Achievements and performance

The Society has had a good year. Following the disruption caused by the Covid crisis the trustees agreed that in our Patrons', Her Majesty The Queen's, Platinum Jubilee year a show was important. It was decided that the show should move from its location of the last number of years at St George's School Windsor to the York Club in Windsor Great Park. The location allows for a more spacious event and a prospect to grow. Alex Denman Show director staged an excellent event with over 4000 visitors more than 4 times the number of the last show. The Countess of Wessex attended the event along with the Societies new Honorary President, gardening personality, Alan Titchmarsh. Mr Titchmarsh described it as the 'Perfect British Flower Show'. Membership grew by over 110 to 370 members and the scale and scope of the monthly talks evolved very promisingly. I would like to thank the trustees, members of the committee, show volunteers and members for a memorable and successful year.

The very sad death of our Patron, Her Majesty The Queen, was marked and remembered at both member and trustee events and letters of condolence were sent to members of the Royal Family close to the Society. Our thoughts and well wishes are with The King and Queen Consort and their family. God save the King.

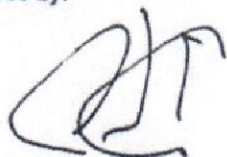

Financial review

The trustees believe that the society has sufficient funds to meet the likely financial commitments for any show that it may decide to hold in the future.

Plans for future periods

The Society continues to look for ways of increasing its membership and remaining true to its traditional, relevant and educational roots.

The trustees' annual report was approved on 28/10/22 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Royal Windsor Rose and Horticultural Society

Year ended 30 September 2022

I report to the trustees on my examination of the financial statements of Royal Windsor Rose and Horticultural Society ('the charity') for the year ended 30 September 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
