Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2021.

Objectives and activities

Objects and aims

The objects of CPW are the promotion of the education of Catholics in their faith and its practice and the deepening of the Christian life in home, parish, place of work and society, by the holding of residential and other programmes which cater mainly but not exclusively for the whole family.

Objectives, strategies and activities

CPW runs residential courses, from 2 to 7 days' duration, to help members deepen their understanding of the Catholic faith. Some courses are for all-age groups including children; others are for adults only. All combine study with recreation and the chance to live (briefly) in community. Since lockdown, CPW has also organised on-line events with members meeting on Zoom. Apart from the very first event (which was to replace the planned in-person event in summer 2020), these are usually day or evening events. Membership is open to all Roman Catholics and people in sympathy with the Catholic tradition.

Public benefit

CPW provides a public benefit by increasing the knowledge and understanding of the Catholic faith by its members, and helping its members learn about living in community.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

We held 3 main residential events in 2021: in Kintbury in the south, Allensford in the north and a walking week in Penmaenmawr, Wales. We also organised an online weekend on the theme of prophecy, and several one day/evening on-line lectures and discussion events, including our delayed BGM in May. We continued to provide a weekly opportunity for on-line prayers which was very much appreciated, not least as a way of maintaining community at a time when travel and face-to-face meetings were restricted by the covid pandemic.

Financial review

The general fund stood at a little over £34,000 at the end of the period. This is more than the amount required by our reserves policy but it has been difficult to utilise the additional reserves when we are unable to put on as many residential events as in pre-covid times. The Trustees have considered other options for the use of these funds and in 2022 have put on a residential weekend for the development of our current and potential Helpers (the name given to the (usually) young adults that supervise the children's activities at our all age events).

The bursary fund stood at just over £16,000. Whilst this is less than at the start of the year, more needs to be done to promote the use of the bursary fund – again difficult when fewer events are running. The World Fund had a balance of just over £1,000, with most of the funds held at the beginning of the year now passed onto the relevant overseas charities.

The main financial risk faced by CPW is an event having to be cancelled and monies paid upfront being non-refundable.

Catholic People's Weeks

Trustees' Report

Policy on reserves

Our reserves policy requires us to hold between £11,000 and £25,000 to cover fluctuations in cash flow (paying for a residential centre before members have paid their bills) and/or the financial risk of an event having to be cancelled and monies paid upfront being non-refundable.

Structure, governance and management

Nature of governing document

The charity is operated under the rules of its constitution/trust deed adopted 0000 and most recently amended 0000.

Recruitment and appointment of trustees

Trustees are recruited from the membership. Members are asked at each event they attend if they are interested in being on the committee. They are also asked when notified of the BGM whether they want to put themselves forward for any vacant positions. They are then voted on at the BGM. Members can also be co-opted onto the committee by the Trustees at any point.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 1/10/22 and signed on its behalf by:

Independent Examiner's Report to the trustees of Catholic People's Weeks

Independent examiner's report to the trustees of Catholic People's Weeks

I report to the trustees on my examination of the accounts of Catholic People's Weeks (the Charity) for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

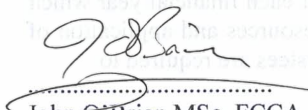

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Catholic People's Weeks

known as CPW

Notes to the Financial Statements for the Year Ended 31 December 2021

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Catholic People's Weeks meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing a cash flow statement

The charity opted to adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Catholic People's Weeks

known as CPW

Notes to the Financial Statements for the Year Ended 31 December 2021

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregates similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.
