## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 DECEMBER 2021

---

The Trustees present their annual report and financial statements for the year ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust's deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **Objectives and activities for the public benefit**

The objects of the Trust are the advancement of religion, the relief of poverty, the advancement of education and learning, the provision of medical aid and any other objects of a charitable nature beneficial to the public at large. These objects are achieved by the granting of Qardan Hasana (interest free loans), as well as by giving donations from the unrestricted funds.

The policy of the Trust continues to be to seek additional support and provide for the aims as stated.

The Trustees confirm that they have paid due regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objects for the year.

#### **Activities and achievements**

The Trust carries out a wide range of activities in pursuance of its charitable aims. The Trustees consider that these activities provide benefit both to the community members and the wider public in general.

#### **Financial review**

The Statement of Financial Activities set out on page 7 shows the Trust's income and expenditure for the year ended 31 December 2021.

Total income amounted to £118,457 (2020: £119,464). This included rental income of £102,376 (2020: £111,024) and unrestricted donations of £16,081 (2020: £8,440). The unrestricted donations have been used to augment the funds available for the Mohammedi Qardan Hasana Scheme.

Total expenditure amounted to £120,162 (2020: £210,458).

After allowing for the unrealised gains on the Trust's investment properties for the year of £323,904 (2020: £nil), the net movement in funds for the year resulted in a surplus of £328,199 (2020: a deficit of £90,994).

The balance sheet set out on page 8 shows the financial position of the Trust at 31 December 2021.

Total assets less liabilities amounted to £8,196,617 which is represented by the accumulated balances on the unrestricted income funds of £8,195,617 (2020: £7,867,417).

The net assets of the unrestricted income funds are held to meet the ongoing overheads and administrative expenses and also to be applied towards the Trust's charitable objectives

New loans advanced during the year amounted to £1,805,100 an increase of £773,001 on the previous year. Loans outstanding at the year end amounted to £3,420,316 (2020: £3,166,537).

#### **Reserves policy**

The policy of the Trust is to hold funds in excess of those needed to meet normal operating costs as this enables the Trust to continue to grant Qardan Hasana loans as and when required.

The balance held as unrestricted funds at the year end was £8,196,617, of which £4,580,617 are regarded as free reserves, after allowing for funds represented by investment properties. All unrestricted funds of the Trust are held for its general purpose.

#### **Social investment**

Due to the tenets of the Dawoodi Bohra faith, interest can neither be received or paid and as a result the Trust provides a programme related scheme in the form of interest free loans (commonly referred to as Qardan Hasana) in order to directly further its charitable purposes. The scheme currently is available to other connected charities and businesses.

## TRUSTEES' REPORT (CONTINUED)

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

### **Risk management**

The Trustees have assessed the major risks to which the Trust is exposed in particular those relating to the operations and finances of the Trust and are satisfied that systems are in place to mitigate their exposure to the major risks.

### **Plans for the future**

The policies and purposes of the Trust shall continue under the provisions of the Trust Deed.

### **Structure, governance and management**

The Trust was established by a trust deed dated 28 August 1964 effected by the late 51st Dai al - Mutlaq, His Holiness Dr Syedna Taher Saifuddin (RA).

The Trustees named on the legal and administrative information page have served during the year and up to the date of this report, except as noted. Trustees are appointed by the Dai al - Mutlaq for a period not exceeding five years. Trustees may be reappointed at the end of a term of five years. The current Trustees term will end on 27 August 2024.

The 53rd Dai al-Mutlaq, His Holiness Dr Syedna Mufaddal Saifuddin (TUS) has confirmed and validated the appointment of the Trustees named on the legal and administrative information page and has graciously permitted the Trustees of the Trust to continue to function as such in accordance with the provisions of the Trust Deed.

Meetings of the Trustees are held to agree the strategy and areas of activity of the Trust including the consideration of grants and Qardan Hasana (interest free loans), reserves and risk management policies and activities. The day to day administration of the Trust is carried out by the Operating Trustee.

The Trustees consider the board of Trustees as comprising the key management personnel of the Trust in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All Trustees give their time freely and no Trustee remuneration was paid in the year.

The Trustees' report was approved by the Board of Trustees and signed on their behalf by:

Farazdaq Bhaisaheb Husaini

Trustee

Dated: 25 October 2022

# **THE SAIFEE FOUNDATION OF EUROPE**

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

***FOR THE YEAR ENDED 31 DECEMBER 2021***

---

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# THE SAIFEE FOUNDATION OF EUROPE

## INDEPENDENT AUDITOR'S REPORT

### TO THE TRUSTEES OF THE SAIFEE FOUNDATION OF EUROPE

---

#### Opinion

We have audited the financial statements of The Saiffee Foundation of Europe (the 'Trust') for the year ended 31 December 2021 which comprise the statement of financial activities, the balance sheet and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

# THE SAIFEE FOUNDATION OF EUROPE

## INDEPENDENT AUDITOR'S REPORT (CONTINUED)

### TO THE TRUSTEES OF THE SAIFEE FOUNDATION OF EUROPE

---

#### **Responsibilities of Trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### **Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management. Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity and determined that the most significant are those that relate to the reporting framework being FRS102, Charities SORP (FRS 102), Charities Act 2011 and the Financial Conduct Authority's (FCA) rules and regulations.
- We understood how the charity is complying with those frameworks by making enquiries of management and seeking representations from those charged with governance. We corroborated our understanding by reviewing supporting documentation including Trustees' meeting minutes.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved enquiries of management and those charged with governance, review of legal and professional expenses and review of Trustees' meeting minutes.
- We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur by considering the risk of management override of internal control and by designating revenue recognition as a fraud risk. We performed journal entry testing by specific risk criteria, with a focus on journals indicating large or unusual transactions based on our understanding of the business. We tested completeness of income through substantive tests performed, analytical review procedures and cut off tests on the income recognised.
- The charity is a regulated entity under the supervision of the Charities Commission. As such, the Senior Statutory Auditor considered the experience and expertise of the engagement team to ensure that the team had the appropriate competence and capabilities.

## INDEPENDENT AUDITOR'S REPORT (CONTINUED)

### TO THE TRUSTEES OF THE SAIFEE FOUNDATION OF EUROPE

---

#### **Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Citroen Wells**  
**Chartered Accountants**  
**Statutory Auditor**

26 October 2022

Devonshire House  
1 Devonshire Street  
London

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2021

---

#### 1 Accounting policies

##### Charity information

The Saiffee Foundation of Europe is an unincorporated charity governed by a trust deed. The Trust is registered in the United Kingdom and its registered address is at 6 Mohammadi Park, Rowdell Road, Northolt, Middlesex, UB5 6AG.

The principal accounting policies adopted and judgement in the preparation of the financial statements are as follows.

##### 1.1 Basis of preparation

The financial statements have been prepared in accordance with the Trust's deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019). The Trust meets the definition of a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Trust.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

##### 1.2 Going concern

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

##### 1.4 Incoming resources

Income is recognised when the Trust has entitlement to the income and that it is probable that the income will be received and the amount of income can be measured reliably.

Where possible, donations are accounted for on a receivable basis. However, it is recognised that voluntary donations from individuals cannot be treated in this manner where there is no contractually enforceable right to donations promised. For this reason donations from individuals are normally accounted for on a receipts basis.

Rental income is accounted for on a receivable basis.

##### 1.5 Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust.

Governance costs are those incurred in connection with the management of the Trust, organisational administration and compliance with constitutional and statutory requirements.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

# THE SAIFEE FOUNDATION OF EUROPE

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

### 1 Accounting policies (Continued)

#### 1.6 Tangible fixed assets

Tangible fixed assets costing £3,000 or above are capitalised and stated at cost less depreciation. All assets costing less than £3,000 are expensed. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	Straight line over 5 years
--------------------------------	----------------------------

#### 1.7 Investment properties

Investment properties, which are properties held to earn rentals and/or for capital appreciation, are measured using the fair value model and stated at their estimated fair values as at the reporting end date as determined by the Trustees. The surplus or deficit on revaluation is recognised in the statement of financial activities.

#### 1.8 Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### 1.9 Foreign exchange

Foreign currency transactions are initially translated at the spot rate at the date of the transaction. Monetary assets and liabilities denominated in a foreign currency at the balance sheet date are translated at the applicable exchange rates at the year end. The net differences arising have been dealt with through the statement of financial activities.

#### 1.10 Qardan Hasana

Qardan Hasana balances (interest free loans) are initially recognised and measured at the amount received or paid with the carrying amount adjusted in subsequent years to reflect repayments and adjusted if necessary for any doubtful debts.

### 2 Critical accounting estimates and judgements

The preparation of financial statements requires management to make estimates, judgements and assumptions that affect reported income, expenses, assets and liabilities. However, the nature of estimation means that actual outcomes could differ from those estimates. The valuation of the investment properties may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

### 3 Donations

	2021 £	2020 £
Mohammedi Qardan Hasana	16,081	8,440

Donations represent funds received from members of the community to support the Mohammedi Qardan Hasana Scheme.
