TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The object of the Church is to demonstrate and publicly present the Truth as set forth in the Bible and interpreted by Mary Baker Eddy, the Discoverer and Founder of Christian Science in her book 'Science and Health with Key to the Scriptures'.

The main activities of the Church are as follows:

To hold Sunday Services.

To hold Wednesday evening Testimony meetings.

To hold a Sunday School for pupils up to the age of 20.

To maintain a Reading Room and Library for the study and sale of Christian Science literature.

All of the above activities with the exception of member meetings, are open to the general public and are free.

Achievements and performance

Our Church services and Sunday school classes for pupils up to 20 years old have been held every Sunday morning, and a testimony meeting every Wednesday evening throughout the year. These were held in the church building, and the services and evening meetings were also available online via Zoom, which was much appreciated by those who find attending difficult. All these services and meetings were open to the public.

The Reading Room was open for public use 3 days each week, as well as 2 Saturdays each month.

On 15th April a free public lecture on Christian Science entitled "Finding Trust in a Changing World" was held in the church building. The speaker was Lesley Pitts CS, a member of the Christian Science Board of Lectureship.

Support was given to other Christian Science activities of care and outreach.

The church building was maintained as necessary, including regular maintenance contracts for the air conditioning, lift, boiler, and fire alarm and extinguishers. A major item was the installation of a safety edge on the lift doors.

Financial review

The reserves of the Church are invested to provide an income to meet the costs of running the Church.

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that the systems are in place to mitigate exposure to the major risks.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Structure, governance and management

The governing document is the Church Bylaws. The Church is constituted by those members whose names are inscribed on the roll of membership. The executive board members are the trustees and are elected by ballot. Their names are included in the annual report provided to the Charity Commission. The church land is vested in the Charity Commission's Official Custodian.

The trustees who served during the year and up to the date of signature of the financial statements were:

Naomi Churnside	(Resigned 30 November 2023)
Roger Peters	(Resigned 30 November 2023)
Jackie Collins	(Resigned 30 November 2023)
Dorothy Plummer	
Hugh Plummer	
Mrs W Peters	(Appointed 1 December 2023)
Ms C McCants	(Appointed 1 December 2023)
Mr C Churnside	(Appointed 1 December 2023)

There is an annual election meeting held by the Church in which the Trustees and certain other office holders are elected for the coming year.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF FIRST CHURCH OF CHRIST, SCIENTIST, NEWCASTLE UPON TYNE

I report to the trustees on my examination of the financial statements of First Church of Christ, Scientist, Newcastle upon Tyne (the Church) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the Church you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Church's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Church as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

First Church of Christ, Scientist, Newcastle upon Tyne is a Public Benefit Entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Church's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Church is a Public Benefit Entity as defined by FRS 102.

The Church has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Church. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Church has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Church.

1.4 Income

Income is recognised when the Church is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Church has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The policy for including items within the fundraising and charitable activities is on an accrual basis.

Charitable activities comprise of expenditure associated with promoting the teachings of the Church and include both the direct costs and costs of an indirect nature necessary to support such activities.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examination fees.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	0%
Organ	10% reducing balance
Computers	10% reducing balance
Refurbishment	1% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the Church reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.
