## **ACCOUNTS FOR THE YEAR ENDED 5 APRIL 2024**

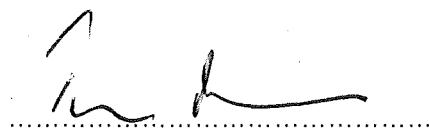

### **TRUSTEES ANNUAL REPORT**

1. Trustees: Timothy Guy Bankes  
Helen Victoria Bankes
2. This Trust was created by a Deed of Settlement dated 20 November 1964 as a Charity. The Charity Registration Number is 241296.
3. Under the terms of this Deed the trustees have the power to distribute income and capital for such charitable institutions or charitable purposes as they in their absolute discretion think fit, whether in the United Kingdom or worldwide.
4. The charity's only assets are stock exchange investments and cash as shown on the Balance Sheet. They are managed by CCLA Investment Management Ltd. The Market Value of the investments as at 31 March 2024 is £985,413.24.
5. The only source of income is from investments, details of which are given in these accounts. All income due has been received. This charity does not trade or participate in any fund-raising activities.
6. A list of the donations made in the year is given on page 9. There were four donations totalling £25,000. The Charities selected for distributions were broadly the same as the previous year, but this will not necessarily be the policy in future years. A balance of undistributed income of £9,218.47 was retained at the year end and is available for distribution in future years (page 8).
7. Donations and grants are only made to registered charities. No applications are considered from unregistered bodies or individuals.
8. These accounts include all dividend income due together with the recoverable tax and expenditure incurred in the year.
9. The Trustees do not charge any fees or claim reimbursement of their personal management expenses. All the administration expenses relate to legal, accountancy, investment management and the costs of maintaining a post office box for charitable applications.
10. Reserves  
The Trustees do not consider the underlying capital to be reserves since they form the sole source of income for the Trust. It is not the intention of the Trustees to build up or maintain income reserves, any under expenditure of income being balanced by over expenditure in preceding or subsequent years.
11. Risk Management  
The major risks to which the Charity is exposed, as identified by the Trustees, have been reviewed and systems have been established to mitigate those risks.
