The Life Guards Association Charitable Trust continues to work very closely with The Life Guards Association in identifying potential beneficiaries. The Trust also works with the Household Cavalry Foundation and The Blues and Royals Association in meeting its overall charitable objectives.

In furtherance of these objectives there is a close relationship with ABF, The Soldiers' Charity, The Royal British Legion and SSAFA Forces Help

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To relieve members, or former members, of the Regiment, or their dependants who are in need by virtue of financial hardship, sickness, disability or the effects of old age and;
To promote the efficiency of the Regiment in any charitable way as the Trustees from time to time may decide.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity makes grants to a wide group of people in support of welfare and hardship. In addition, the Scheme that governs the operation of the charity specifically allows for the promotion of the efficiency of the Armed Forces. The charity therefore is able to award initiative, support adventurous training, sport and other welfare activities which are not adequately, or directly, provided for from Public Funds. Thus the Government's prime responsibility of providing Defence of the Realm is enhanced, resulting in a direct benefit to the public.

The Trustees consider, therefore, that The Life Guards Association Charitable Trust fully meets the requirement to provide Public Benefit under the appropriate charitable purpose of promoting of the efficiency of the Armed Forces of the Crown in addition to its existing welfare objectives.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Trustees follow an approved policy in making grants to both retired and serving Lifeguardsmen and their dependents for the relief of need.

Priority is given to:

- Ageing survivors of the Second World War, veterans of subsequent conflicts and their dependents. Many of these people were unable to make appropriate financial provision for old age and deserve a better quality of life.
- The special needs of the disabled who may not be able to benefit from support from the statutory benefit system. Consideration in respect of their dignity, encouraging independence and welfare to work are important factors.
- Supporting the cohesion of the family
- Supporting the unemployed and homeless, where appropriate.

Each case is looked at on its own merit and evaluated in relationship with other grants available.

Summary of the main achievements of the charity during the year

22 cases were considered during the year and grants totalling £12,875.95 were made in the "Relief of Need" category.

Section E

Brief statement of the charity's policy on reserves

The reserves policy of the Trustees is that the charity shall have adequate reserves to ensure that, when invested by the appointed investment manager, they shall produce sufficient income to fund the budgeted costs or grants of the charity and, over the long term, maintain their effective value. The reserve is reviewed on an annual basis.

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
