Edgefield Cottage Trust

Annual Report for the 12 months to 31.03.2022

Edgefield Cottage Trust was founded in 2016 when a pair of cottages were gifted to the village. They were administered by the Edgefield Parish council until January 20th 1999 when a new scheme was registered under the Charity Commission reference number 243061. There can be five trustees, two nominated by the Parish Council for a renewable four year term and three co-opted for a renewable five year term.

The cottages are located in the heart of the village very close to the village hall and village green.

The last year has seen changes to the properties and residents.

Sadly, the resident in number 1 cottage passed away but before advertising for a replacement we took advantage of the property being vacant to carry out some much needed work on the drains to both properties as well as some repairs, new kitchen, new boiler and damp proofing works to number 1. While all this was in progress a new shower was installed at no 2 to replace the bath.

To fund the works the Trust decided to take out an interest free loan of £30,000 from the Almshouse Association. Repayment is by equal instalments twice a year for 10 years. The Trust is linked to the Almshouse Association as it provides advice and guidance as well as interest free loans and occasional grants. Even with the loan there was an excess in payments over income of £10,447. The Trust has adequate reserves of £30,385 at the year end. The absence of a resident in number 1 cottage the income was lower than previous years. Due to the Covid pandemic and the uncertainty that has created the Trustees decided to hold the level of contribution to 2019 levels.
