**SOCIETY OF MARY**  
**TRUSTEES REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2023**

The trustees present their report for the year ended 31 December 2023.

**TRUSTEES**

The trustees who served during the year are listed on page 1.

**OBJECTS**

The Society was created in 1931 following the merger of two predecessor Marian devotional societies. The Society adopted its first Constitution in 1950 which was subsequently amended at various annual meetings since then and most recently on 14 May 2022. It is registered with the Charity Commission (No. 241962). Its charitable objects are: *“To Love and Honour Mary and to spread devotion to her in reparation for past neglect and misunderstanding and in the cause of Christian unity, and to take Mary as a model in purity, personal relationships and family life.”*

**REVIEW OF THE YEAR’S ACTIVITIES AND PUBLIC BENEFIT**

The Society of Mary is primarily a devotional charity, seeking to spread devotion to Our Lady. It does have some centrally held funds, albeit limited. They are used to produce a publication, *Ave*, twice a year and to provide small grants in support of Marian pilgrimages and the restoration of Marian statues. The Charity also covers the costs of its Superior General and Chaplain General attending the convention held each year in Lourdes for those leading pilgrimages to that Shrine. This is to support of the Society’s own pilgrimages to Lourdes which take place every other August.

The highlight of 2023 for the Charity was a return – at long last after the restrictions placed upon us by the Covid pandemic – to Lourdes for our customary pilgrimage. It was hugely rewarding for all who participated, and the next such pilgrimage is planned for August 2025. In the intervening period, there will be a pilgrimage to Poland in September 2024.

The May and October Devotions held in 2023 both proved to be highly successful events and were hosted by S. Silas, Kentish Town in London (and its sister church Holy Trinity, Camden) and S. George, Preston.

The Society’s publication, *Ave*, continues to be published twice a year with an engaging style and format.

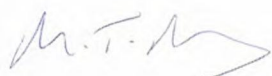

**RISK, RESERVES AND INVESTMENT POLICIES**

As a small charity, the Society of Mary takes a risk averse approach to its financial management. Funds are never committed which cannot be comfortably met from the current account. Investments held with the CCLA are protected so that the quarterly investment returns can be used to support the charity’s functioning.

**FINANCES**

The attached accounts show the state of finances of the Society for the year ended 31 December 2023. Net Income amounted to £40,049, following Gains on Investments of £58,970. The Reserves as at 31 December 2023 amounted to £699,333. The total value of grants made in the year amounted to £9,599.

**SOCIETY OF MARY**  
**REPORT OF THE INDEPENDENT EXAMINER**  
**TO THE TRUSTEES**

I report to the trustees on my examination of the accounts of the Society of Mary for the year ended 31st December 2023. This report is made to the Trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken so that I might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commissioners. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my work or for this report.

**Responsibilities and basis on report**

As the charity trustees of the Society you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Society's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

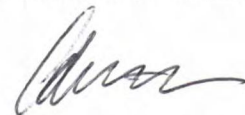

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Society as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES FORMING PART OF THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2023**

1. **ACCOUNTING POLICIES**

(a) **Basis of Preparation and Assessment of going concern**

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2019) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 rather than the Accounting and Reporting by Charities Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

The functional currency is the £ Sterling.

The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

(b) **Investments**

Investments are a form of basic financial investment and are initially recognised at their transaction value and subsequently measured at fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

(c) **Investment income**

Investment income is included on a receipts basis.

(d) **Donation and legacies**

Donations and legacies income represents gift to the Charity and these are recognised when received.

(e) **Grants**

Grants made represent funds to UK Charities and Churches to serve projects in line with the Society's goals as agreed by the Trustees. Grants are recognised when control over the conditions to satisfy the grant has passed to the recipient (see page 9).
