FIRST CHURCH OF CHRIST, SCIENTIST, LONDON
Charity No: 238685

**EXECUTIVE BOARD'S ANNUAL REPORT
FOR FINANCIAL YEAR TO 30 JUNE 2025**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

First Church of Christ, Scientist, London, 8 Wright's Lane, London W8 6TA, is a branch of The First Church of Christ, Scientist, in Boston, Massachusetts, USA, and is registered as a Church with the Charity Commissioners (No. 238685). The governing instrument is the Constitution and Rules, together with the *Manual of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts* insofar as applicable to Branch Churches.

Organisational Structure and appointment of Executive Board

The Church is democratically governed by the members whose wishes are put into effect by the Executive Board of five, elected annually by the members to serve for a maximum of four years. The Board members up until June 2025 were Jeremy Bradshaw (Chairman), Stephen Eggins, Elizabeth Collison, Robin Harragin, and John Luke.

The Board appoints the Clerk to support the Board and act as Clerk to Members' meetings.

All decisions are taken by the Members through quarterly business meetings. The Board has delegated powers to carry out members' wishes and to conduct the general administration of Church affairs and meets a minimum of once a month except for August.

Board members have access to a library of relevant literature and CDs issued by the Charity Commission, with a pack being prepared for each new Board member. Any specific subject-related training is provided as and when necessary.

Risk Management

As the building is open to the public the Trustees are aware of their responsibilities and obligations.

The Health and Safety Committee reports to the Board on the ongoing safety checks for the building. This is overseen by an annual inspection by McCarthys Group who identify outstanding matters in order that the church is in compliance with government regulations.

OBJECTIVES AND ACTIVITIES

The object of the church as stated in its constitution and rules is "To spread the understanding of Truth as set forth in the Bible and interpreted in *Science and Health with Key to the Scriptures* by Mary Baker Eddy, the discoverer and founder of Christian Science." Mrs Eddy defines Church as "*the structure of Truth and Love; whatever proceeds and rests upon divine Principle. The Church is that institution which affords proof of its utility and is found elevating the race, rousing the dormant understanding from material beliefs to the apprehension of spiritual ideas and the demonstration of divine Science, thereby casting out devils, or error, and healing the sick*".

The Church is not involved in fund-raising projects, but relies upon income from Sunday collections, donations, legacies and rents to fund its activities. Members volunteer to help in the Reading Room and with other church activities, whilst salaries are paid to perform key roles. Sub-committees are appointed annually to carry out specific duties.

The Trustees have referred to the guidance contained in the Charity Commission general guidance on public benefit when reviewing the Church's aims and objectives and in planning future activities.

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON

Charity No: 238685

EXECUTIVE BOARD'S ANNUAL REPORT FOR FINANCIAL YEAR TO 30 JUNE 2025

Achievements and performance

Overall:

First Church of Christ, Scientist, London, located off Kensington High Street, serves the community through Sunday Services and Wednesday Testimony Meetings, and through its Reading Room where literature is available to buy or borrow. There are facilities for private study, public lectures, Sunday School, a Zoom service and a church website. The Church also supports two Prison Chaplains, one at HMP Wandsworth, and one at HMP Wormwood Scrubs.

Services:

The Sunday Service comprises hymns, silent prayer and The Lord's Prayer, and selections from the Bible and the Christian Science textbook, *Science and Health with Key to the Scriptures* by Mary Baker Eddy. The Wednesday evening service is similar but provides an opportunity for the congregation to testify of their own inspiration and healings. A warm welcome awaits all – visitors and members alike. Zoom facilities are available to listen to every service.

Sunday School:

In accordance with the founder of Christian Science, Mary Baker Eddy, the Church provides a Sunday School for students up to the age of 20 where teaching is from the Bible and *Science and Health with Key to the Scriptures*.

Reading Room:

Reading Rooms were established by the Founder of Christian Science as an essential part of each church's community outreach. As well as offering Bible and denominational research resources, a free Lending Library, and book sales, it provides a quiet room for personal study and contemplation – open to all. A Librarian is available to answer questions as well as offering inspirational support for those in need. The Reading Room is located on the ground floor of the Church building.

Public Lectures:

The Reading Room space in the Church foyer, visible from the street and easily accessible, is used for public lectures on Christian Science. The church sponsors three such lectures that are also presented via online services, and they achieve a wide range of viewers.

Treasury and accounting:

The Treasurer oversees the Accounts Manager who carries out the transaction processing and book-keeping.

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON
Charity No: 238685

EXECUTIVE BOARD'S ANNUAL REPORT
FOR FINANCIAL YEAR TO 30 JUNE 2025

FINANCIAL REVIEW

The financial results for the year were satisfactory with an increase in income and continued growth in our investment portfolio. The sale of a commercial property resulted in an increase in funds under the management of our investment managers.

The church currently maintains a balanced portfolio of investments to enable it to fund its activities. These include investments in property, both commercial and residential; a portfolio of stocks and bonds managed by a leading City Investment Management Company; and cash held on deposit at CAF Bank. More details are given in the financial statement.

In accordance with the Church Constitution and Rules, church membership includes the expectation that members will make financial contributions to support activities.

RESERVES POLICY

It is the Church's policy to maintain adequate reserves to permit it to carry out its charitable objective well into the future. This demands that expenditure for operational and capital purposes is prudently managed in the course of meeting its charitable objective.

Details of restricted funds are included in the Balance Sheet together with notes.

INVESTMENTS

The church leases one commercial property; in addition, it retains the freehold to an adjacent building of long-leased multiple apartments in Iverna Gardens.

Where funds are placed under the management of a third party, the requirement is that such party should be regulated by the relevant UK regulatory body for investment management business. The Treasurer and Executive Board review the financial performance of the funds under management.

The investment objective is to protect the capital of the Church in order for it to fulfil its charitable purposes. The investment philosophy is that the portfolio should be operated with a view to maximising total return consistent with capital preservation.

The portfolio of invested funds by W1M Wealth Management Limited (previously known as Waverton Investment Management Limited) performed satisfactorily with market value increasing on the previous year.

RISK MANAGEMENT

As a charity the Church is exempt from income tax and capital gains tax, changes in tax legislation are unlikely to affect our finances. The investment portfolio is subject to market fluctuations. However, because the Church also holds freehold investments in offices and residential property it is seen as unlikely that all sectors will fail at the same time.

**EXECUTIVE BOARD'S ANNUAL REPORT
FOR FINANCIAL YEAR TO 30 JUNE 2025**

PLANS FOR FUTURE PERIODS

There are no major changes to the church building being planned.

The Board will continue to negotiate with the lessee of the church's adjoining property, for which we own the freehold, in an effort to have the property yield an acceptable income.

The Board will continue to scrutinise administrative processes and responsibilities to ensure that members understand and support them.

TRUSTEES AND ADVISORS

In addition to the Executive Board, the Church has Holding Trustees in whose names all freehold properties of the charity are vested. The incumbents for this period are: Mr Peter King, Mr John Luke, Ms Caitlin Shannon and Mr Mark Tousey.

The Church's bankers are CAF Bank Ltd, Kings Hill, West Malling, Kent ME19 4TA and National Westminster Bank plc, London Sloane Square Branch, Unit 5, The Willett Building, 2 Sloane Gardens, London, SW1W 8DL. The solicitor is Edwin Coe LLP, 2 Stone Buildings, Lincoln's Inn, London WC2A 3TH. The investment bankers are W1M Wealth Management Limited, and the auditors are Kingston Burrowes Audit Ltd, 308 Ewell Road, Surbiton, Surrey, KT6 7AL.

STATEMENT OF EXECUTIVE BOARD'S RESPONSIBILITIES

The Executive Board is responsible for preparing the Executive Board's Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Executive Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Executive Board is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Executive Board is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. It is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the Executive Board

Jeremy Bradshaw, Chairman

Date: 9.12.2025

INDEPENDENT AUDITOR'S REPORT TO THE EXECUTIVE BOARD OF:

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON

Opinion

We have audited the financial statements of First Church of Christ, Scientist London (the 'charity') for the year ended 30 June 2025 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2025, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Executive Board's annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE EXECUTIVE BOARD OF:

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on pages 4 and 5, the trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance about actual and potential litigation or claims and the identification of non-compliance with laws and regulations.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls, including testing journal entries and other adjustments for appropriateness.
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- Professional scepticism in course of the audit and with audit sampling in material audit areas.

INDEPENDENT AUDITOR'S REPORT TO THE EXECUTIVE BOARD OF:

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON

/continued...

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our Report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

1. ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Incoming recognition policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the item(s) of income have been met or are fully within the control of the charity.
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Expenditure recognition

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs associated with the management of the Charity's investments.
- Expenditure on charitable activities includes the costs undertaken directly to further the purposes of the Charity and their associated support costs.

Tangible Fixed Assets

The freehold property occupied by the Charity is stated at its residual value which is not depreciated. However, all improvements to the property are depreciated in line with the policy below.

Other tangible fixed assets are depreciated as follows:

Property improvements	10% straight line
Office equipment	25% straight line

Investment Assets

Investment properties are initially recognised at cost and subsequently restated at market value at the end of each accounting period. Revaluation gains and losses are recognised in the Statement of Financial Activities. Formal valuations are not carried by appropriately qualified persons. Due to the cost of obtaining professional valuations, these are carried out periodically but not annually. In the intervening years the market value is determined by the trustees taking into account the last formal valuation and their assessment of the property market.

Listed investments are initially recognised at cost and subsequently restated at market value based on published stock exchange valuations at the end of each accounting period. Gains and losses on revaluation and disposal are recognised in the Statement of Financial Activities.

FIRST CHURCH OF CHRIST, SCIENTIST, LONDON

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025
(Continued)**

1. ACCOUNTING POLICIES (Continued)

Taxation

As the Church is a registered Charity the results of its normal activities are not liable for tax.

Stock

Stocks of reading material are stated at cost.

Pension costs

The charity operates a defined contribution pension scheme. Contributions payable are recognised in the Statement of Financial Activities in the year to which they relate.

Debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairments are recognised in expenditure.

2. DONATIONS AND LEGACIES	Total 2025 £	Total 2024 £
