**COMMITTEE:** Mesdames J Powell, T Boorman, J Wilkinson, M Sharp, M Bell, J Till, D Masters, J Stephens and C Urquhart.

The Officers and Committee of Kennington Women's Institute are the trustees of the WI hall, address as above.

WI activities at the hall were severely curtailed during the Covid crisis but from October 2021 members have been able to follow a full pattern of events. These include social evenings where we have had some super guest speakers, evenings when we have joined in a 'sing-a-long' and evenings when our own members have provided the entertainment. During 2022 we took part in a Summer Fayre raising funds for our hall and two Christmasases running (2021 and 2022) we organised a seasonal Fayre which was much enjoyed by our members and the local community.

We have had the pleasure of attending several events hosted by other WIs within our Federation and took part in a wonderful trip to Greenwich which included entrance to the Royal Observatory and a boat trip on the Thames. We have also taken part in two litter picking sessions which was much appreciated by the local community.

In June 2022 we celebrated our late Queen's Platinum Jubilee with a fabulous party and afternoon tea which included a commemorative cake made by one of our members. The hall was decorated with mobiles made by members of the art group and a display of artwork and calligraphy.

During the period we have remained financially solvent due to careful planning and expenditure; our accounts were audited by an independent examiner and approved by members at the AGM.
