The Moreton-In-Marsh Charity

Report of the Trustees for the year ended 31 December 2022

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and public benefit

The objects for which the charity is established are to relieve, either generally or individually, persons resident in the parish of Moreton-in-Marsh and the neighbourhood thereof who are in conditions of need, hardship and distress by making grants of money or providing or paying for items, services or facilities calculated to reduce the need, hardship and distress of such persons.

In planning the charity's activities for the year, the trustees keep in mind the charity Commission's guidance on public benefit.

Activities and achievements for the year

The Moreton-in-Marsh Charity provided significant charitable assistance to various individuals and organisations in 2022. A total sum of £31,235 (2021 - £19,955) was given to individuals, community groups and organisations whose applications met the charity's criteria, with awards being distributed as follows:

Education-related needs and projects were supported with grants totalling £5,486 (2021 - £10,000), with individual students receiving assistance with university and education expenses totalling £2,400 (2021 - £2,000). Sports and community projects were generously supported with £19,145 (2021 - £4,839). Support of £4,204 (2021 - £3,116) was provided to individuals and families in particular financial difficulty.

Very few applications were refused. Those that were not approved were from outside the area covered by the Charity or did not fall within the Charity's objectives. Under the terms of the Charity's constitution, applications from people resident outside the Parish of Moreton-in-Marsh cannot be considered. Additionally, the Moreton-in-Marsh Charity's constitution does not permit it to give to other registered charities. Wherever possible, however, such applicants were given advice about other charities and potential funding opportunities.

FINANCIAL REVIEW

Investment policy and objectives

The Trustees' Act 2000 now confers the charity's investment powers. The charity aims to gain the best interest rates and does not invest in any risk funds.

Reserves policy

The charity has no significant source of income other than investment income. The trustees will endeavour to maintain reserves at a level that provides recurring income for the trustees to distribute in accordance with the scheme.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
