TRUSTEES' REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2020

TRUSTEES' REPORT

Principal address

The Charity's principal address is The Grange, 8 Hall Farm Barns, Hunts Lane, Hinxton, Cambridgeshire CB10 1SG

History of the Charity and current status

The Trust was created in 1631 by Ann Howsden with a permanent endowment of approximately 34 acres of land at Moggerhanger, Bedfordshire. The last of this land was sold in October 2010. The Trust now owns all four of the pensioner bungalows in Hinxton, three of which are rented at affordable rates for local pensioners. The fourth is currently rented on a commercial basis. The land on which stood the former garages to the east of the properties is also owned by the charity and allows for four allocated parking spaces for the tenants. The Trust constitution was modernised and a new Scheme adopted under Order of the Charity Commissioners dated 9 November 1998 and has recently been re-written with the assistance of Hewitsons' charity lawyer, Virginia Henley. The new Consolidated Scheme dates from 21 September 2020 having been approved by the Charity Commission.

Charitable purpose

Under the new scheme the objects of the Charity are: 'the relief of persons resident in the area of benefit (being the Parish of Hinxton) who are in need, hardship or distress'; and 'to benefit the residents of the area of benefit by providing or assisting in the provision of facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life of the residents'.

Principal activity and public benefit

In furtherance of these objects, but not otherwise, the trustees shall have the power to; make grants of money to inhabitants in the area of benefit; provide housing, provide or pay for goods, services or facilities; or make grants of money to other persons or bodies who provide goods, services or facilities to those in need.

TRUSTEES' REPORT (continued)

Trustees

The Trustees of the Charity are as stated on page 1 of this report.

The Ex-Officio Trustee, Rev. Petra Shakeshaft, resigned on 29 October 2019 and the role of parish priest for the village, which encompasses the role of ex-officio trustee, is currently in vacancy. Rev. Simon Talbott as Rural Dean is currently in temporary post

The Secretary to the Trustees is Ms. Alison King.

The nominated Trustees are nominated by Hinxton Parish Council. With the exception of the Ex-Officio Trustee, all Trustees are appointed for a four-year term, such that one co-opted and one nominated Trustee retire each year.

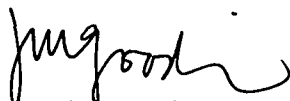

Financial report and investment policy

The stocks and shares of the Charity are held by Ruffer LLP Investment Management and managed on a fully discretionary basis. The investment objective is to preserve capital over rolling twelve-month periods and to grow the portfolio at a higher rate than could reasonably be expected from bank deposits. Currently any dividends are reinvested. Valuations are accessible on-line by the Treasurer and two additional trustees and regular reports are presented at Trustees' meetings.

Reserves' policy

The reserves' policy is to put aside funds for the maintenance of the four investment properties in accordance with guidance from the managing agent, to provide for major repairs and maintenance costs to keep the properties in good order.

The Trustees have approved the above report and authorised the Chair to sign it on their behalf.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

FOR THE YEAR ENDED 30 SEPTEMBER 2020

I report on the accounts for the year ended 30 September 2020 set out on pages 5 to 10.

Respective responsibilities of the trustee and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequentially no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material aspect, the requirements

- to keep accounting records in accordance with Section 130 of the Act 2011; and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act.

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. Accounting policies

Basis of preparation

The accounts (financial statements) have been prepared on the cash basis, with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

Incoming resources

All incoming resources are included in the Statement of Financial Activities when received by the charity.

Resources expended

Expenditure is accounted for on a payment basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular categories, they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from tax on its charitable activities.

Investment properties and financial investments

Investment properties are valued at cost. No charge is made for depreciation.

Financial investments are a form of basic financial instrument, initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The SOFA includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not acquire "put options", derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

Fund accounting

All funds are unrestricted and can be used in accordance with the charitable objectives at the discretion of the trustees.
