for older people in Northern Ireland) less loans that are to be used to finance the refurbishment and development of property owned by the Charity.

A decision was made to separate this fund from the general fund in recognition of the fact that the assets are used in the day to day work of the Charity, and the fund value would not be realisable easily if needed to meet future contingencies.

18. Contingent Liabilities

At 31 March 2023, The Congregation of the Sisters of Nazareth Generalate was funding legal and other costs incurred relating to statutory inquiries that have been established in Northern Ireland, Scotland and England and Wales, into the alleged historical abuse of children. The inquiries are at various stages, with the Historical Institutional Abuse Inquiry in Northern Ireland having reported in January 2017, the England and Wales Independent Inquiry into Child Sexual Abuse has published its final report in October 2022, and the Scottish Child Abuse Inquiry publishing their report into the Sisters of Nazareth in May 2019.

The Congregation of the Sisters of Nazareth Generalate expects to incur further legal costs in relation to all three inquiries. It is not possible at the present time to provide any meaningful estimate of future costs, some of which may be covered by insurance. It is also not possible to provide any meaningful estimate of the future costs of ongoing claims being brought against the Congregation for which there is no reliable estimate of the value or probability of a claim being paid, some of which may be covered

by insurance.

Redress schemes have been established, in March 2020 for Northern Ireland, and in December 2021 for Scotland. England and Wales have not yet announced their intentions. An agreement has been reached to contribute to the cost of redress payments in Scotland and the cost of contributions has been included in these accounts as expenditure. The actual payments will be paid according to an agreed schedule of contributions. No agreement has been reached for Northern Ireland and it is not possible at the present time to provide any meaningful estimate of future contributions, if any.

19. Capital Commitments

At 31 March 2023 the Charity had capital commitments of £nil (2022 - £nil)

20. Related Parties and Connected entities

The Charity is connected to The Congregation of the Sisters of Nazareth (the Congregation), an unincorporated international religious congregation, founded by Victoire Larmenier and recognised by the Vatican, currently comprising 216 Sisters worldwide. The Superior General of the Congregation appoints the Trustees of the Charity.

The Charity is connected also to two other registered charities, details of which are given below:

Name	Registration numbers etc	Principal activities
The Congregation of the Sisters of Nazareth Generalate (CSNG)	A registered charity (Charity Registration No 1138876 (England and Wales))	The support of the Congregation and its work throughout the world.
Nazareth Care Charitable Trust	A registered charity (Charity Registration No 1113666) and a company limited by guarantee (Company Registration No 5518564 (England and Wales), and SC042374 (Scotland)).	The provision of nursing, residential and care services to older people in need through the operation of 13 homes within England, Wales and Scotland. The provision of estate management and support services to older people at the retirement villages in Blackburn and Plymouth.

In the case of CSNG the Superior General of the Congregation also appoints the trustees. In respect to Nazareth Care Charitable Trust, the Superior General of the Congregation is the sole member of the charitable company. The Charity and Nazareth Care Charitable Trust have three Trustees in common. None of the Trustees of the Charity are Trustees of CSNG. At no point during the accounting period did any of the three charities control one or more of the others. As a consequence, consolidated accounts are not prepared.

During the year there have been a number of transactions between the Charity and its connected entities, details of which are given in the paragraphs below.

The Congregation of the Sisters of Nazareth Generalate (CSNG)

At 31 March 2023 the Charity was owed £240,106 (2021 – £240,106) from CSNG being grants authorised but not paid across as at that date (see note 12). At 31 March 2023 the Charity owed CSNG £5,651,259 (2022 – £5,732,334) (see notes 13 and 14) being a loan of £4,019,415 for the redevelopment of Nazareth House Glasgow and a loan of £1,631,844 (2022 – £1,583,618) for the redevelopment of Nazareth House Birkenhead.

During the year to 31 March 2023, the Charity paid £20,000 (2022 – £65,145) as a contribution to the Congregation of the Sisters of Nazareth Generalate. CSNCT also gave gifts to CSNG worth £7,700 (2022 – £7,700).

Nazareth Care Charitable Trust (NCCT)

At 31 March 2023, the Charity owed £608,345 (2021 - £610,063) to NCCT being £608,345 (2022 - £608,345) (see note 13) in respect to building and refurbishment works at Nazareth House Cheltenham. In addition, the Group was owed £240,106 (2022 - £240,106) in respect of the contribution for the convent owed to NRV Development (Plymouth)

In addition, at 31 March 2023 the Charity was owed £2,293,430 by NCCT (2022 - £115,160) being £109,660 (2022 - £115,160) being loan repayments in respect to loans for the building and refurbishment works at Lancaster Day Nursery, £11,500 (2022 - £11,500) of which was payable within one year. NCCT owed the Charity £1,183,770 (2022 - £nil) in unpaid rent. A provision for doubtful debt has been made in the accounts for the unpaid rent (see note 12).

In addition, the Charity loaned NCCT £1,000,000 (2022 - £nil). During the year the Charity donated £nil (2022 - £nil) to NCCT.

During the year to 31 March 2023, the Charity received management stipend income of £375,950 (2022 – £421,880) and rental income of £80,425 (2022 – £1,284,248) from Nazareth Care Charitable Trust. Additionally, the Charity made payments to Nazareth Care Charitable Trust totalling £5,819 (2022 - £3,500) in relation to care home fees at the Birkenhead, Cheltenham and Plymouth communities.

NRV (Blackburn) Limited

During the year NRV (Blackburn) Limited collected rent from the residents of the Blackburn Retirement Village on behalf of the Charity. At 31 March 2023, a balance of £nil (2022 - £nil) (see note 12) was owed to CSNCT by NRV (Blackburn) Limited.

Retirement villages

Under the terms on which NRV Development (Blackburn) Limited sells apartments within the retirement village, should the purchaser for any reason wish to vacate the property at any time and not sell it on the open market, NRV Development (Blackburn) Limited undertakes to buy back the unit. This option was removed for sales completed after September 2013. It was calculated that the maximum liability to NRV Development (Blackburn) Limited in the event that several leaseholders simultaneously exercise the buy back option would be £750,000. Should NRV Development (Blackburn) Limited not have sufficient funds to meet this liability, the Charitable Trust has agreed to meet any shortfall. At 31 March 2017 the fund stood at £30,815. During the year ended 31 March 2018 three apartments costing £332,915 were bought back and the fund has been fully utilised (see note 17).

NRV Development (Plymouth) Limited

At 31 March 2023, the Charity owed £240,106 (2022 - £240,106) to NRV Development (Plymouth) Limited for six apartments purchased from NRV Development (Plymouth) Limited. The six apartments are used as a convent by CSNCT.

NRV Management (Glasgow) Limited

At 31 March 2023, the Charity was owed £nil (2022 - £nil) by NRV Management (Glasgow) Limited in respect of a service charge refund for void fees paid.

Other related party transactions

There were no other related party transactions other than those disclosed above (2022 – none).

21. Post Balance Sheet Events

The loss incurred by CSNCT for the year ending 31 March resulted in the financial covenant provisions in the facility agreements with Barclays Bank being breached (notes 13 & 14). The carrying amount of the loans payable at 31 March was £ 1,670,907. Barclays issued a comfort letter in September 2023. The terms of the loans did not need to be renegotiated.

22. Prior Year Adjustment

A prior year adjustment was required during the year in relation to fixed assets following a review of the fixed asset register. Fixed assets within land and buildings category that related to investment property. As a result, the fixed asset note and the investment properties note have been adjusted for the current year and prior year.
