Independent Examiner's Report.

I am a retired Chartered Accountant and understand that this report will be attached to the accounts filed with the Charity Commission.

I have not carried out an audit of the accounts and procedures of West Pennard Village Hall.

I have examined the above balance sheet at the 31st of December 2024 prepared by your treasurer David Johnson.

I have confirmed by examination that the relevant bank balances agree with statement for the two bank accounts.

I have reviewed the list of debtors and creditors and have discussed these with Mr. Johnson; I am satisfied that these have been prepared on a reasonable basis.

I am also satisfied that the stock summary has been prepared on a reasonable basis.

In conclusion I am satisfied that the assets and liabilities of the West Pennard Village Hall are correctly reflected in the balance sheet at the 31st of December 2024.

I have not reviewed internal controls procedures and do not express a view on the details of the income and expenditure statement or the breakdown of the reserves between restricted and unrestricted funds for the year to the 31st of December 2024.

Signed:

Roger A. White

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

FOR THE PURPOSES OF PHYSICAL AD MENTAL RECREATION AND SOCIAL MORAL AND INTELLECTUAL DEVELOPMET FOR THE BENFIT OF THE INHABITANTS OF THE PARISH OF WEST PENNARD, AND ITS IMMEDIATE VICINITY.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Hall is used in a variety of ways all aimed at providing the community with opportunity for mental and physical development. There are regular clubs/societies providing activities such as Yoga, Judo, Boxercise, Keep Fit (various levels), Ukulele Band and a Youth Theatre Group. There are also local clubs such as the WI and Gardening club that use the Hall on a regular basis. The Hall is also hired out as a venue for family get togethers such as birthdays and wakes. On top of this the Committee organises several events throughout the year including regular coffee mornings, Annual Harvest Supper, Quiz Nights, Music Concerts, Pop Up Pubs.

In all these endeavours the trustees are aiming to provide a varied selection of activities all aimed at benefitting the residents of the parish of West Pennard and its surrounding areas.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

As well as the Trustees and Management committee, the hall benefits from the availability of many of our local residents, who are always willing to help when it comes to organising and setting up events which includes delivering leaflets door to door advertising upcoming events. This past year has seen the formation of a gardening group, made up of volunteers, who have undertaken the maintenance of the Village Hall outside space. A local grant from the Somerset Community Foundation provided funds for the group to buy a set of gardening tools. They have planted a border and several tubs with a mixture of Annuals and shrubs to give the Hall a welcoming and colourful look. This has been met with lots of positive comments from members of the community. The group rely on donations of plants but are also funded by the hall for the purchase of other materials.

Summary of the main achievements of the charity during the year

The Hall, having been built in 1937, provides a constant challenge in maintaining its fabric as well as improving, modernising and adding to the facilities.

The current committee have laid down a capital expenditure plan to achieve these things, this is under constant review and priorities allocated to each project.

Although the past 2 years have been difficult, due to Covid, we have been able to continue with this plan thanks to the generous Government grants provided via the local council, this amounted to some £17,000 this year.

In the past 12 Months we have invested in a fixed ceiling mounted laser projector and screen. This has been used to facilitate film nights in the Hall and also allowed us to show major events to bring the community together.

It has also been available for users to hire, which has increased the number of children's birthday parties we hold.

The latter part of the year saw us faced with spiralling costs especially electric and heating bills as the cost of living crisis started to impact us, we also lost bookings as a result. Because of this the committee agreed to suspend any further capital expenditure plans until the situation improved.

Section E Financial review

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

FOR THE PURPOSES OF PHYSICAL AD MENTAL RECREATION AND SOCIAL MORAL AND INTELLECTUAL DEVELOPMET FOR THE BENFIT OF THE INHABITANTS OF THE PARISH OF WEST PENNARD, AND ITS IMMEDIATE VICINITY.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Hall is used in a variety of ways all aimed at providing the community with opportunity for mental and physical development. There are regular clubs/societies providing activities such as Yoga, Judo, Boxercise, Keep Fit (various levels), Ukulele Band and a Youth Theatre Group. There are also local clubs such as the WI and Gardening club that use the Hall on a regular basis. The Hall is also hired out as a venue for family get togethers such as birthdays and wakes. On top of this the Committee organises several events throughout the year including regular coffee mornings, Annual Harvest Supper, Quiz Nights, Music Concerts, Pop Up Pubs.

In all these endeavours the trustees are aiming to provide a varied selection of activities all aimed at benefitting the residents of the parish of West Pennard and its surrounding areas.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

As well as the Trustees and Management committee, the hall benefits from the availability of many of our local residents, who are always willing to help when it comes to organising and setting up events which includes delivering leaflets door to door advertising upcoming events. This past year has seen the formation of a gardening group, made up of volunteers, who have undertaken the maintenance of the Village Hall outside space. A local grant from the Somerset Community Foundation provided funds for the group to buy a set of gardening tools. They have planted a border and several tubs with a mixture of Annuals and shrubs to give the Hall a welcoming and colourful look. This has been met with lots of positive comments from members of the community. The group rely on donations of plants but are also funded by the hall for the purchase of other materials.

Summary of the main achievements of the charity during the year

The Hall, having been built in 1937, provides a constant challenge in maintaining its fabric as well as improving, modernising and adding to the facilities.

The current committee have laid down a capital expenditure plan to achieve these things, this is under constant review and priorities allocated to each project.

Although the past 2 years have been difficult, due to Covid, we have been able to continue with this plan thanks to the generous Government grants provided via the local council, this amounted to some £17,000 this year.

In the past 12 months we have undertaken a major refurbishment of the Bar which has now given us another income stream in providing a staffed bar for private functions. To aid this the Hall is now a fully licenced premises.

Also ongoing is the modernisation of the electrical system, replacing aged light fittings with modern more efficient LED systems operated on sensors to negate the issue of lights being left on.

We have plans for the next few years to install a more professional sound system, including an induction loop, a proper stage lighting system and a fixed laser projector and screen.

Section E Financial review

Brief statement of the charity's policy on reserves

The management committee agreed that the charity accounts should attempt to maintain a reserve of minimum £5,000 to cover any unexpected costs.

Details of any funds materially in deficit

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
