**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to provide accommodation for the poor elderly people within the Diocese of Bangor.

The administration of the accounts is carried out in accordance with the general diocesan accounting practice. There is a clearly defined system of internal control to ensure that the finances of the Trust are administered with probity and clarity.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity provides charitable accommodation in four flats in one building abutting the Cathedral Close in the centre of Bangor. A significant amount of the charity's day-to-day activities are focused on property maintenance and engagement with beneficiaries.

Investment performance

The value of the charity's investments increased during the year, reflecting the upward trend of the Stock Market.

FINANCIAL REVIEW

Financial position

Income received from rents and investments was £48,625 compared to £45,729 last year. Expenditure was £34,190 this year compared with £39,421 last year. This results in a net income before realised gains on investments of £14,435 compared with a net expenditure of £6,308 last year.

The balance sheet of the charity at 31 December 2021 shows cash at bank of £70,204 (2020 - £57,765) and market value of investment of £1,300,444 (2020 - £1,138,887). The trustees consider the financial position of the charity to be satisfactory.

Principal funding sources

The principal funding sources for the year were:

- Rent received from investment property
- Dividends received from COIF charities investment fund

Investment policy and objectives

The trustees seek a level of investment income that is able to support a range of important charitable activities at a time of change, recognising that achieving such a level of income may, in the case of some investments, pose some challenges to the secondary goal of maintaining capital value. The trustees work with their investment managers to assess the ethical dimensions of their investment portfolio, prioritising the use of shareholder rights to achieve the advancement of a progressive ethical agenda through the investment portfolio.

Reserves policy

The Trustees' objective is to maintain the equivalent of the value of Fixed Assets plus a year's expenditure as a general reserve.

BISHOP HENRY ROWLANDS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

FUTURE PLANS

A comprehensive review of the occupation arrangements of the Almshouses will be undertaken, to bring these arrangements up-to-date in line with the recommendations of the Almshouses Association. Work will also be undertaken to renovate and identify a suitable occupier for one of vacant properties.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Bishop Henry Rowlands Almshouse Charity was established by trust deed in 1616. It is a registered charity.

Recruitment and appointment of new trustees

The full complement of Trustees is not determinate. There are four on the board in this financial year.

Trustees are nominated to the Board at the Annual General Meeting and remain until they either retire voluntarily or fail to receive the support of the members at the Annual General Meeting.

Organisational structure

The Board of Trustees meets, on average, three times a year to review progress and expenditure and to plan for the future.

Staff in the Diocesan Office undertake the administration of the charity.

Induction and training of new trustees

Prospective nominees to the Board receive an induction pack which includes an outline of the charity's activities and objectives, together with information from the Charity Commission website detailing the role and responsibilities of Trustees.

Related parties

Due to the nature of the charity's operations and the composition of the Board of Trustees it is inevitable that transactions will take place with organisations in which a member may have an interest. All transactions involving organisations in which a Trustee may have an interest are conducted at arm's length. The charity has a policy that all Trustees must declare an interest if a related party transaction occurs.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BISHOP HENRY ROWLANDS

Independent examiner's report to the trustees of Bishop Henry Rowlands

I report to the charity trustees on my examination of the accounts of Bishop Henry Rowlands (the Trust) for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

No depreciation is charged on properties because they are maintained in a state of repair such that estimated residual value of the land and buildings at the date of the balance sheet is not less than their net book value.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the statement of financial activities. The investment property is professionally valued every 5 years. In the years where the investment property is not professionally valued, the trustees give their opinion on whether the investment property valuation is still appropriate.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
