INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

POOR'S ALLOTMENT

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2024 which are set out on pages 5 to 10.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

POOR'S ALLOTMENT**NOTES TO THE ACCOUNTS****FOR THE YEAR ENDED 31 DECEMBER 2024****1 Accounting Policies****Charity information**

Poor's Allotment was established by Deed of Trust on 22 April 1815 as an unincorporated charity and is registered with the Charity Commissioners, charity registration number 241730.

Accounting convention

These accounts have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015. The Trust is a Public Benefit Entity as defined by FRS 102.

The accounts are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The accounts are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

Incoming Resources

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount.

Tangible fixed assets

Freehold land and buildings and computer equipment are stated at cost less depreciation. Depreciation on computer equipment is charged on a 3 years straight line basis.

Fixed asset investments

Fixed asset investments are initially measured at transaction price, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in the income and expenditure account.

POOR'S ALLOTMENT

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2024

Financial Instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Trust's Balance Sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the Financial Statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest rate method. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Trust's contractual obligations expire or are discharged or cancelled.
