HITCHIN UNITED CHARITIES
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2024

The trustees present their annual report with the Financial Statements of the charity for the year ended 31st March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their Financial Statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2019).

Objectives and Activities

Objectives and aims

The objectives of the charity are to provide and maintain Almshouses in Hitchin and district and to provide for the general charitable needs of local people.

Significant activities

The charity's objectives are achieved by collecting an occupational charge from the residents who occupy the Almshouses in Hitchin and district that are under the control of the trustees, together with returns from investments that are also under the control of the trustees.

The income is utilised as governed by the scheme document in maintaining, repairing and refurbishing as necessary the Almshouses, expended on necessary support costs for the functioning of the charity and providing grants appropriately applied for and approved.

Public Benefit

The trustees have paid due regard to the Charity Commissions Public Benefit Guidance and complied with section 17(5) of the Charities Act 2011 in exercising their powers and duties, and have sought to demonstrate that the charity continues to provide benefits to suitable persons who relate directly to its objectives. The benefits are publicly available to all who qualify. All applications are subject to due process and consideration without discrimination.

Achievements and Performance

Charitable activities

The trustees have continued to make available the Almshouses under their control. The constant demand has reflected the need for such charities that provide a valuable support service to the local community.

The Almshouses controlled by the trustees continued to be maintained, repaired and refurbished in order that the existing and new residents are properly catered for.

Donations and grants are made after due consideration by the trustees.

Financial Review

Financial position

The financial results for the year as shown on pages 7 and 8 reflect the occupational charges collected from residents, investment income received in the year, the costs incurred in collecting the income, maintaining the properties and support costs and the financial state of affairs of the charity at 31st March 2024. Overall the net movement in funds for the year was a deficit of £3,813 (2023: £41,790). The current assets of the charity as at 31st March 2024 were £355,475 (2023: £385,215).

HITCHIN UNITED CHARITIES
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2024

Principal sources of income

The major sources of income are:

- Occupational charges from residents.
- Investment income from investments.
- Rental income from car park controlled by the trustees.

There was an increase in occupational charges of £8,059 from £102,041 to £110,100 and an increase in investment returns of £1,879 from £5,614 to £7,493. This resulted in an overall increase in income of £6,212 (2023: decrease of £5,076).

Principal items of expenditure

The trustees continue to monitor and control costs that are incurred after due consideration. The main item of expenditure incurred continued to be the maintenance, repair and refurbishment of the properties under the control of the trustees.

There was a decrease in repair costs to properties of £2,727 from £77,071 to £74,344 (2023: increase of £49,407).

All the properties required continual maintenance. Costs for 2024 included electrical and plumbing repairs, and general maintenance, as well as replacing some of the glazed windows in the Skynners building.

There was an increase in gardening and cleaning costs of £1,368 from £5,726 to £7,049 (2023: increase of £322).

There was a decrease in water charges of £1,237 from £3,779 to £2,542 (2023: increase of £1,807).

There was a decrease in electricity charges of £2,593 from £4,293 to £1,700 (2023: increase of £3,016)

There was an increase in gas charges of £4,918 from £15,953 to £20,871 (2023: increase of £8,489).

There were no grants made in the year ended 31st March 2024 (2023: £nil).

This resulted in an increase in total expenditure of £327 (2023: £68,786). Overall in the year there was net expenditure before gains and losses of £26,710 (2023: £32,595).

Loss on revaluation of properties

Properties have been included at their 31st March 2001 values as an approximation of their cost or market value when first bequeathed to the charity, see note 8.

Investment policy

Consideration is given to the requirement to incur costs as required and provide charitable resources as requested.

Therefore having considered the options available the trustees have decided to retain excess funds in recognised charity investment funds that are fairly easily accessible.

Reserves policy

The policies adopted by the trustees are such that invested monies are carefully managed with a low risk, to ensure sufficient funds from the investments and contributions from residents are available to meet the main objectives of the charity.

A policy of regular meetings means that all aspects of administering the charity are fully reviewed and monitored.

The resources are monitored between the various designated funds. The trustees consider the present level of occupational charges from residents, the car park rental and investment income together with reserves is sufficient to ensure the present charitable activities can be maintained for a twelve month period. The present level of necessary resources is in the region of £150,000 but this is consistently kept under review.

Risk management

The trustees continue to assess and monitor the major risks to which the charity is exposed in particular in relation to insurance, operations and finance.

HITCHIN UNITED CHARITIES
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2024

Structure, Governance and Management

Governing document

Hitchin United Charities is governed by a scheme dated 5th April 1963 and registered with the Charity Commissioners on 26th October 1964 (charity number 236308).

The occupational address of the charity is Shilcock House, 99 Bancroft, Hitchin, Herts, SG5 1NQ.

Organisational structure

The charity has a Board of Trustees made up of seven co-opted trustees and seven nominated trustees, currently Preston Parish Council have not nominated a trustee.

The nominated trustees are appointed as follows:

- 5 by North Hertfordshire District Council
- 1 by Hertfordshire County Council
- 1 by Preston Parish Council

The co-opted trustees shall be persons residing or carrying on business in or near the North Hertfordshire District Council boundaries.

Co-opted trustees are appointed for a term of five years. Nominated trustees are appointed for a term of four years. Any competent trustee may be re appointed at the end of their term in office.

At present there are thirteen trustees that meet three times per annum and are responsible for the objectives and activities of the charity. The trustees are from a variety of backgrounds representing the community, all of who contribute to the working of the charity.

The trustees are supported by a clerk provided by John Shilcock Ltd, professional property advisers, who is responsible for:

- The collection of the occupational charges from residents and monitoring and reporting on the maintenance and repair required in respect of the properties controlled by the charity.
- Ensuring that all directives of the trustees are appropriately implemented.

Recruitment and appointment of trustees

The trustees seek to ensure that the necessary skills and experience are sustained in recruiting new trustees. New trustees are appointed through the various bodies listed. When vacancies occur the existing trustees are in a position to make recommendations to the nominative bodies on the appointment of trustees.

Trustees induction and training

All trustees are familiar with the work of the charity and are encouraged to be involved in the activities on a regular basis. New trustees receive briefings of the charities achievements, its future plans and their responsibilities. All existing trustees and proposed trustees are issued with a copy of the Charity Commissioners Guidance "The Essential Trustee", copy of the scheme and copies of the last Financial Statements to enhance their understanding of their statutory responsibilities.

Plans for Future Periods

The properties are of an age and specification that repairs and maintenance are constantly required to comply with residents needs and relevant legislation.

Reserves are required for:

- Unexpected repairs and maintenance that could be necessary at any time.
- Changes in internal refurbishments as necessary, within reason, to accommodate specific or specialist needs of residents.

HITCHIN UNITED CHARITIES
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
HITCHIN UNITED CHARITIES
FOR THE YEAR ENDED 31ST MARCH 2024

Independent examiner's report to the trustees of Hitchin United Charities

I report to the Charity's trustees on my examination of the Financial Statements of Hitchin United Charities (the Charity) for the year ended 31st March 2024, which are set out on pages 7 to 14.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the Financial Statements in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the Financial Statements of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of your charity's Financial Statements as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the applicable directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the Financial Statements did not accord with the accounting records; or
3. the Financial Statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the Financial Statements give a 'true and fair view' which is not a matter considered as part of an independent examination.
4. the Financial Statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Financial Statements to be reached.

(i), (ii) and (iii) are listed buildings and in the opinion of the trustees, it is virtually impossible to estimate a market value because from a planning point of view, they could not be used for anything other than Almshouses and being listed, are unsuitable for redevelopment. In addition, there is no likelihood of the properties being sold in the foreseeable future.

In previous years, the trustees have revalued the properties to the value used for insurance purposes. The original cost or market value when the properties were first bequeathed to the charity is not known. Given the restrictions outlined above, the trustees no longer believe it is appropriate to use the insurance value as the carrying value in the Financial Statements. A value was first placed on the four properties in the charity's Financial Statements on 31st March 2001. Accordingly, the trustees have reduced the carrying value of the four properties to the 31st March 2001 values as an approximation of their cost or market value when first bequeathed to the charity.
