THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees present their annual report and financial statements for the year ended 31 December 2024. This Trustees Report also meets the requirements of a Directors' Report for Company Law.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

1. The Fund was incorporated in England in 1902 as The Incorporated Anglo-American Nursing Home (the word "limited" being omitted by licence of the Board of Trade). Briefly, the main original objects were:

(a) To take over the Anglo-American Nursing Home in Rome, Italy and to carry on the same on an absolutely unsectarian basis to provide free hospital accommodation for the poor of British and American nationality.

(b) To render assistance to persons of British and American nationality in Italy who are in ill health and who in the opinion of the Fund's management are deserving of assistance.

2. By a Royal Decree issued by the Kingdom of Italy on 17 July 1903 the Fund was recognised as an "Ente Morale" (non-profit organisation).

3. Following the sale of the nursing home, the name of the Fund was changed on 15 May 1974 to "The Incorporated Anglo-American Medical Assistance Fund" and the available funds were invested in first class securities. Object (a) described above was therefore no longer applicable.

4. The Fund's governing document, updated in December 2019, is the Articles of Association. These provide that administration of the Fund shall be carried out by a General Council which shall elect a Board of Trustees and shall appoint a treasurer.

5. The Articles of Association state, inter alia, that:

(a) the income and property of the Fund can only be used for the promotion of the objects of the Fund and;

(b) members of the Fund cannot obtain any profit (dividends, bonuses, etc.) but can be remunerated for services rendered.

6. A list of Trustees who served throughout the accounting year, and up to the date of this report is provided below.

7. The Fund's banker and investment manager is Coutts & Co, 440 Strand, London. Payments to beneficiaries in Italy are made directly from the Fund's on-line bank account with Coutts in London.

The main purpose and activity of the Fund is to render assistance to American and British citizens in Italy in connection with hardship arising from ill health. During the years ended 31 December 2024 and 2023, charitable grants were awarded as follows:

	2024	2023
Total grants (all Italy)	40,300	57,500

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

Achievements and performance

Significant activities and achievements against objectives

The Fund is invested with Coutts in a diversified investment plan called 'Wealth Enhancement Medium Term.'

The Investments generated investment income comprising €12,278 from dividends and listed investments (2023 - €19,426), and €30,072 from interest (2023 - €25,259). That investment income allowed the Trust to make grants to individuals totalling €40,300 in the period (2023 - €57,500).

Financial review

Investment income permitted the payments of grants to individuals in the year as mentioned above.

The market value of our investments also grew by €195,151 during the year (2023 - €146,927). Therefore the Charity reported an overall surplus of €180,280 in the year (2023 - €118,178). The closing value of investments were €1,886,795 (2023 - €1,700,405), and total unrestricted funds of the charity including current assets including bank and cash were €1,923,500 (2023 - €1,743,220).

The Charity has no restricted or endowment funds.

Reserves policy

The Trustees consider the amount of the unrestricted reserves less any committed expenditure to be the free reserves of the Charity.

Major risks

The Board of Trustees constantly reviews the major risks to which the Fund is exposed. Where appropriate, systems or procedures have been established to mitigate these risks. These relate to our investments which are managed by Coutts & Co in London. The Board of Trustees receives quarterly reports from the investment manager and meets once a year with Coutts to review investment policy.

Plans for future periods

The Fund plans to continue the activities outlined above in the forthcoming years subject to satisfactory results from its managed investments (income and capital gains).

TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

Structure, governance and management

The Fund is operated in collaboration with the British and American consulates in Rome with the assistance of their regional offices. They deal directly with cases throughout the whole of Italy. Periodic visits to beneficiaries are made by consular officers or their staff to ascertain that they are still in need of financial assistance. New cases are submitted for approval either by electronic communication or at the semi-annual meetings of the Board of Trustees and at the general meeting of the Council.

One half of the Fund's Trustees must be of British nationality and the other half of American nationality. All the Trustees act on a voluntary basis. The Fund's Secretary, Ms. Andrea Manchée, and the Treasurer, Ms. Simonetta Ciccolini, receive a nominal fee for their services. The Treasurer keeps the accounting records, prepares the financial statements, drafts the Trustees' annual report and liaises with the independent examiners. The Chair and Secretary liaise with the Fund's banker and portfolio manager in London.

The Fund's bankers in London manage the portfolio of investments and hold the securities in safe custody. The investment policy is reviewed from time to time by a panel of trustees in consultation with the portfolio manager.

For internal control purposes, no amounts can be paid out or transferred from the Fund's bank accounts unless the cheques or transfer requests are signed by any two of three trustees currently in office whose signatures have been lodged with the bank.

The Trustees consider that the internal controls outlined above are sufficient to provide reasonable protection of the Fund's assets.

The charity is incorporated as a company limited by guarantee with Companies House under number 242436. As such none of the Trustees has any beneficial interest in the charitable company, but the Trustees are also the members of the company. In the event of a winding up of the charitable company, the members have guaranteed to contribute the sum of €1.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Rev. M Berrios	(Appointed 20 June 2024)
Mr D Carroll	
Rev. Canon J W Kilgore	(Appointed 20 June 2024)
Mr J McGhie	
Ms D Pereira	(Appointed 20 June 2024)
Rev. R Warren	
Rev A Rios	(Resigned 29 February 2024)

Recruitment and appointment of trustees

Trustees are elected in accordance with the Articles of Association as amended 17/12/2019.

The Trustees report was approved by the Board of Trustees.

THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

I report to the trustees on my examination of the financial statements of The Incorporated Anglo-American Medical Assistance Fund (the charity) for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

The Incorporated Anglo-American Medical Assistance Fund is a private company limited by guarantee incorporated in England and Wales. The registered office is c/o Penningtons Manches LLP, 125 Wood Street,, London, EC2V 7AN, England.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Articles of Association, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in euros, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest €.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of fixed asset investments at fair value. Listed investments are included at current value with the change in value reflected in the Statement of Financial Activities.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

There are no restricted or endowment funds.

1.4 Income

All incoming resources are included in the Statement of Financial Activities when the Fund is entitled to the income and it can be quantified with reasonable accuracy. Bank interest is included when received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

1.5 Expenditure

Expenditure is recognised on an accrual basis as and when a liability is incurred. Expenditure includes any Value Added Tax (VAT) which cannot be recovered and is reported as part of the expenditure to which it relates.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

1.8 Taxation

No income tax was withheld on interest received from direct investments in Euro bonds. The Fund is a recognised charity and is exempt from U.K. income tax under the Corporation Tax Act 2010 on the basis that the activities are entirely for charitable purposes.

Dividends and interest received from investments in Coutts collective investment programmes are net of withholding taxes applied by the countries where the investments are held. These taxes cannot be recovered.

The Charity is not registered for VAT, and all expenditure includes irrecoverable VAT where incurred.

1.9 Foreign exchange

The accounting records are kept in Euros and the financial statements are expressed in Euros (rounded to the nearest Euro) because the Fund's charitable activities are carried out entirely in Italy and payments to beneficiaries are made in Euros. Transactions in foreign currencies were translated into Euros at the rate of exchange ruling on the date they took place. All foreign currency assets and liabilities at 31 December 2024 have been translated into Euros at the rates of exchange ruling on that date.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2023

Achievements and performance

Significant activities and achievements against objectives

The Fund is invested with Coutts in a diversified investment plan called 'Wealth Enhancement Medium Term.'

The Investments generated investment income comprising €19,426 from dividends and listed investments (2022 - €17,800), and €25,259 from interest (2022 - €5,452). That investment income allowed the Trust to make grants to individuals totalling €57,500 in the period (2022 - €61,443).

Financial review

Investment income permitted the payments of grants to individuals in the year as mentioned above.

The market value of our investments also grew by €146,927 during the year (2022 decreased in value by €307,090). Therefore the Charity reported an overall surplus of €146,927 in the year (2022 - deficit €307,090). The closing value of investments were €1,700,405 (2022 - €1,535,333), and total unrestricted funds of the charity including current assets including bank and cash were €1,742,220 (2022 - €1,625,042).

The Charity has no restricted or endowment funds.

Reserves policy

The Trustees consider the amount of the unrestricted reserves less any committed expenditure to be the free reserves of the Charity.

Major risks

The Board of Trustees constantly reviews the major risks to which the Fund is exposed. Where appropriate, systems or procedures have been established to mitigate these risks. These relate to our investments which are managed by Coutts & Co in London. The Board of Trustees receives quarterly reports from the investment manager and meets once a year with Coutts to review investment policy.

Plans for future periods

The Fund plans to continue the activities outlined above in the forthcoming years subject to satisfactory results from its managed investments (income and capital gains).

FOR THE YEAR ENDED 31 DECEMBER 2023

Structure, governance and management

The Fund is operated in collaboration with the British and American consulates in Rome with the assistance of their regional offices. They deal directly with cases throughout the whole of Italy. Periodic visits to beneficiaries are made by consular officers or their staff to ascertain that they are still in need of financial assistance. New cases are submitted for approval either by electronic communication or at the semi-annual meetings of the Board of Trustees and at the general meeting of the Council.

One half of the Fund's Trustees must be of British nationality and the other half of American nationality. All the Trustees act on a voluntary basis. The Fund's Secretary, Ms. Andrea Manchée, and the Treasurer, Ms. Simonetta Ciccolini, receive a nominal fee for their services. The Treasurer keeps the accounting records, prepares the financial statements, drafts the Trustees' annual report and liaises with the independent examiners. The Chair and Secretary liaise with the Fund's banker and portfolio manager in London.

The Fund's bankers in London manage the portfolio of investments and hold the securities in safe custody. The investment policy is reviewed from time to time by a panel of trustees in consultation with the portfolio manager.

For internal control purposes, no amounts can be paid out or transferred from the Fund's bank accounts unless the cheques or transfer requests are signed by any two of three trustees currently in office whose signatures have been lodged with the bank.

The Trustees consider that the internal controls outlined above are sufficient to provide reasonable protection of the Fund's assets.

The charity is incorporated as a company limited by guarantee with Companies House under number 242436. As such none of the Trustees has any beneficial interest in the charitable company, but the Trustees are also the members of the company. In the event of a winding up of the charitable company, the members have guaranteed to contribute the sum of €1.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

I report to the trustees on my examination of the financial statements of The Incorporated Anglo-American Medical Assistance Fund (the charity) for the year ended 31 December 2023.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

Charity information

The Incorporated Anglo-American Medical Assistance Fund is a private company limited by guarantee incorporated in England and Wales. The registered office is c/o Penningtons Manches LLP, 125 Wood Street,, London, EC2V 7AN, England.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Articles of Association, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in euros, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest €.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of fixed asset investments at fair value. Listed investments are included at current value with the change in value reflected in the Statement of Financial Activities.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

There are no restricted or endowment funds.

1.4 Income

All incoming resources are included in the Statement of Financial Activities when the Fund is entitled to the income and it can be quantified with reasonable accuracy. Bank interest is included when received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

1.5 Expenditure

Expenditure is recognised on an accrual basis as and when a liability is incurred. Expenditure includes any Value Added Tax (VAT) which cannot be recovered and is reported as part of the expenditure to which it relates.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1 Accounting policies

(Continued)

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

1.8 Taxation

No income tax was withheld on interest received from direct investments in Euro bonds. The Fund is a recognised charity and is exempt from U.K. income tax under the Corporation Tax Act 2010 on the basis that the activities are entirely for charitable purposes.

Dividends and interest received from investments in Coutts collective investment programmes are net of withholding taxes applied by the countries where the investments are held. These taxes cannot be recovered.

The Charity is not registered for VAT, and all expenditure includes irrecoverable VAT where incurred.

1.9 Foreign exchange

The accounting records are kept in Euros and the financial statements are expressed in Euros (rounded to the nearest Euro) because the Fund's charitable activities are carried out entirely in Italy and payments to beneficiaries are made in Euros. Transactions in foreign currencies were translated into Euros at the rate of exchange ruling on the date they took place. All foreign currency assets and liabilities at 31 December 2022 have been translated into Euros at the rates of exchange ruling on that date.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

AS AT 31 DECEMBER 2021**

[Faint, illegible text, likely bleed-through from the reverse side of the page]

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE INCORPORATED ANGLO-AMERICAN MEDICAL ASSISTANCE FUND

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

In our opinion, The Incorporated Anglo-American Medical Assistance Fund's financial statements (the "financial statements"):

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2021 and of its incoming resources and application of resources, including its income and expenditure, and cash flows, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Trustees' Report and Financial Statements for the year ended 31 December 2021 (the "Annual Report"), which comprise: the balance sheet as at 31 December 2021; the statement of financial activities (incorporating an income and expenditure statement), and cash flow statement for the year then ended; and the notes to the financial statements, which include a description of significant accounting policies.

Basis of our opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to our concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the charitable company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Trustees' Annual Report

In our opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and the Trustees' Annual Report has been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Trustees' Annual Report. We have nothing to report in this respect.

Responsibilities for the financial statements and the audit

Responsibilities of the trustees for the financial statements

As explained more fully in the *Trustees' Responsibilities Statement*, the trustees are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the charitable company and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the Charities Act 2011 and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries. Audit procedures performed included:

- enquiry of management and the trustees with regard to actual and potential fraud and non-compliance with laws and regulations;
- reviewing minutes to the Board to identify significant or unusual transactions and known or suspected instances of fraud or non-compliance with laws and regulations;
- understanding and evaluating management's controls in place to prevent and detect irregularities;
- testing of journal entries where we identified particular risk criteria;
- obtaining independent confirmations of cash and investment balances at the year end and testing management's year end bank reconciliations;
- assessing financial statement disclosures, and testing to supporting documentation, for compliance with applicable laws and regulations.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the charity's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the trustees were not entitled to: prepare financial statements in accordance with the small companies' regime; take advantage of the small companies' exemption in preparing the Trustees' Annual Report; and take advantage of the small companies exemption from preparing a Strategic Report. We have no exceptions to report arising from this responsibility.

Legal and Administrative

- 1) The Fund was incorporated in England in 1902 as The Incorporated Anglo-American Nursing Home (the word "limited" being omitted by licence of the Board of Trade). Briefly, the main original objects were:
 - (a) To take over the Anglo-American Nursing Home in Rome, Italy and to carry on the same on an absolutely unsectarian basis to provide free hospital accommodation for the poor of British and American nationality.
 - (b) To render assistance to persons of British and American nationality in Italy who are in ill health and who in the opinion of the Fund's management are deserving of assistance.
- 2) By a Royal Decree issued by the Kingdom of Italy on 17 July 1903 the Fund was recognised as an "Ente Morale" (non-profit organisation).
- 3) Following the sale of the nursing home, the name of the Fund was changed on 15 May 1974 to "The Incorporated Anglo-American Medical Assistance Fund" and the available funds were invested in first class securities. Object (a) described above was therefore no longer applicable.
- 4) The Fund's governing document, updated in December 2019, is the Articles of Association. These provide that administration of the Fund shall be carried out by a General Council which shall elect a Board of Trustees and shall appoint a treasurer and an auditor.
- 5) The Articles of Association state, inter alia, that:
 - (a) the income and property of the Fund can only be used for the promotion of the objects of the Fund and;
 - (b) members of the Fund cannot obtain any profit (dividends, bonuses, etc.) but can be remunerated for services rendered.
- 6) A list of Trustees in office as at April 2022 is provided in the introductory page of this report.
- 7) The Fund's banker and investment manager is Coutts & Co, 440 Strand, London. Payments to beneficiaries in Italy are made directly from the Fund's on-line bank account with Coutts in London.
- 8) The auditor is PricewaterhouseCoopers S.p.A., Rome, Italy.

Organisational Structure

The Fund is operated in collaboration with the British and American consulates in Rome with the assistance of their regional offices. They deal directly with cases throughout the whole of Italy. Periodic visits to beneficiaries are made by consular officers or their staff to ascertain that they are still in need of financial assistance. New cases are submitted for approval either by electronic communication or at the semi-annual meetings of the Board of Trustees and at the general meeting of the Council.

One half of the Fund's Trustees must be of British nationality and the other half of American nationality. All the Trustees act on a voluntary basis. The Fund's Secretary, Ms. Andrea Manchée, and the Treasurer, Ms. Simonetta Ciccolini, receive a nominal fee for their services. The Treasurer keeps the accounting records, prepares the financial statements, drafts the Trustees' annual report and liaises with the auditors in Rome. The Chair and Secretary liaise with the Fund's banker and portfolio manager in London.

The Fund's bankers in London manage the portfolio of investments and hold the securities in safe custody. The investment policy is reviewed from time to time by a panel of trustees in consultation with the portfolio manager.

For internal control purposes, no amounts can be paid out or transferred from the Fund's bank accounts unless the cheques or transfer requests are signed by any two of three trustees currently in office whose signatures have been lodged with the bank.

The Fund's statutes require an annual audit of the financial statements by an independent accountant.

The Trustees consider that the internal controls outlined above are sufficient to provide reasonable protection of the Fund's assets.

Risk Management

The Board of Trustees constantly reviews the major risks to which the Fund is exposed. Where appropriate, systems or procedures have been established to mitigate these risks. These relate to our investments which are managed by Coutts & Co in London. The Board of Trustees receives quarterly reports from the investment manager and meets once a year with Coutts to review investment policy.

Report on Activities for the Year

The Fund is invested with Coutts in a diversified investment plan called 'Wealth Enhancement Medium Term.' A listing of the portfolio is contained in the Appendix.

The results for 2021 generated a net gain of Euros 51.440 compared to a net loss of Euros 43.050 for 2020 (Statement of Financial Activities, Line E). Comparing these last two figures shows there was an increase in net gain in 2021 of Euros 94.490. This was made up as follows:

INCOMING RESOURCES	
Higher investment income	3.115
Higher donations received	1.000
Lower bank interest	-34
Subtotal	4.081
EXPENSES	
Higher portfolio management fees	5.321

Lower foreign exchange difference	-1.436
Higher governance costs	36
Higher bank charges	598
Lower legal fees	-6.041
Subtotal	4.978
Total	-897
Higher realised gains on disposal of investments	95.387
NET GAIN	94.490

Statement of Financial Activities

The statement of cash flows for 2021 shows an increase in cash balances of Euros 52.233 at the end of the year. This comprises a net outflow from operating activities of Euros 59.439 plus a net inflow from investment activities of Euros 111.672.

The market value of our investments at December 31, 2021 was Euros 239.060 higher than book value compared to Euros 158.220 higher at December 31, 2020. The difference in market value of Euros 80.840 is shown on line F of the Statement of Financial Activities (also see note 9).

Plans for Future Periods

The Fund plans to continue the activities outlined above in the forthcoming years subject to satisfactory results from its managed investments (income and capital gains).

Responsibilities of Trustees

U.K. company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Fund as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year.

In preparing those financial statements, the trustees should follow best practice and:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent; and
- Prepare financial statements on a going concern basis unless it is inappropriate to assume that the Fund will continue on that basis.

The Board of Trustees is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and enable them to ensure that the financial statements comply with the U.K. Companies Act 2006 and the Charity Commission SORP FRS 102.

The Board of Trustees is also responsible for safeguarding the assets of the Fund and hence for taking reasonable steps for the prevention of fraud and other irregularities.

The persons who are trustees for the purpose of U.K. company law and trustees for the purpose of U.K. charity law are listed on the introductory page of this Trustees' Report.

In accordance with U.K. company law, as the Fund's trustees we hereby certify that:

- (a) So far as we are aware, there is no relevant audit information of which the Fund's auditors are unaware; and
- (b) We have taken all the necessary steps in order to make ourselves aware of any relevant audit information and to establish that the Fund's auditors are aware of that information.

Auditors

PricewaterhouseCoopers S.p.A., Rome were re-appointed as the Fund's auditors during the year.

Compliance with Statutory Regulations

This report has been prepared following the Statement of Recommended Practice (SORP) for accounting and reporting by Charities in accordance with the U.K. Companies Act 2006, using the provisions relating to Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 DECEMBER 2021

1. BRIEF DESCRIPTION OF ACTIVITY

The main purpose and activity of the Fund is to render assistance to American and British citizens in Italy in connection with hardship arising from ill health. During the years ended 31 December 2021 and 2020, charitable grants were awarded as follows:

	<u>2021</u>	<u>2020</u>
Total grants (all Italy)	67.700	61.200

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

Valuation of investments

Investments are shown in the Balance Sheet at market value based on prices at December 31, 2021 furnished by our investment manager.

Basis of accounting

The financial statements are prepared on an accrual basis and are in compliance with the Statement of Recommended Practice (SORP) for accounting and reporting by charities under the Charities Act 2006, using the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Fund accounting

There are no restricted or endowment funds.

Incoming resources

All incoming resources are included in the Statement of Financial Activities when the Fund is entitled to the income and it can be quantified with reasonable accuracy. Bank interest is included when received.

Resources expended

Expenditure is recognised on an accrual basis as and when a liability is incurred. Expenditure includes any Value Added Tax (VAT) which cannot be recovered and is reported as part of the expenditure to which it relates.

Foreign currency

The accounting records are kept in Euros and the financial statements are expressed in Euros (rounded to the nearest Euro) because the Fund's charitable activities are carried out entirely in Italy and payments to beneficiaries are made in Euros. Transactions in foreign currencies were translated into Euros at the rate of exchange ruling on the date they took place. All foreign currency assets and liabilities at 31 December 2021 have been translated into Euros at the rates of exchange ruling on that date.

Taxation

No income tax was withheld on interest received from direct investments in Euro bonds. The Fund is a recognised charity and is exempt from U.K. income tax under the Corporation Tax Act 2010.

Dividends and interest received from investments in Coutts collective investment programmes are net of withholding taxes applied by the countries where the investments are held. These taxes cannot be recovered.

The U.K. Inland Revenue has informed the Fund that it cannot recover VAT charged on services rendered to the Fund in the U.K. This mainly concerns VAT on portfolio management fees and the rent of the Fund's registered office c/o Penningtons Manches LLP in London.

3. REMUNERATION PAID FOR SERVICES RENDERED

The Fund's Secretary, Ms. Andrea Manchée, and Ms. Simonetta Ciccolini, the Treasurer received remuneration in 2021 for services rendered on a part time basis. In accordance with the Fund's Memorandum and Articles of Association all Trustees acted on a voluntary basis during the year 2021.

4. TAX ON CAPITAL GAINS

As a general rule, capital gains realised by a recognised charity are not subject to U.K. capital gains tax provided they are utilised for charitable purposes. There was a net gain on sales and redemptions of investments in 2021 of Euros 108.165 (line D of Statement of Financial Activities), but since all funds are used to further the Fund's aims and objectives, either through operations or reinvestment, no provision for U.K. tax on capital gains has been made.

5. GENERAL FUND BALANCE

The amount of Euros 1.986.805 represents the net worth of the Fund at 31 December 2021, an increase of Euros 132.280 (line G of Statement of Financial Activities) compared to net worth at the end of the previous year.

6. INVESTMENT INCOME (Expressed in Euros)

	<u>2021</u>	<u>2020</u>
Interest from Coutts Bond programmes	8.585	14.526
Dividends from Coutts Equity programmes	17.333	10.291
Dividends from Coutts alternative invest.	2.517	76
Dividends from Commodities	0	427
Bank interest	0	34
Total investment income	28.435	25.354

7. PORTFOLIO MANAGEMENT FEES

An annual management fee is charged at 0,35% plus VAT for the portfolio management, plus a platform fee of 0,18% and an underlying fund cost of 0,54%.

8. REALISED GAINS ON DISPOSAL OF INVESTMENTS

The cost of the investments sold or redeemed represents historical cost at historical exchange rates. Gains or losses on sale therefore include gains and losses on exchange.

9. INVESTMENTS

A list of investments held at 31 December 2021 is provided in the Appendix. This shows both the historical cost and the market value at that date. The latter is based on a valuation supplied by the Fund's investment manager, Coutts & Co., London.

A 'Reserve for fluctuations in the market value of investments' was first set up in 2003 to adjust book value of investments to market value in order to comply with the Charity Commission SORP. The market value of the Fund's investments at 31 December 2021 was Euros 239.060 higher than book value. This compares to a market value at the end of 2020 which was Euros 158.220 higher than book value. The movement in the reserve in 2021 and 2020 is shown below:

	<u>2021</u>	<u>2020</u>
Balance at the end of the previous year	158.220	143.818
Amount (debited)/credited to 'Revaluation of Investments' (Line F of the Statement of Financial Activities)	80.840	14.402

At the respective year ends the exchange rates for the Euro versus the currencies in which some of the Coutts equity programmes are invested are shown below, as given by Coutts for 31 December:

Currency	<u>2021</u>	<u>2020</u>
U.S. dollar	1,1330	1,2267
British pound	0,8402	0,8984

10. U.K. STATUTORY REQUIREMENTS

A copy of the audited financial statements and the trustees' report must be filed each year with Companies House and the Charity Commission. The deadline for Companies House is 30 September and for the Charity Commission is October 31.

**REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS
AS AT 31 DECEMBER 2020**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE INCORPORATED
ANGLO-AMERICAN MEDICAL ASSISTANCE FUND**

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

In our opinion, The Incorporated Anglo-American Medical Assistance Fund's financial statements (the "financial statements"):

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2020 and of its incoming resources and application of resources, including its income and expenditure, and cash flows, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Trustees' Report and Financial Statements for the year ended 31 December 2020 (the "Annual Report"), which comprise: the balance sheet as at 31 December 2020; the statement of financial activities (incorporating an income and expenditure statement), and cash flow statement for the year then ended; and the notes to the financial statements, which include a description of significant accounting policies.

Basis of our opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to our concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the charitable company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Reporting or other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Trustees' Annual Report

In our opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and the Trustees' Annual Report has been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Trustees' Annual Report. We have nothing to report in this respect.

Responsibilities for the financial statements and the audit

Responsibilities of the trustees for the financial statements

As explained more fully in the *Trustees' Responsibilities Statement*, the trustees are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the charitable company and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the Charities Act 2011 and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries. Audit procedures performed included:

- enquiry of management and the trustees with regard to actual and potential fraud and non-compliance with laws and regulations;
- reviewing minutes to the Board to identify significant or unusual transactions and known or suspected instances of fraud or non-compliance with laws and regulations;
- understanding and evaluating management's controls in place to prevent and detect irregularities;
- testing of journal entries where we identified particular risk criteria;
- obtaining independent confirmations of cash and investment balances at the year end and testing management's year end bank reconciliations;
- assessing financial statement disclosures, and testing to supporting documentation, for compliance with applicable laws and regulations.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the charity's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the trustees were not entitled to: prepare financial statements in accordance with the small companies' regime; take advantage of the small companies' exemption in preparing the Trustees' Annual Report; and take advantage of the small companies exemption from preparing a Strategic Report. We have no exceptions to report arising from this responsibility.

Principal banker and investment manager: Coutts & Co. 440 Strand, London, U.K.

Auditors: PricewaterhouseCoopers S.p.A., Rome, Italy

Legal and Administrative

- 1) The Fund was incorporated in England in 1902 as The Incorporated Anglo-American Nursing Home (the word "limited" being omitted by licence of the Board of Trade). Briefly, the main original objects were:
 - (a) To take over the Anglo-American Nursing Home in Rome, Italy and to carry on the same on an absolutely unsectarian basis to provide free hospital accommodation for the poor of British and American nationality.
 - (b) To render assistance to persons of British and American nationality in Italy who are in ill health and who in the opinion of the Fund's management are deserving of assistance.
- 2) By a Royal Decree issued by the Kingdom of Italy on 17 July 1903 the Fund was recognised as an "Ente Morale" (non-profit organisation).
- 3) Following the sale of the nursing home, the name of the Fund was changed on 15 May 1974 to "The Incorporated Anglo-American Medical Assistance Fund" and the available funds were invested in first class securities. Object (a) described above was therefore no longer applicable.
- 4) The Fund's governing document, updated in December 2019, is the Articles of Association. These provide that administration of the Fund shall be carried out by a General Council which shall elect a Board of Trustees and shall appoint a treasurer and an auditor.
- 5) The Articles of Association state, inter alia, that:
 - (a) the income and property of the Fund can only be used for the promotion of the objects of the Fund and;
 - (b) members of the Fund cannot obtain any profit (dividends, bonuses, etc.) but can be remunerated for services rendered.
- 6) A list of Trustees in office as at April 2021 is provided in the introductory page of this report.
- 7) The Fund's banker and investment manager is Coutts & Co, 440 Strand, London. Payments to beneficiaries in Italy are made directly from the Fund's on-line bank account with Coutts in London.
- 8) The auditor is PricewaterhouseCoopers S.p.A., Rome, Italy.

Organisational Structure

The Fund is operated in collaboration with the British and American consulates in Rome with the assistance of their regional offices. They deal directly with cases throughout the whole of Italy. Periodic visits to beneficiaries are made by consular officers or their staff to ascertain that they are still in need of financial assistance. New cases are submitted for approval either by electronic communication or at the semi-annual meetings of the Board of Trustees and at the general meeting of the Council.

One half of the Fund's Trustees must be of British nationality and the other half of American nationality. All the Trustees act on a voluntary basis. The Fund's Secretary, Ms. Andrea Manchée, and the Treasurer, Ms. Simonetta Ciccolini, receive a nominal fee for their services. The Treasurer keeps the accounting records, prepares the financial statements, drafts the Trustees' annual report and liaises with the auditors in Rome. The Chair and Secretary liaise with the Fund's banker and portfolio manager in London.

The Fund's bankers in London manage the portfolio of investments and hold the securities in safe custody. The investment policy is reviewed from time to time by a panel of trustees in consultation with the portfolio manager.

For internal control purposes, no amounts can be paid out or transferred from the Fund's bank accounts unless the cheques or transfer requests are signed by any two of three trustees currently in office whose signatures have been lodged with the bank.

The Fund's statutes require an annual audit of the financial statements by an independent accountant.

The Trustees consider that the internal controls outlined above are sufficient to provide reasonable protection of the Fund's assets.

Risk Management

The Board of Trustees constantly reviews the major risks to which the Fund is exposed. Where appropriate, systems or procedures have been established to mitigate these risks. These relate to our investments which are managed by Coutts & Co in London. The Board of Trustees receives quarterly reports from the investment manager and meets once a year with Coutts to review investment policy.

Report on Activities for the Year

The Fund is invested with Coutts in a diversified investment plan called 'Wealth Enhancement Medium Term.' A listing of the portfolio is contained in the Appendix.

The results for 2020 generated a net loss of Euros 43.050 compared to a net loss of Euros 29.418 for 2019 (Statement of Financial Activities, Line E). Comparing these last two figures shows there was an increase in net loss in 2020 of Euros 13.632. This was made up as follows:

INCOMING RESOURCES	
Lower investment income	-6.149
Lower donations received	-2.000
Lower bank interest received	-68
Subtotal	-8.217
EXPENSES	
Lower portfolio management fees	3.172
Lower charitable grants	13.676
Higher loss on foreign exchange differences	-977
Higher governance costs	-25
Higher legal fees	-6,041
Lower other charges	32
Subtotal	9.837
Total	1.620
Lower realised gains on disposal of investments	-15.252
NET LOSS	-13.632

Statement of Financial Activities

The statement of cash flows for 2020 shows a decrease in cash balances of Euros 17.995 at the end of the year. This comprises a net outflow from operating activities of Euros 58.680 (including a fee of 6.041 to our lawyers, incurred in 2019 for work regarding the changing of the Fund's Statutes, and paid in 2020) plus a net inflow from investment activities of Euros 40.685.

The market value of our investments at December 31, 2020 was Euros 158.220 higher than book value compared to Euros 143.818 higher at December 31, 2019. The difference in market value of Euros 14.402 is shown on line F of the Statement of Financial Activities (also see note 9).

Plans for Future Periods

The Fund plans to continue the activities outlined above in the forthcoming years subject to satisfactory results from its managed investments (income and capital gains).

Responsibilities of Trustees

U.K. company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Fund as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year.

In preparing those financial statements, the trustees should follow best practice and:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent; and
- Prepare financial statements on a going concern basis unless it is inappropriate to assume that the Fund will continue on that basis.

The Board of Trustees is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and enable them to ensure that the financial statements comply with the U.K. Companies Act 2006 and the Charity Commission SORP FRS 102.

The Board of Trustees is also responsible for safeguarding the assets of the Fund and hence for taking reasonable steps for the prevention of fraud and other irregularities.

The persons who are trustees for the purpose of U.K. company law and trustees for the purpose of U.K. charity law are listed on the introductory page of this Trustees' Report.

In accordance with U.K. company law, as the Fund's trustees we hereby certify that:

- (a) So far as we are aware, there is no relevant audit information of which the Fund's auditors are unaware; and
- (b) We have taken all the necessary steps in order to make ourselves aware of any relevant audit information and to establish that the Fund's auditors are aware of that information.

Auditors

PricewaterhouseCoopers S.p.A., Rome were re-appointed as the Fund's auditors during the year.

Compliance with Statutory Regulations

This report has been prepared following the Statement of Recommended Practice (SORP) for accounting and reporting by Charities in accordance with the U.K. Companies Act 2006, using the provisions relating to Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 DECEMBER 2020

1. BRIEF DESCRIPTION OF ACTIVITY

The main purpose and activity of the Fund is to render assistance to American and British citizens in Italy in connection with hardship arising from ill health. During the years ended 31 December 2020 and 2019, charitable grants were awarded as follows:

	<u>2020</u>	<u>2019</u>
Total grants (all Italy)	61.200	74.876

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

Valuation of investments

Investments are shown in the Balance Sheet at market value based on prices at December 31, 2020 furnished by our investment manager.

Basis of accounting

The financial statements are prepared on an accrual basis and are in compliance with the Statement of Recommended Practice (SORP) for accounting and reporting by charities under the Charities Act 2006, using the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Fund accounting

There are no restricted or endowment funds.

Incoming resources

All incoming resources are included in the Statement of Financial Activities when the Fund is entitled to the income and it can be quantified with reasonable accuracy. Bank interest is included when received.

Resources expended

Expenditure is recognised on an accrual basis as and when a liability is incurred. Expenditure includes any Value Added Tax (VAT) which cannot be recovered and is reported as part of the expenditure to which it relates.

Foreign currency

The accounting records are kept in Euros and the financial statements are expressed in Euros (rounded to the nearest Euro) because the Fund's charitable activities are carried out entirely in Italy and payments to beneficiaries are made in Euros. Transactions in foreign currencies were translated into Euros at the rate of exchange ruling on the date they took place. All foreign currency assets and liabilities at 31 December 2020 have been translated into Euros at the rates of exchange ruling on that date.

Taxation

No income tax was withheld on interest received from direct investments in Euro bonds. The Fund is a recognised charity and is exempt from U.K. income tax under the Corporation Tax Act 2010.

Dividends and interest received from investments in Coutts collective investment programmes are net of withholding taxes applied by the countries where the investments are held. These taxes cannot be recovered.

The U.K. Inland Revenue has informed the Fund that it cannot recover VAT charged on services rendered to the Fund in the U.K. This mainly concerns VAT on portfolio management fees and the rent of the Fund's registered office c/o Penningtons Manches LLP in London.

3. REMUNERATION PAID FOR SERVICES RENDERED

The Fund's Secretary, Ms. Andrea Manchée, and Ms. Simonetta Ciccolini, the Treasurer received remuneration in 2020 for services rendered on a part time basis. In accordance with the Fund's Memorandum and Articles of Association all Trustees acted on a voluntary basis during the year 2020.

4. TAX ON CAPITAL GAINS

As a general rule, capital gains realised by a recognised charity are not subject to U.K. capital gains tax provided they are utilised for charitable purposes. There was a net gain on sales and redemptions of investments in 2020 of Euros 12.778 (line D of Statement of Financial Activities), but since all funds are used to further the Fund's aims and objectives, either through operations or reinvestment, no provision for U.K. tax on capital gains has been made.

5. GENERAL FUND BALANCE

The amount of Euros 1.854.525 represents the net worth of the Fund at 31 December 2020, an decrease of Euros 28.648 (line G of Statement of Financial Activities) compared to net worth at the end of the previous year.

6. INVESTMENT INCOME (Expressed in Euros)

	<u>2020</u>	<u>2019</u>
Interest from Coutts Bond programmes	14.526	10.739
Dividends from Coutts Equity programmes	10.291	20.656
Dividends from Coutts alternative invest.	76	74
Dividends from Commodities	427	0
Bank interest	34	102
Total investment income	25.354	31.571

7. PORTFOLIO MANAGEMENT FEES

An annual management fee is charged at 0,35% plus VAT for the portfolio management, plus a platform fee of 0,18% and an underlying fund cost of 0,54%.

8. REALISED GAINS ON DISPOSAL OF INVESTMENTS

The cost of the investments sold or redeemed represents historical cost at historical exchange rates. Gains or losses on sale therefore include gains and losses on exchange.

9. INVESTMENTS

A list of investments held at 31 December 2020 is provided in the Appendix. This shows both the historical cost and the market value at that date. The latter is based on a valuation supplied by the Fund's investment manager, Coutts & Co., London.

A 'Reserve for fluctuations in the market value of investments' was first set up in 2003 to adjust book value of investments to market value in order to comply with the Charity Commission SORP. The market value of the Fund's investments at 31 December 2020 was Euros 158.220 higher than book value. This compares to a market value at the end of 2019 which was Euros 143.818 higher than book value. The movement in the reserve in 2020 and 2019 is shown below:

	2020	2019
