Ufton Nervet Fuel Allotment Charity

Trustees' Report
for the year ended
31 December 2024

The Trustees have pleasure in presenting their Annual Report and Financial Statements for the year ended 31 December 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Ufton Nervet Fuel Allotment Charity is a charity, registered in England and governed by a Charity Commission scheme dated 1975 with subsequent changes in 1994 and 1999, and is a registered charity No: 236715.

In accordance with the governing document, there shall be not less than three Trustees at any time. Trustees are appointed by the Appointing Trustee, having regard to the skills, knowledge and experience needed for the effective administration of the Charity.

The list of current trustees and trustees who served during any part of the year can be found on page 1. The Hon Treasurer/Secretary manages the day-to-day operation of the charity under the direction of the Trustees, and has delegated authority for payments limited by a bank mandate.

STATEMENT ON PUBLIC BENEFIT

The objectives and activities, and achievement and performance sections of this report clearly set out the activities which the charity undertakes for the public benefit. The Trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the charity.

OBJECTIVES AND ACTIVITIES

The Charity's primary object is the relief of hardship and distress among residents in the parishes of Ufton Nervet and Sulhamstead. In accordance with the decision of the Charity Commissioners, any sums thereafter can be used for any charitable purpose within the parishes.

The income of the charity arises from investments in COIF and M&G Charifund.

ACHIEVEMENTS AND PERFORMANCE

The charity land has been used for the purpose of waste disposal and some recycling. This operation has been completed, and the landfill has been restored in accordance with the conditions of the planning authority. Work was completed in October 2003 and the replanting of the trees was also completed. Monitoring of the progress of the trees has continued under the care of the Warden.

Grant payments

These are divided into Grants to Organisations and Grants to Individuals. The individuals are assessed to have particular needs, and those whose circumstances are such as to warrant recurrent help receive help with fuel and water expenses. 13 families received fuel and water grants during the year.

Ufton Nervet Fuel Allotment Charity

Trustees' Report
for the year ended
31 December 2024

Grants are only made to, or for the benefit of, residents of Sulhamstead and Ufton Nervet, even if the benefit is provided for them outside the area. The charity has sufficient funds to meet all anticipated demands on it.

Grants made during the year were: Recurrent fuel and water needs for individuals £9,200 (2023: £10,738); William Bishop Charity £1,600 (2023: £1,600); Together in Mission £3,000 (2023: £3,000); SUN PCC £360 (2023: £7,059); SUN School £2,144 (2023: £1500); SUN Village Hall £3,381 (2023: Nil); Ufton Court £3,000 (2023: nil), Ufton Scouts £6,113 (2023: Nil); Ufton PC Nil (2023: £1,640); Often Nervous Players Nil (2023: £300). Altogether grants made during the year totalled £28,798 (2023: £25,837).

FINANCIAL REVIEW

During the year the Charity had income totalling £57,921 (2023: £52,479). Total expenditure during the year amounted to £33,185 (2023: £30,388). Due to net gain on the value of investments at year end of £31,919 (2023: net gain in value of £60,609) the net income for the year amounted to £56,655 (2023: net income £82,700).

With the significant reduction of revenue yield from working the land, the charity's income is restricted to earnings from dividends and deposit account interest from permanently endowed investments in COIF Charity Units and M&G Charifund Units.

The respective investment values as at December 31st 2024 are as stated in note 8 in the notes to accounts.

Investment Policy

The Trustees have chosen their investment vehicles on the basis of their specialization in Charity Funds and their history of prudent financial management.

Reserves policy

Total general reserves of the charity as at 31 December 2024 are £166,944 (2023: £139,509). Whereas, free reserves, which are general reserves excluding fixed assets and investments, are £60,724 (2023: £35,988) which the Trustees consider to be adequate for the Trust's on-going activities as there are no committed regular liabilities. The Trustees will review the reserve policy on an annual basis.

The free reserves of the charity are held in units in appropriate Charity fund management companies and cash balances are held on deposit and current account.

Ufton Nerve Fuel Allotment Charity

Trustees' Report
for the year ended
31 December 2024

It is the policy of the Trustees to support projects that may require substantial sums when they come to fruition. The purchase of and refitting of St Peters Church in Ufton Nerve as a Cultural Community Centre, to which the Charity has made grants in previous years, continues. No project is undertaken unless the Trustees, having taken a prudent view, are confident that sufficient funds are available.

RISK MANAGEMENT

The Trustees have reviewed the major and financial risks that impact on the work of the charity. The systems that have been established enable the Trustees to review and take necessary steps to lessen these risks.

Statement of Trustees' Responsibilities

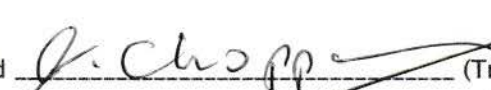

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In preparing these financial statements, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgments and accounting estimates that are reasonable and prudent;
- d) state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 28th October 2025 and signed on their behalf by:

Independent Examiner's Report to the Trustees of Ufton Nerve Fuel Allotment Charity

I report on the financial statements of the Trust for the year ended 31 December 2024 as set out on pages 7 to 16.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

The trustees confirm an audit is not required under section 144(2) of the Act and an independent examination is needed.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP FRS 102 1A), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011 and UK GAAP.

The charity is registered with Charity Commission. The registered office address is given in the charity information page.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

b) Public benefit entity

The Charity meets the definition of a public benefit entity under FRS 102.

c) Going concern

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

There were no key judgements that the Charity has made which have a significant effect on the accounts.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

d) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

e) Interest and dividend receivable

Interest on funds held on deposit and fixed asset investments is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividend is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

For the year ended 31 December 2024

1 Accounting policies (continued)

f) Fund accounting

Permanent Endowment funds consist of net book value of land and fair value of investments to be held as capital. The trustees have no power to convert these funds into income. However, there is no restriction on use of any income arising from capital or assets held as permanent endowment.

Unrestricted funds are donations and investment income received or generated for the charitable purposes.

g) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of Grant Making undertaken to further the purposes of the charity and their associated support costs. Grants payable are recognised in the SOFA when they are approved by the Trustees and recipient has been informed.
- Support costs include the cost of overall direction and administration of the charity's activities,

h) Allocation of support costs

Resources expended are allocated to the particular activity where the cost relates directly to that activity. However, the cost of overall direction and administration currently is apportioned to Grant Making activity in full.

i) Tangible fixed assets

Land is valued at residual value after it has been fully utilised for landfill. Depreciation has not been provided for on this land because this valuation represents the minimum value of the land if sold.

Listed investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Any change in fair value will be recognised in the statement of financial activities and any excess of fair value over the historic cost of the investments will be shown as a fair value reserve in the balance sheet. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading "Net gains/(losses) on investments" in the statement of financial activities. The charity does not acquire put options, derivatives or other complex financial instruments.

j) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Cash balances exclude any funds held on behalf of service users.

k) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
