THE CONGREGATION OF THE SISTERS OF ST BRIGID

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees present their report and financial statements for the year ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the financial statements and comply with the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Charity's Trust Deed states its principal objective to be "such charitable purposes which would advance the religious educational and other charitable work for the time being carried on in England and Wales by, or under, the direction of the Society as Trustees with the approval of the Superior shall from time-to-time think fit".

Members of the Order undertake work in community-based programmes and local parish work, providing family support, helping the homeless and giving religious and material assistance.

Public Benefit

In setting the Charity's objectives, the Trustees have given due consideration to the Charity Commission's guidance on public benefit. How the Charity fulfils this obligation is covered in the section below.

Achievements and performance

The following is a summary of the activities that are undertaken by the members of the Charity to meet these objectives:

- volunteer work with the local church.
- involvement with an international NGO that works in conjunction with the United Nations on behalf of migrants, refugees and women and children in poverty.
- care of elderly Brigidine sisters.
- one-off donations to people with pressing needs as well as to a number of local and international charities.

None of these activities carried out by the Sisters is remunerated. However, since each member of the Charity donates her pension or personal income to the Charity, the Charity provides accommodation, living expenses, medical or nursing care for each sister, as needed.

Financial review

At the end of the year ended 31 December 2021 the total funds of the Charity were £629,397 (2020: £619,616). Of this £72,487 represents fixed assets needed for the work of the Charity.

The balance of £556,910 represents approximately twelve times the operating expenditure of the Charity which the Trustees consider to be sufficient to sustain the Charity's activities for the foreseeable future.

The Charity has on-going commitment to the care of elderly sisters in the Community who devoted their lives to furthering the objectives of the Charity.

Risk Management

The Trustees have reviewed the major risks to which the Charity is exposed and seek to control these risks to mitigate any impact they may have on the Charity in the future.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees are responsible for preparing the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the assets, liabilities and financial position of the Charity as at the financial year end date and of the surplus or deficit of the Charity and otherwise comply with the Charities Act 2011.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the relevant financial reporting framework, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees confirm that they have complied with the above requirements in preparing the financial statements.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE CONGREGATION OF THE SISTERS OF ST BRIGID

We report to the Trustees on my examination of the financial statements of The Congregation of the Sisters of St Brigid (the Charity) for the year ended 31 December 2021.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

We report in respect of my examination of the Charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination we have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

We understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

We have completed my examination. We confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

STATEMENT OF CASH FLOWS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 General information

The Congregation of the Sisters of St Brigid is a Charity incorporated in the Republic of Ireland. The nature of the Charity's operations and its principal activities are set out in the Trustees' Report. The registered office is 48 Springfield Road, Windsor, United Kingdom.

2 Accounting policies

2.1 Accounting convention

The financial statements have been prepared in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

2.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for a period of at least 12 months from the date of approval. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

2.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

2.5 Expenditure

Expenditure is included in the Statement of Financial Activities when incurred and included any attributable VAT which cannot be recovered.

Expenditure comprises the following:

- a) The costs of raising funds comprise the fees paid to investment managers in connection with the management of the Charity's investments.
- b) Charitable activities expenditure comprises expenditure on the Charity's primary charitable purposes.
- c) Support costs are those that assist the work of the Charity but do not directly represent charitable activities. They are incurred directly in support of expenditure on the objects of the Charity.
- d) Governance costs comprise the costs directly attributable to the organisational procedures and the necessary legal procedures for compliance with statutory requirements.

2.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	0-2% Straight Line
Fixtures and fittings	10% Straight Line
Motor vehicles	25% Straight Line

Any gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

2.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

2 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

2.8 Taxation

The Congregation of the Sisters of St Brigid is a registered Charity and, therefore is not liable to income tax or corporation tax on income derived from their charitable activities, as it falls within the various exemptions available to registered charities.

3 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty

The annual depreciation on tangible fixed assets is sensitive to changes in the estimate useful economic lives and residual values of the assets. These estimates are reviewed annually and amended when necessary.

The Trustees do not consider that there are any key assumptions concerning the future, or any other key sources of estimation uncertainty, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.
