Potential trustees are invited to be nominated for appointment. Every future trustee shall be appointed for a term of five years by resolution of the Trustees passed at a meeting of the Trust (normally the annual meeting) of which 21 days' notice shall be given.

- 3 There are no specific restrictions on the Charity's operations imposed by the governing document and therefore there are no specific investment powers.

The main purpose of the Charity is to distribute its investment income for the benefit of the people of Slough. To this effect at a meeting on the 12<sup>th</sup> September 2001 it was agreed that the income should be distributed between Slough schools by way of grants.

To this end all state run Schools in Slough were contacted asking for bids for school projects. At a meeting on the 7<sup>th</sup> October 2024 it was agreed that up to £21,250 be distributed over eight projects from the income generated from the investments. In the event, the amounts agreed and paid (once invoices were received) are shown below:

School	Agreed £	Paid £
Langley Hall	3,000	2,997
Littledown	4,000	3,955
Penn Wood	3,000	3,000
Phoenix Academy	1,110	940
Pippins	4,000	3,992
Rotary Burnham Beeches	640	608
Rotary Club of Slough	1,500	1,300
Ryvers	4,000	3,323
<b>Total</b>	<b>21,250</b>	<b>20,115</b>

At the forthcoming 2025 Annual Meeting the Trustees will consider the distribution of income for the year ended 8<sup>th</sup> July 2025 together with any underspend from the previous year, but mindful of the on-going revenue account balance.

The Trust has no paid staff and no direct connections with other charities, although some trustees may also be trustees of schools or charities in Slough. No trustee received remuneration or expenses. There are no subsidiary or associate undertakings whose results are included in the accounts of the Charity, or in the notes to the Charity's Accounts. The Charity is considered to be a going concern.

- 4 The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising powers and duties. The charity's purpose is carried out for the benefit of the people of Slough. It was agreed with the Charity Commissioners that this would be achieved by making grants to state run schools in the Borough of Slough, in order to improve the education of beneficiaries.

The policy regarding capital and income is as set out in the Trust Deed item 24, whereby any proceeds of the sale of the Hall shall be invested in trust for the Charity. Thereafter, the Trustees shall apply the clear income and, subject to the approval of the Commissioners, the property of the Charity, in furthering the objects of the Charity or for such other charitable purposes for the general benefit of the inhabitants of the area of benefit as the Trustees think fit.

- 5 For the year ended 8<sup>th</sup> July 2025 investment income received by the General Fund was £45,440, representing an approximate gross yield of 3.5%, or 2.2% net of fees (3.7% and 2.4% in 2023-24 respectively). After £20,115 of grants, £16,888 of professional fees and £803 of independent examination fees and other charges, there was a net surplus of £9,427. Professional fees were around 37% of income received. This leaves a General Fund balance of £47,787 that is carried forward into the next financial year. The Designated Fund balance was £1,393,775 at the year end, after a net surplus in investments of £54,594, lower than last year's gains of £115,413.

## 6 RISK ASSESSMENT

At a meeting of the Trustees on the 25<sup>th</sup> August 2004 and on the advice of our independent examiners, a risk assessment was carried out and the following points (A to E) were discussed. Each year these risks are reviewed to ensure any significant change in risk is managed appropriately.

- A. To mitigate the risk of embezzlement, CAF Bank payments are made on-line and require two authorised persons to approve each payment. The cashbook and accounts are also checked by an independent examiner.
- B. To mitigate the risk of acting in a non-charitable manner, and after previous problems, a new Trust Deed was prepared in consultation with the Charity Commissioners and our Solicitors. The Charity Commissioners had passed the document which was signed and sealed on 26<sup>th</sup> September 2000. In consultation with the Charity Commissioners and our Solicitors it was agreed on 12<sup>th</sup> September 2001 that income should be distributed, at the discretion of the Trustees, between the Schools of Slough.
- C. To ensure there are no omissions, a list of Slough Schools is obtained each year from Slough Borough Council, and each of the schools is circulated asking for bids for our funds and setting out our criteria for donating grants.
- D. To ensure there are no incorrect payments, copy invoices are requested from the Schools before reimbursement is made.
- E. To ensure the preservation of our funds, financial advisers Charles Stanley are employed by the Trustees. They are authorised and regulated by the Financial Conduct Authority, and as agreed at the meeting on 25<sup>th</sup> August 2004 they would be employed in an advisory capacity at a fee each year, to oversee the trust's investments and advise the trustees on sales and purchases. This advice would be taken. It was agreed at the 2019 annual meeting that Charles Stanley would be employed in a discretionary managed role, which allows them to manage the portfolio independently.

The Trustees agreed that this assessment covered all foreseeable risks and forms the body of our Risk Assessment. This Risk Assessment was last reviewed at the meeting on 7<sup>th</sup> October 2024 and will be reviewed at the 2025 Annual Meeting.

This concludes the Report of the Trust for the year ended 8<sup>th</sup> July 2025.

**Independent examiner's statement**  
**on the accounts for the year ended 8<sup>th</sup> July 2025**

I report on the accounts for the year ended 8th July 2025

**Respective responsibilities of trustees and examiner**

As the charity trustees you are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Act,
- follow the procedures laid down in the General Directions given by the Charity Commission under Section 145(5)(b) of the Act, and
- state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes consideration of any unusual items, in nature or scale, or disclosures in the accounts, seeking explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair' view. My report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with the examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act

have not been met; or

(2) to which in my opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached.
