MURPHY-NEUMANN CHARITY COMPANY LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 5 APRIL 2021

The Trustees present their report and financial statements for the year ended 5 April 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The Murphy-Neumann Charity Company exists to help meet the basic and enduring mental and physical health and social care needs of vulnerable people without regard to belief, race, gender, sexuality, disability, age, background or location in England and Wales. The Charity has three main objects and principal activities. These are:

1. to support projects aimed at helping those in society who suffer economic or social disadvantage or hardship arising from disability and/or social exclusion;
2. to assist those working to alleviate chronic illness and disabling disease; and,
3. to help fund research into medical conditions (particularly among the very young and elderly) for which there is as yet no cure.

The Charity does not initiate projects of its own and only donates funds to charities registered with and recognised by the Charity Commission.

The principal area of charitable activity is the provision of funds or grants to organisations active in the three areas indicated above. The trustees liaise regularly with charities to which donations have been made. During the year written information was received from all charities we supported. Unfortunately, because of the pandemic the trustees were unable to see and measure at first-hand how donations were used. The trustees make it a practice to examine the audited accounts/financial statements of all charities in receipt of donations. It remains the intention of the trustees to continue to support a core group of charities with whom Murphy Neumann has worked for many years as well as to help fund other organisations that match the Charity's priorities.

Of the forty-one charities to which donations were made fourteen are relatively high profile organisations serving a large and well attested client base. Murphy Neumann made donations to eight charities primarily concerned with ameliorating the conditions of those who suffer specific economic or social disadvantage or hardship; twelve charities most active in the investigation and alleviation of disabling and potentially terminal diseases; and the remainder smaller, community based charities, providing a mix of services to a clientele broadly drawn from among those who fall within the Charity's overall catchment.

The trustees do not have a fixed policy with regard to the number of charities that can be supported. Each year a decision is taken on how much money is available for distribution without putting Murphy Neumann at risk. The trustees are mindful that donations should not be so small that they make little or no impact on the needs of recipients. Not only could such donations hinder rather than help recipients but they would diminish the funds available to other charities with a perceived greater claim. With these considerations in mind the trustees have reached the conclusion that for the time being grants should be fixed at a maximum of £2,500 and a minimum of £500. The majority of grants fall within the range £750 - £2,000.

MURPHY-NEUMANN CHARITY COMPANY LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2021

Achievements and performance

It is difficult to measure the impact of (relatively) small grants on large organisations. In a number of cases grants are made to general funds rather than to support specific initiatives. In the case of smaller charities grants are invariably made towards named and known projects. This might include the purchase of specialist equipment, sponsoring programmes or activities or funding long term research into disabling diseases. In recent years charities have been obliged to comply with new legislation and in many cases this has entailed the provision of new or updated facilities and the adaptation of old buildings to meet present needs. Grants have also been made to small charities, particularly those with outreach programmes, where funding is essential to maintain their role in the community. In these cases even a modest donation can have a considerable impact.

Public Benefit

Murphy-Neumann complies with the Public Benefit requirements as set out by the Charity Commission. The trustees are of the opinion that the Charity demonstrates Public Benefit by virtue of the activities in which it is engaged. Funds are distributed to charities and through them to charitable causes and are intended to help ameliorate the effects of economic or social disadvantage, hardship arising from disability and/or social exclusion, chronic illness and disabling disease. Donations are made annually in January to foster the work of charities in England and Wales able to demonstrate their effectiveness in these spheres. All donations made by the trustees are exclusively for these purposes.

Financial review

Murphy Neumann was established by virtue of a donation made by Dr. & Mrs Edgar Neumann. The Charity conducts the material part of its activities through grant making. Grants are generated by distributing dividend income derived from an investment portfolio. The trustees are advised on investment policy by Charles Stanley & Co. Ltd, one of the largest independent stockbrokers and investment managers in the U.K. The Charity maintains a well-diversified investment portfolio geared to high quality businesses offering sustainable dividend income.

The Charity invests in companies that are conservatively financed and enjoy strong asset backing with stable cash flows. Dividend record and the prospect of dividend enhancement is another major consideration. While the stock market has taken Brexit in its stride areas of conflict with the EU remain, most notably over the position of Northern Ireland. The COVID-19 pandemic has had a massive effect on global economies though the damage done may not be as bad as at first envisaged. In the UK there are signs of nascent growth but much remains uncertain. The Charity Company continues to maintain a broadly balanced portfolio comprising a high proportion of companies with international exposure. This has proved a resilient mix in times past and it should auger well for the future.

Trustees were obliged to decrease the level of charitable distribution during the year. A small number of businesses in which the Charity is invested cancelled the payment of dividends while others suspended payment during the early stages of the pandemic. Dividend payments have now, in the majority of cases, returned to pre-pandemic levels although the situation remains fragile for some businesses. Trustees continue to ensure that Murphy Neumann is not over exposed in any one sector and equally that it is in a position to benefit as and when the global economy gains momentum.

In the period ended 5 April 2021:

Total income was £66,080 (2020 - £86,817) a decrease of 23.9% driven by reduced investment income.

Total expenditure was £72,097 (2020 - £87,197). This has decreased compared to the prior year due to lower legal and professional fees and decrease in level of charitable distributions being £48,500 (2020 - £59,500). In the year ended 5 April 2021 a number of acquisitions and disposals were made. Unrealised gains arising from the revaluation of fixed asset investments were £314,301 (2020 - losses £359,148). Realised gains were £6,562 (2020 - losses £13,334).

At 5 April 2021 the investment portfolio was valued at £1,770,631 (2020 - £1,447,465). Net current assets were £24,938 (2020 - £33,258), which included cash in hand of £25,519 (2020 - £36,566).

MURPHY-NEUMANN CHARITY COMPANY LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2021

Future Plans

The Charity plans to continue the activities outlined above. The trustees are always looking for ways to improve the performance of the portfolio and by doing so increase disposable income, believing that it remains in the best interests of the Charity and its beneficiaries for the original donation to be invested and the returns on the investments to be spent in line with the Charity's objectives. Trustees also believe that it would be disadvantageous to the long term interests of current and future beneficiaries if the investment portfolio was diminished in favour of any one charity to the disadvantage of other charities which may now or in the future benefit from the distribution of funds. Furthermore, the founding document does not indicate that the donors had any particular preference with regard to individual charities or that they favoured one charitable purpose over another.

Reserves policy

Trustees conduct regular reviews of the reserves of the Charity. These reviews encompass the nature of the income and expenditure streams, the need to match variable income with on-going commitments and the nature of the reserves themselves (that is, those funds that are freely available). Trustees are keenly aware that inadequate reserves could put the Charity at risk. Accordingly they set aside £20,000 to meet the operating costs of the Charity over a twelve month period. This should meet any unforeseen costs as well as day-to-day expenditure.

Structure, governance and management

The Charity was established by Memorandum and Articles of Association on 27 March 1963 and is constituted as a limited company. No right to subscribe for shares in the charitable company was granted or exercised during the year. The Memorandum of Association of the Company prohibits the payment of any dividend.

Murphy-Neumann is a relatively small charity. It does not engage staff, does not make use of volunteers or raise funds through voluntary giving, does not own, rent or lease property, has no retail activity and does not hold events. Each trustee is bound by a Code of Practice for Trustees which is designed to ensure that the organisation is effective, open and accountable in its dealings and that the highest standards of integrity and stewardship are achieved. The trustees work very much as a team, each playing a dynamic part in relation to the activities of the Charity as a whole.

The Trustees, who are also the directors for the purpose of company law, and who served during the year were:

Mr M J Lockett B.Ed
Ms P L Christopher
Mr M Richman FCA ATII
Ms S C Holmes BBA MBA

Recruitment and Appointment of Trustees

The trustees are experienced business managers and keen supporters of the voluntary sector. In order to quantify the skills mix, the trustees have each provided a summary of their expertise. This is updated annually. There are no constitutional provisions relating to appointments and no formal procedures for appointing new trustees. In the event of the appointment of a new trustee or trustees, the existing trustee body would expect to draw upon a pool of like minded individuals appropriately qualified who would be prepared to support the Charity.

MURPHY-NEUMANN CHARITY COMPANY LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

Trustee Training

The trustees accept ultimate responsibility for directing the affairs of the Charity and ensuring that it is solvent, well managed and able to fulfil the charitable purposes for which it was established. Trustees are thoroughly familiar with all aspects of the administration of the Charity. In order to keep up to date on developments in the sector, trustees subscribe to various publications all of which are circulated internally. Trustees take advice from their accountants and other professional advisers on an 'as need' basis. Periodically time is set aside to revisit the key documents which set out the operational framework of the Charity as well as to review current objectives and future plans. Trustees are encouraged when possible to attend appropriate external training events where these will facilitate the undertaking of their role.

Risk Management

On an annual basis the trustees undertake a review of the risks to which the Charity is exposed. A document has been prepared setting out the perceived risks to the wellbeing of the Charity. This comprises the identification, measurement, management, monitoring and reporting of risk and facilitates the process of mitigation as and when appropriate. The greatest risks to the Charity are a short/medium term drop in investment income possibly caused by a global event such a pandemic and/or the possibility of cyber attack. It is extremely difficult to 'second guess' the economy or to anticipate changes in the political terrain. However, the trustees in conjunction with the broker have taken steps to diversify the portfolio in such a way that it could withstand a period of turbulence in the markets. Cyber attack is a risk that has increased significantly in recent years. Trustees take information security and assurance very seriously. It is the responsibility of all trustees to be security conscious and to abide by the Security Control and Data Protection Policy. Trustees modify the risk which involves choosing and implementing a security mechanism that reduces the likelihood of a successful attack, or the impact that would result from such an attack. Trustees make sure that information is held under secure conditions.

Organisational Structure

The trustees meet on a formal basis twice annually though they communicate regularly by means of telephone, video conference, email and text. There is no specified division of labour but the trustees divide between them the tasks of administration, management, liaison with external bodies, compliance and so forth. A formal procedure is in place for dealing with incoming correspondence.

Governance

The Charity subscribes to the principles set out in the Charity Commission's booklets including but not restricted to, *The Essential Trustee: What You Need to Know* (CC3), *Charity Trustee: What's involved* (CC3a), *Managing a charity's finances: planning, managing difficulties and insolvency* (CC12), *Charities and Investment Matters: A guide for trustees* (CC14), *Charity reporting and accounting: the essentials* (CC15b), *Charity Reserves: building resilience* (CC19), *Charity and Risk Management* (CC26), *Public Benefit: the public benefit requirement* (PB1), *Public Benefit: running a charity* (PB2), *Good Governance: A Code for the Voluntary and Community Sector* and *Charity governance, finance and resilience: 15 questions trustees should ask*. Trustees are also mindful of the *Charity Governance Code*.

The Trustees' report was approved by the Board of Trustees.

MURPHY-NEUMANN CHARITY COMPANY LIMITED

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF MURPHY-NEUMANN CHARITY COMPANY LIMITED

I report to the Trustees on my examination of the financial statements of Murphy-Neumann Charity Company Limited (the charity) for the year ended 5 April 2021.

Responsibilities and basis of report

As the Trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

MURPHY-NEUMANN CHARITY COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

Charity information

Murphy-Neumann Charity Company Limited is a private company limited by shares incorporated in England and Wales. The registered office is Hayling Cottage, Upper Street, Stratford St Mary, Colchester, Essex, CO7 6JW.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

The directors have assessed whether the going concern basis of preparation continues to be appropriate, based on whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. This assessment has been required in the light of the significant uncertainty around the short to medium term impact of the spread of the Covid-19 virus.

At the time of approving the financial statements the directors believe that all appropriate measures have been or will be taken to ensure that the company will be able to continue its operations for at least the next 12 months and thus conclude that the going concern basis remains appropriate.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

MURPHY-NEUMANN CHARITY COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

(Continued)

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less and bank overdrafts.

1.9 Debtors

Trade and other debtors are recognised at the settlement amount due after and trade discounts offered. Prepayments are valued at the amount prepaid after taking account of any discounts due.

MURPHY-NEUMANN CHARITY COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
