## **REPORT OF THE TRUSTEES for the year ended 31 December 2024**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### **Governing document**

The Charitable Trust was established under a Trust Deed dated the 8 October 1918, with modifications made 4 December 1923, 14 October 1930 & 21 February 2000. It was registered with the Charity Commissioners on 4th April 1967 (registration number 235321).

### **OBJECTIVES AND ACTIVITIES**

#### **Objectives and aims**

Warwick Road United Reformed Church Coventry is a City Centre Church, and we consider that worship and outreach are our primary purposes. We provide an opportunity for public worship, Christian education, and our Church Centre enables us to offer a meal and social support for the elderly.

The Trust Deed gives the trustees the power to apply funds available, once they have supported the Minister financially, paid for maintenance, repairs, loans and mortgages in such a manner as they think fit to or for the benefit of any charitable object or purpose.

When planning our activities for the year the trustees consider the Charity Commissions guidance on public benefit and, in particular the specific guidance on charities for the advancement of religion. The Church is serving the spiritual, social and cultural needs of the city centre community throughout the working week as well as on Sundays. We seek to do this by:

- Offering regular worship
- Being inclusive
- Serving older people
- Using our musical gifts
- Working for justice
- Working together with other churches and groups.

The trustees identify projects and organisations that they wish to support and these are then brought to a Church Meeting where members only are allowed to vote. The Trust does not make donations to people or organisations who apply speculatively. The Trust also has a policy of not responding to any correspondence unless it relates to donations it has agreed to make or to the general management of the Trust.

### **ACHIEVEMENT AND PERFORMANCE**

#### **Charitable activities**

The main Trustees' responsibilities concern the financial and personnel management and maintenance of the premises and equipment on behalf of the Elders. A variety of Church policies and procedures are monitored and updated by the Trustees, including the annual review of the Risk Management Assessment. The other policies and procedures are reviewed biennially.

2024 has been a year of continuing consolidation following the COVID-19 pandemic. The cafe is still very popular with income slightly improved on 2023, but due to difficulties in recruiting more volunteers we have been unable to return to being open 4 days per week, as was the case in 2020. Lettings in the Centre continued to increase slightly during the year.

Building maintenance and repairs to maintain the operational efficiency of the Church and Church Centre are costly items but the normal servicing of boilers, fire extinguishers and electrical equipment took place during the year.

### **REPORT OF THE TRUSTEES for the year ended 31 December 2024**

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Fundraising activities**

Income for the year was £154,792 while expenditure was £175,648. Catering income from the Open Doors Café in the Centre during 2024 totalled £33,152 for the year.

The Warwick Row properties provide the Church with substantial income and so it is important that occupancy continues to be maximised. Both apartments were fully let for the whole year. Income from the letting to Davisons Law of No.12 continued in 2024. The income from these properties, plus that from the car park spaces, provided £49,792 during 2024.

#### **FINANCIAL REVIEW**

##### **Financial position**

The main sources of revenue for the charity are collections, rental income and interest from investments. The policy of the Church is to maximise such revenue so as to achieve its objectives.

Total income for 2024 was £154,792 while total expenditure was £175,648. Income from unrestricted funds was £154,589 in 2024. Unrestricted expenditure decreased in the year by £5,256 to £175,648 meaning an overall deficit on unrestricted funds of £21,059. Therefore, the overall deficit this year was £20,856 compared to a deficit of £28,275 in 2023.

The review of activities and achievements are detailed in the major financial actions in 2024. We are making all efforts to maintain these actions, and at the same time we are reviewing all our expenditure to minimise wherever possible.

##### **Reserves policy**

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ("the free reserves") held by the charity should be approximately six months of the resources expended, which equates to £80,000 in general funds. At this level, the trustees consider that they would be able to continue the current activities of the charity in the event of a significant drop in funding. However, during the year we have paid off the remainder of the outstanding mortgage (£29,893) with Skipton Building Society. Therefore, actual free reserves at 31 December 2024 were £16,935. The trustees continue to work to build the base of incoming resources to enable it to meet its "free reserves" target.

### **REPORT OF THE TRUSTEES for the year ended 31 December 2024**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **RISK REVIEW**

The trustees continue to monitor the major risks to which the charity is exposed and systems have been established to mitigate those risks.

##### **MANAGEMENT AND GOVERNANCE ARRANGEMENTS**

The Trust Deed provides for a minimum of 5 and a maximum of 16 trustees. Where there is a requirement for a new Trustee, they are identified by the Trustees and recommendations put forward to a Church Meeting, where members can vote. The new Trustee receives a copy of the previous year's annual report and accounts and a copy of the Charity Commissioners leaflet "The Essential Trustee What you need to Know".

The Trustees annually review our Risk Assessment, and together with our Elders prepare and review our Church Plan. This plan sets our objectives for the next 3-5 years, and principal actions over the next 12 months. This enables people, money and other resources to be channelled to meet these priorities.

##### **CHURCH MERGER**

Late in 2020 the Church was approached by another church, Mosaic Church, with a view to their lease or purchase of the Sanctuary since they had outgrown their existing premises and were looking for a city centre base for their expanding congregation. Various discussions took place with Mosaic Church, WM Synod, and within Warwick Road Church regarding its future during the first half of 2021, and it was decided by Church Meeting on 11th July 2021 to agree to sell the Sanctuary (church building) to Mosaic Church at an agreed value in accordance with Charity Commission guidelines and to merge with West Orchard United Reformed Church. Since that date extensive negotiations over the details of the sale contract and future arrangements for the use of the retained Church Centre have taken place. A final service at Warwick Road took place on 22nd January 2022 with a view to proceeding with the sale and the merger with West Orchard URC. Since that final service Warwick Road URC and West Orchard URC have effectively merged their operations during 2022 with all services taking place at the Baginton Road site. Extensive amalgamation and update of organisational structures and policies have taken place and Baginton Road URC now exists as a de facto operation. As part of that process work has taken place, in conjunction with the URC's solicitor, to create a charitable incorporated organisation (CIO) which in due course is intended to replace the trusts of both Warwick Road Church and West Orchard Church. It is anticipated that this CIO will be approved by the Charity Commission early in 2025. However, because it is only the trustees of Warwick Road Church who are able to sign the sale contract for the Warwick Road Church building the implementation of the CIO cannot take place yet. When the sale of the church building is concluded the new charity can proceed.

The Warwick Road Centre and frontage Warwick Row properties continue to be operated at this stage by the Warwick Road Church trustees but in due course will become part of the Baginton Road URC CIO.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
WARWICK ROAD UNITED REFORMED CHURCH**

**Independent examiner's report to the trustees of Warwick Road United Reformed Church**

I report to the charity trustees on my examination of the accounts of Warwick Road United Reformed Church (the Trust) for the year ended 31 December 2024.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## WARWICK ROAD UNITED REFORMED CHURCH

### NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2024

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Voluntary income is received by way of collections and gifts and is included in full in the Statement of Financial Activities when receivable. The value of services provided by volunteers has not been included.

Grants and legacies are accounted for as soon as the charity is notified of its legal entitlement and the amount due.

Investment income is accounted for when receivable. Amounts owing to the church at 31 December are shown as debtors, less provision for amounts that may prove non-collectable.

Income from government grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants and donations are accounted for when paid over or when awarded, if that creates a binding obligation on the charity.

Resources expended are allocated to the particular activity where the cost relates directly to that activity. Where costs relate to more than one area they have been apportioned on an appropriate basis.

Governance costs comprise all costs involving the public accountability of the Church and its compliance with regulation and good practice. These costs include the production and independent scrutiny of these financial statements.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

## WARWICK ROAD UNITED REFORMED CHURCH

### NOTES TO THE FINANCIAL STATEMENTS - continued for the year ended 31 December 2024

#### 1. ACCOUNTING POLICIES - continued

##### **Tangible fixed assets**

- Freehold property - 2% on cost
- Fixtures and fittings - 10% on cost

Individual fixed assets costing £2,000 or more are capitalised at cost.

Freehold land is not depreciated.

##### **Investment property**

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date with changes in fair value recognised in 'net gains / (losses) on investments' in the SoFA.

##### **Stocks**

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Cost is calculated using the first-in, first-out formula. Provision is made for damaged, obsolete and slow-moving stock where appropriate.

##### **Taxation**

The charity is exempt from tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### **Debtors and creditors receivable/payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

##### **Cash and cash equivalents**

Cash and cash equivalents are defined as being highly liquid, with a short maturity of less than 3 months.

##### **Going Concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

##### **Leases**

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.
