PILKINGTON GENERAL CHARITY FUND

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 JUNE 2023

The trustees present their annual report and financial statements for the year ended 30 June 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the financial statements and comply with the charity's Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Trust was created by a Deed of Settlement dated 10 May 1950 under the terms of which Miss Constance Pilkington and Miss Christine Pilkington resettled the Funds of which they were life tenants under the terms of the Will of the Late Colonel W W Pilkington.

Under the terms of the Trust Deed the trustees are empowered to pay or apply the income for such charitable purposes as they in their absolute discretion think fit. The trustees also have power to advance capital.

Public Benefit Statement

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake. The Charities Act 2011 highlights the requirement for all charities to have charitable purposes or aims that are for the public benefit. Given the range and nature of the donations, the Trustees consider that they are able to show thereby that not only are their purposes and aims for public benefit but also the execution of those aims meet the criteria set by the Charities Act 2011.

Grants

During the year ended 30 June 2023 51 grants of £1,000 each were awarded.

Financial review

The Financial Statements, in respect of the year ended 30 June 2023, show incomings of £54,506 and total resources expended of £63,792, resulting in net outgoings of £9,286 before any gains or losses due to investment disposals or revaluations.

Reserves Policy

The Trustees do not consider the underlying capital to be reserves since it forms the sole source of income for the Trust. It is not the intention of the Trustees to build up or maintain income reserves, any under expenditure of income being balance by over expenditure in preceding or subsequent years.

Taxation Status

The Trust is a registered charity and as such is not liable to Corporation Tax, Income Tax or Capital Gains Tax on income and gains generated in the year. Irrecoverable VAT is included in the asset cost or the expense to which it relates.

Investment Policy

The investment policy is to maintain a balance between capital growth and income by which, over the long term, it is intended to maintain the real value of the capital and income. The trustees invest in equities, unit trusts, fixed interest and cash, with a medium risk profile as seems appropriate. These objectives are reviewed annually. The investment manager provides regular reports to the trustees who review the performance of the portfolio at least twice a year.

Risk Management

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. These systems and procedures are monitored on a regular basis by the Trustees.

PILKINGTON GENERAL CHARITY FUND

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2023

Structure, governance and management

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr N Jones

Mr A P Pilkington

Mrs E Ashton

The current Trustees would appoint new Trustees from within the wider Pilkington family concentrating on family members who have experience in the charity sector or who have other relevant skill sets. The training necessary is provided by senior family members who have been involved with the charity for many years.

The Charity's day to day management is delegated to one of the Trustees (at present A P Pilkington) and employees of Rathbones.

Trustee Expenses

The Trustees do not charge any fees or claim any reimbursement of their personal general management costs.

Trustees' Complaints Policy

All complaints are considered by the Trustees of the Charity and responded to within three weeks.

Asset cover for funds

The Trustees are satisfied that the charity's assets are available and adequate to fulfil its obligations in relation to those funds. The Trustees have decided to restrict annual expenditure within the income arising in the year (unless there are special circumstances) in order to preserve the long term viability of the Trust.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF PILKINGTON GENERAL CHARITY FUND

I report to the trustees on my examination of the financial statements of Pilkington General Charity Fund (the charity) for the year ended 30 June 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

STATEMENT OF CASH FLOWS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2023

1 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

2 Accounting policies

Charity information

Pilkington General Charity Fund is a registered charity which is registered with the Charity Commission of England and Wales.

1. Accounting convention

The financial statements have been prepared in accordance with the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

2. Going concern

At the time of approving the financial statements and as detailed in the Trustees' Report the trustees have have considered the impact of Covid-19 on the charity and the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

3. Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Grants are only made to Charities registered with the Charity Commission. No grants are made to individuals.

4. Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received. Investment income is accounted for on an accruals basis in the period to which it relates.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

PILKINGTON GENERAL CHARITY FUND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

2 Accounting policies

(Continued)

2.5 Expenditure

Management and administration costs comprise those costs incurred in running the charity. They have been apportioned on the basis of time spent between charitable activities, cost of raising funds and governance costs.

Grants are included in the financial statements when approved by the Trustees .

Governance costs consist of those costs associated with the overall running of the charity and meeting statutory and regulatory requirements.

6. Fixed asset investments

Fixed assets investments represent listed investments which are stated at market valuation, where market value represents the mid market value on the last trading day before the year end. Any unrealised or realised gains arising from investments are accounted for in the Statement of Financial Activities.

Fixed assets investments represent listed investments which are stated at market valuation as follows:

- a) listed securities are valued at the mid market value ruling at the accounting date.
- b) listed securities held in foreign currencies have been valued at the mid market value and translated into their sterling equivalents at the rates ruling at the accounting date.
- c) Gilts are valued at the mid market value ruling at the balance sheet date and include interest which has accrued up to that date.

The investments are held in Crest and registered by Tilney in the name of their nominee company.

Other recognised Gains and Losses

Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost and are charged or credited to the Statement of Financial Activities in the year of disposal.

Unrealised gains and losses represent the movement in market values during the year and are charged or credited to the Statement of Financial Activities resulting from revaluing investments to market value at the balance sheet date.

7. Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

8. Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

PILKINGTON GENERAL CHARITY FUND

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2023

2 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

The Trustees do not invest in any complex financial instruments.
